Randy McNutt, Cheryl Bauer

Ghosts Ohios Haunted Landscapes Lost Arts And Forgotten Places Ohio:

Ghosts Randy McNutt,1996 *Ghosts* Randy McNutt,2008-01-01 A reissue of this popular history and travel narrative The author explores the Buckeye State s folklore towns and people It is a snapshot of Buckeye life past and present Subjects include frontier legend General Mad Anthony Wayne remnants of the Miami and Erie Canal which ran into downtown Cincinnati the disastrous Ohio River flood of 1937 nitro shooters tattooed chickens and moonshiners the phenomenon of Eugene Sabina s cadaver in residence the glory years of Indiana Lake and of course quintessential ghost towns named Sodom Knockemstiff Rural Mudsock San Toy and Dull The new edition revised expanded and redesigned includes a new cover a fanciful two page map 45 photos and illustrations a new typeface and two new chapters Several other chapters have been updated and lengthened Described as a love song to Ohio the book is a key to a time long past when places like Whigville Tunnel and Toots Corner ruled the day **A History of Moonville, Ohio and a Collection of Its Haunting Tales** William M. Cullen,2013-09-25 A History of Moonville Ohio and a Collection of its Haunting Tales Revised Edition is an updated version of a previous work the author had published back in 2008 This revised edition contains more detailed history about Moonville and its surrounding towns such as Zaleski on how they came to be most notably that Moonville was named by the railroad after a general store proprietor rather than the man who had actually founded the town and that Zaleski was named after a Polish French financier who never came to America to see his namesake town This revised edition also contains more haunting tales of what had happened to some of those who had lived and worked in this remote mining town in eastern Vinton County Ohio mainly covering those who had been involved in train accidents surrounding the still standing tunnel as these trains came barreling through the area plus there are a few tales of murder as well There are also a few light hearted tales most notably that of a well known English author who had passed through Moonville on his way to tour America back in the late 1860s as well as a story about some feisty sisters in Athens who took on the expanding railroad There are human interest elements in all of this most notably to me is the story of the Dexters who had been enslaved in Virginia escaping in the 1860s having made their way to Moonville in order to live out their lives in freedom This book is about preserving the history of a mining town that began back in the 1850s thriving for nearly fifty years before it began its long slide into history though not completely forgotten for it had been once a vital part of Ohios history especially in the days leading up to the American Civil War and that is why I wrote and revised this work for Moonvilles history is a part of Ohios history Myths and Mysteries of Ohio Sandra Gurvis,2014-11-07 Myths and Mysteries of Ohio reveals the dark and ominous cloud of mysteries and myths that hovers over the Buckeye State This book offers residents travelers history buffs and ghost hunters a refreshingly lively collection of stories about Ohio s unsolved murders legendary villains lingering ghosts terrifying myths and haunted places Ohio Andrew Robert Lee Cayton,2002 As the state of Ohio prepares to celebrate its bicentennial in 2003 Andrew R L Cayton offers an account of ways in which diverse citizens have woven its history Ohio The

