## Ghosts Of Williamsburg:

**The Hauntings of Williamsburg, Yorktown, and Jamestown** Jackie Eileen Behrend, 1998 Williamsburg Yorktown and Jamestown comprise Virginia's historic triangle. Some of the most important chapters of America's history unfolded in these settlements. The region has been the scene of violent confrontations between settlers and the original natives, an emotional struggle for independence, a bitter civil war, and most recently, a transformation into one of the country's finest examples of historic restoration. Some parapsychologists believe that spirits can be awakened by a sudden flurry of activity. With so much activity occurring throughout the area's history, it is little wonder that there are so many documented sightings of ghosts in this triangle. In this book, Jackie Behrend brings together thirty-seven of the region's most intriguing spirits. From Williamsburg come tales about the Wagon of Death, which can still be heard rolling down Nicholson Street as it brings prisoners to the gallows; the colonial celebrations that continue at the Raleigh Tavern; the residential area where all is quiet except for the ghosts still fighting the Revolutionary War and the ongoing wedding that brings men from both sides of the Civil War together. From Yorktown come stories about the sounds that emanate from the cave where Lord Cornwallis hid during the town's siege in 1781; the mournful tune that is heard on Surrender Field; and the melancholy feeling that overcomes people retracing the path where slaves were once marched. From Jamestown comes the tale of a deserted lover's angry ghost who still haunts the banks of the James River. From Carter's Grove comes the story of a slave who still searches Old Country Road for his lost family. Just as you can step back in time by visiting the restored settlements of the historic triangle, you can now revisit the past through the stories about the ghostly spirits who haunt Williamsburg, Yorktown, and Jamestown. When *Hauntings of Williamsburg, Yorktown, and Jamestown* was written, Jackie Eileen Behrend was the owner of J B Tours, which offered guided tours of the historic Triangle. Her most popular tour, The Haunted Williamsburg Tour, was conducted by lantern light and featured many of the stories in this book. Jackie later moved to Ocean City, Maryland, where she led tours of Ocean City and Berlin. She now lives in Pensacola, Florida.
