**Gideon's Fire** John Creasey, 2011-01-08 Commander George Gideon of Scotland Yard has to deal successively with news of a mass murderer a depraved maniac and the deaths of a family in an arson attack on an old building south of the river This leaves little time for the crisis developing at home

**Gideon's Revolution** Robert Velves, 2024-02-25 The sequel to The Palace of Breadcrumbs delves deeper into the treacherous world of the protagonists exposing dark secrets and unveiling perilous threats that loom menacingly on the horizon As they navigate through a labyrinth of deceit and betrayal the stakes soar ever higher the risks more daunting and the repercussions more devastating than ever before Gideon Calister a driven young lawyer consumed by grief returns to his homeland to carry on his deceased cousin's noble crusade and reclaim the heart of his beloved Samantha However as he immerses himself in the cutthroat realm of politics Samantha a defiant rebel assassin finds herself torn between her love for Gideon and her steadfast allegiance to the cause she fights for With the looming threat of the New Freedom Society issuing orders for his assassination Gideon's life hangs in the balance as he courageously pushes forward controversial bills that send shockwaves through society Unbeknownst to the president these bills are part of a cunning master plan that will ultimately bring the entire country to its knees

Gideon's Spies Gordon Thomas, 2025-09-23 In the secret world of spies and covert operations no other intelligence service continues to be as surrounded by myth and mystery as the Mossad Gordon Thomas reveals that all too often the truth exceeds all the fantasies about the Mossad Revised and updated for 2015 this new edition includes Mossad's secret meeting in 2013 with Saudi Arabia's intelligence chief to plan for Israel to use Saudi to attack Iran should the Geneva discussion fail to be honored by Iran The attack on Iraq's nuclear reactor that will be the flight path to an attack on Iran's nuclear facilities Mossad's new cyber war unit preparing to launch its own pre-emptive strike Why Mossad's former director Meir Dagan has spoken out against an attack on Iran Mossad agents who operate in the Dark Side of the internet to track terrorists Mossad's drone and its first killing Mossad's role in the defense of Israel's Embassy in Cairo during the Arab Spring An introduction to Mossad's new director Tamir Pardo These and other stunning details combine to give Gideon's Spies the sense of urgency and relevance that is characteristic of truly engrossing nonfiction

Gideon's Day John Creasey, 2011-01-08 Gideon's day is a busy one He balances family commitments with solving a series of seemingly unrelated crimes from which a plot nonetheless evolves and a mystery is solved One of the most senior officers within Scotland Yard his analytical brain and sense of fairness is respected by colleagues and villains alike

Characters and Characterization in the Book of Judges Keith Bodner, Benjamin J.M. Johnson, 2023-12-28 In the Book of Judges why if we view Samson as a heroic barmensch do we read his story one way yet if we read him as a buffoonish and violent oaf we read the story another way How does our assessment of the characters of a story our empathy with them or suspicion of them shape the way we read it This book

addresses these questions by analyzing the complex characterization in the Book of Judges paying attention to an often neglected but important area of study in the Hebrew Bible Its international group of contributors explore the implications of characterization on storytelling situating their contributions within the context of literary studies of the Hebrew Bible and offering multiple perspectives on the many and various characters one encounters in the Book of Judges Chapters examine a range of topics including the relationship between humor characterization and theology in Judges the intersection of characterization and ethics through the story of the story of Jephthah s daughter why the trickster hero Ehud disturbs interpreters and the ways in which Abimelech s characterization affects the key narrative themes of succession and kingship in his story     Chasing Gideon Karen Houppert,2010-08-10 The Washington Post reporter delivers a groundbreaking investigation into the nation s crisis of indigent defense a hugely important book New York Law Journal A Nieman Report s Top Ten Investigative Journalism Books of 2013 First published to mark the fiftieth anniversary of the Supreme Court decision *Gideon v Wainwright* which guaranteed all criminal defendants the right to legal counsel *Chasing Gideon* offers a personal journey through our systemic failure to fulfill this basic constitutional right Written in the tradition of Anthony Lewis s landmark work *Gideon s Trumpet* it focuses on the stories of four defendants in four states Washington Florida Louisiana and Georgia that are emblematic of nationwide problems Revealing and disturbing it is a book of nightmares because it shows that the justice system that too often produces the exact opposite of what its name suggests particularly for its most vulnerable constituents The Miami Herald Following its publication *Chasing Gideon* became an integral part of a growing national conversation about how to reform indigent defense in America and inspired an HBO documentary as well as the resource website [GideonAt50.org](http://GideonAt50.org) *Chasing Gideon* is a wonderful book its human stories gripping its insight into how our law is made profound Anthony Lewis author of *Gideon s Trumpet*     The Junior Teacher Harold Bruce Hunting,1909