History of a People centers around the many stories Ohioans have told about life in their state The founders of Ohio in 1803 believed that its success would depend on the development of a public culture that emphasized what its citizens had in common with each other But for two centuries the remarkably diverse inhabitants of Ohio have repeatedly asserted their own ideas about how they and their children should lead their lives The state s public culture has consisted of many voices sometimes in conflict with each other Using memoirs diaries letters novels and paintings Cayton writes Ohio s history as a collective biography of its citizens Ohio he argues lies at the intersection of the stories of James Rhodes and Toni Morrison Charles Ruthenberg and Lucy Webb Hayes Carl Stokes and Alice Cary Sherwood Anderson and Pete Rose It lies in the tales of German Jews in Cincinnati Italian and Polish immigrants in Cleveland Southern blacks and white Appalachians in Youngstown Ohio is the mingled voices of farm families steelworkers ministers writers schoolteachers reformers and football coaches Ohio in short is whatever its citizens have imagined it to be Lost Ohio Diana Britt Franklin,Randy McNutt,2006 Takes the reader on a tour across the Buckeye State to a massive swamp that swallowed pioneers wagons a haunted prison a faded German utopia a town where they still chase horse thieves a marriage mecca a village where Buster the dog voted Republican and a myriad of abandoned ghost towns and small cities Cincinnati Magazine ,2008-11 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region **Hamilton** Randy McNutt,Cheryl Bauer,2005 Founded as Fort Hamilton in 1791 the City of Hamilton was settled by pioneers and immigrants and was forged in steel by her talented workers and craftsmen Factory owners became wealthy and built magnificent homes along Dayton Street Hamilton prospered and became known as the Greatest Little Industrial City of Its Kind in the World home to Mosler Safe Co Ford Motor Co Beckett Papers and many others Following World War II some factories closed their doors or moved away but Hamilton persevered and became a city powered by small business and the arts Through vintage images this book showcases Hamilton s success its survival of the Flood of 1913 its blue collar job loss and now its rise as the City of Sculpture attracting sculptors from across the world **Cincinnati Magazine** ,2008-11 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region *The Best Books for Academic Libraries: History of the Americas* ,2002 Books recommended for undergraduate and college libraries listed by Library of Congress Classification Numbers *Forthcoming Books* Rose Army,2000 **Great Lakes and Midwest Catalog** Partners Book Distributing,1998 American Book Publishing Record ,1997 **The Writers Directory** ,2013 **The Unabashed Librarian** ,1999 *Subject Guide to Books in Print* ,1991 The Writers Directory 2008 Michelle Kazensky,2007-06 Features bibliographical biographical and contact information for living authors worldwide who have at least one English publication Entries include name pseudonyms addresses citizenship birth date specialization career information and a bibliography **The Cumulative Book Index** ,1997 A world list of books in the English language Ohio's Historic

Haunts James A. Willis, 2015 Ohio's premier paranormal researcher looks for the spirits behind the stories. Many of Ohio's historically significant locations have developed a reputation for being haunted. While it might be almost impossible to prove the validity of the paranormal tales that surround them, one thing is clear: ghost stories help to keep history alive. But the questions remain: How did these stories get started? More important, are any of them tied directly to actual historic events? And do any facts support the ghost lore? Rather than rely on second and third person accounts, author and paranormal researcher James A. Willis sat down with the owners, employees, and patrons of Ohio locations that are said to be haunted: the Arts Castle in Delaware, the Fairport Harbor Marine Museum, the Haunted Hydro in Fremont, Loveland Castle, the Merry Go Round Museum in Sandusky, the Ohio State Reformatory in Mansfield, the Zanesville Community Theatre, and many others. After conducting more than 200 hours of one-on-one interviews, Willis was able to piece together unique histories for each location, including eyewitness accounts from people who believed they experienced paranormal activity. But Willis wasn't content to stop with first person accounts. He also brought high-tech ghost hunting equipment into each location and spent a night attempting to collect empirical data to see if he could experience a paranormal encounter himself. What were the results of these vigils? You'll have to read the book to find out. Come along on a journey with Willis as he travels to the crossroads where history and folklore collide and visit the fascinating Ohio locations where the past comes alive in more ways than one.

Ohio Ghost Hunter Guide II: Haunted Hocking - A Ghost Hunter's Guide II to Ohio Jannette

Quackenbush, 2013-04-19 Ohio Ghost Guide II: Ghost Stories, Haunted Hikes, Pictures, Discover Ohio's Spookiest Campfire stories, Old Man's Cave, How it got its name, Ash Cave's Pale Lady, Cedar Falls, Lone Grave at Allen's Knob outside Lancaster, Legend of Airplane Hollow near Nelsonville, The Mysterious Grave of Osa Wilson in Lawrence County, Stumpy Hollow, San Toy Ghost Town, Elizabeth's Grave in Chillicothe, Dead Man Hollow near Portsmouth, Moonville Tunnel, Marietta's Many Ghosts, And so many more. If you're looking for an adventure outside of the ordinary, the Ghost Hunter's Guide II offers plenty of places to begin your journey. Explore southeastern Ohio from a different angle. Discover haunted places, local legends, and scary tales of the Hocking Hills and areas within a short drive of this wilderness retreat and paranormal hotspot. Ghostly screams are still heard deep in a dark, hidden hollow where a plane crashed in Hocking County. A spectral woman walks the old gravel road in a campground near Old Man's Cave. And a doctor who died a mysterious death haunts a library in Ironton and the cemetery where he was buried. Haunted Hocking II has over 60 NEW stories of the chilling, terrifying, and even the weird.
