Ghosts of King Solomon's Mines Graham Lord,1991 *Garfield Todd: The End of the Liberal Dream in Rhodesia* Susan Woodhouse,2018-04-17 Against the backdrop of a politically approved view that Europeans did little to further the Zimbabwean nationalist freedom movements before Independence in 1980 this book will help to nail that misconception against a wall The story of Garfield Todd and his various roles as Christian missionary liberal prime minister of southern Rhodesia high profile opponent of UDI and its architect Ian Smith from 1965 to 1980 will surely be an eye opener for many young people in central and southern Africa who may never have heard of this great man who spent his life in education and public service The role of Garfield Todd and some of the people who worked with him has been effectively airbrushed from the pages of the official Zimbabwean story Why is the question Susan Woodhouse gives us the answer by telling the story of a small but influential group of men and women who dared swim against the racial current in Africa after the Second World War Its a story told with warmth personal insight and often great humour This Edinburgh based author who Sir Garfield said knew the Todds better than anyone else has introduced a small but dedicated group of long forgotten activists to a new generation of readers **A School in Africa** A. Megahey,2005-06-09 When Peterhouse School opened in 1955 the British Empire in Africa was still intact and the Federation of Rhodesia and Nyasaland had just come into being It was a boarding school founded on the British model but with the intention that it would adapt all that is best in the Public School tradition to African conditions The story of Peterhouse is not only about work and sport music and drama chapel and syllabus changes It is set in the context of educational development and political changes in a Southern Africa country The school became a pioneering multi racial institution in white Rhodesia shared the sufferings of the country during the bush war expanded greatly in the new Zimbabwe survived the contradictions of a black Marxist government and has kept its firm commitment to being a Church School Despite the uncertainties and challenges of the new century this is a story of faith and vision

Zimbabwe's Heavenly Ruins Richard Ganter,2003 The ruins of Great Zimbabwe are acknowledged as one of the most impressive monuments in Africa but also one of the most mysterious In this title the author considers the ruins in both an African and a global context and reviews investigations of other archaeological and historical enigmas around the world