Gideon's Art John Creasey,2011-03-21 The National Gallery has high security but a painting is nevertheless stolen *Gideon* of Scotland Yard knows of only a few thieves who could pull this off However one turns up dead and an art dealer s daughter is kidnapped and a counterfeiting ring moves into town Clearly *Gideon* is facing something both major and mysterious

*The Dr. Gideon Fell Mysteries Volume One* John Dickson Carr,2018-10-02 Three Golden Age British style whodunits from the Edgar Award winning writer Agatha Christie called a master magician the king of the art of misdirection One of the most popular Golden Age mystery authors John Dickson Carr was also lauded by his peers Agatha Christie offered him the highest praise from one mystery writer to another Very few detective stories baffle me but Mr Carr s always do And Dorothy Sayers enthused Mr Carr can lead us away from the small artificial world of the ordinary detective plot into the menace of outer darkness Every sentence gives a thrill of positive pleasure Featured in Carr s widely acknowledged masterpiece *The Hollow Man* Dr *Gideon Fell* is a portly sleuth whose formidable intellect is the terror of every criminal in London and the envy of every detective in Scotland Yard *The Blind Barber* Aboard the majestic ocean liner *Queen Victoria* the theft of a reel of top

secret government film sets off a chase involving stolen jewels massive marionettes and a corpse that won't stay put It will take the timely intervention of Dr Fell to cut through the shipboard shenanigans and unmask a killer A good mystery and lots of fun in the bargain The New York Times Death Watch A clockmaker is puzzled by the theft of the hands from a monumental new timepiece he is preparing for a member of the nobility When one of the stolen hands is found buried between a policeman's shoulder blades stopping his clock for all time Dr Fell comes to the aid of Scotland Yard putting him squarely in the path of a madman with nothing but time on his hands There has probably never been either in real life or in fiction a more elaborately planned crime than this one The New York Times To Wake the Dead On a wager mystery novelist Christopher Kent travels from Johannesburg to London with only the cash in his wallet and the clothes on his back He arrives with twenty-four hours to spare his wallet and stomach both empty But while having breakfast at a luxurious hotel he is implicated in the murder of a guest Fleeing the scene Kent takes refuge with Dr Fell For Kent getting to London was easy The trick will be avoiding the hangman An excellent novel of crime and puzzlement The New York Times [A Commentary on the Holy Bible](#) John Roberts Dummelow, 1909 *Gideon Versus the Gods of Cool* Stephen Gashler, 2019-04-26 Gideon Greenwich a delinquent nerd is given two choices join the football team or be expelled To be initiated into the team Gideon attends a violent fraternity party where he has a startling discovery the jocks are being controlled by an evil god of sports As the conspiracy unfolds it appears that the entire high school has been hijacked by otherworldly beings posing as teachers To resist their dark powers Gideon must look beyond social cliques and team up with star quarterback Doug Rock and the beautiful cheerleader Cynthia McDaniels Together the unlikely friends take on the god of sports the goddess of fashion and the god of popularity But defying the gods of cool takes courage a willingness to look stupid and mind-bending adventures through parallel universes In this thoughtful and hilarious critique of high school life national award-winning storyteller Stephen Gashler will make you question what it means to be cool **Gideon Combats Influence** John Creasey, 2011-04-19 Borgman is a big man who has money and influential friends Gideon knows he killed his wife but can he prove it How is he to break through the power wielded by this serious adversary and deal with all of the other problems that crop up And will the press and the court spare him **Judges** Serge Frolov, 2013-05-22 This commentary is the eighteenth published volume in The Forms of the Old Testament Literature FOTL a series that aims to present a form critical analysis of the books and units in the Hebrew Bible Serge Frolov's valuable study of Judges addressing both synchronic and diachronic perspectives offers the first full-scale form critical treatment of Judges since 1922 and represents an important application of form criticism as practiced today Fundamentally exegetical Frolov's work examines the structure genre setting and intention of Judges Focusing on the canonical Hebrew text Frolov argues that what we know as the book of Judges is not a literary unit but rather a series of interconnected units that are for the most part closely linked to adjoining books In particular he shows how the sequence apostasy oppression repentance deliverance traverses the boundary between Judges and Samuel Frolov also
