Ivory's Ghosts John Frederick Walker, 2010-01-19 A tour de force examination of the history of ivory and the demise of the elephant and human decency in the process of this unholy quest The Huffington Post Praised for the nuance and sensitivity with which it approaches one of the most fraught conservation issues we face today John Frederick Walker's *Ivory's Ghosts* tells the astonishing story of the power of ivory through the ages and its impact on elephants Long before gold and gemstones held allure ivory came to be prized in every culture of the world from ancient Egypt to nineteenth century America to modern Japan for its beauty rarity and ability to be finely carved But the beauty came

at an unfathomable cost Walker lays bare the ivory trade's cruel connection with the slave trade and the increasing slaughter of elephants in the nineteenth and early twentieth centuries By the 1980s elephant poaching reached levels that threatened the last great herds of the African continent and led to a worldwide ban on the ancient international trade in tusks But the ban has failed to stop poaching or the emotional debate over what to do with the legitimate and growing stockpiles of ivory recovered from elephants that die of natural causes Ivory's Ghost is essential reading for anyone concerned with conservation and with the tenuous future of one of the most magnificent creatures our earth has ever seen George B Schaller author of *A Naturalist and Other Beast* [The White Spaces of Kenyan Settler Writing](#) Terrence L. Craig, 2017-03-27 [The White Spaces of Kenyan Settler Writing](#) provides an overview of Kenyan literature by white writers in the half century before Independence in 1964 Such literature has been overshadowed by that of black writers to the point of critical ostracism It deserves attention for its own sake as the expression of a community that hoped for permanence but suffered both disappointment and dispossession It deserves attention for its articulation of an increasingly desperate colonial and Imperial situation at a time when both were being attacked and abandoned in Africa as in other colonies elsewhere and when a counter discourse was being constructed by writers in Britain as well as in Africa Kenya was likely the best known twentieth century colony for it attracted publicity for its iconic safaris and its Happy Valley scandals Yet behind such scenes were settlers who had taken over lands from the native peoples and who were trying to make a future for themselves based on the labour willing or forced of those people This situation can be seen as a microcosm of one colonial exercise and can illuminate the historical tensions of such times The bibliography is an attempt to collect the literary resources of white Kenya in this historically significant period **Lonely Planet Kenya** Lonely Planet, Anthony Ham, Anna Kaminski, Shawn Duthie, 2018-06-01 Lonely Planet The world's number one travel guide publisher Lonely Planet Kenya is your passport to the most relevant up to date advice on what to see and skip and what hidden discoveries await you Gaze at a million wildebeest migrating across the rolling savannah of the Masai Mara try to calm your breath as you get close to big cats and mighty elephants take your pick from national parks for mountain hiking wildlife spotting or snorkelling All with your trusted travel companion Get to the heart of Kenya and begin your journey now Inside Lonely Planet's Kenya Colour maps and images throughout Highlights and itineraries help you tailor your trip to your personal needs and interests Insider tips to save time and money and get around like a local avoiding crowds and trouble spots Essential info at your fingertips hours of operation phone numbers websites transit tips prices Honest reviews for all budgets eating sleeping sightseeing going out shopping hidden gems that most guidebooks miss Cultural insights provide a richer more rewarding travel experience covering history wildlife landscapes arts daily life food tribes of Kenya national parks and reserves Covers Nairobi Southeastern Kenya Mombasa it's in every traveller's hands It's on mobile phones It's on the Internet It's everywhere and it's telling entire generations of people how to travel the world Fairfax Media Australia Source Nielsen BookScan Australia UK USA 5 2016 4
