The Gift of Miracles Robert De Grandis, 1991 Miracles : 2 Volumes Craig S. Keener, 2011-11-01 Christianity Today 2013 Book Award Winner Winner of The Foundation for Pentecostal Scholarship s 2012 Award of Excellence 2011 Book of the Year Christianbook.com s Academic Blog Most modern prejudice against biblical miracle reports depends on David Hume s argument that uniform human experience precluded miracles Yet current research shows that human experience is far from uniform In fact hundreds of millions of people today claim to have experienced miracles New Testament scholar Craig Keener argues that it is time to rethink Hume s argument in light of the contemporary evidence available to us This wide ranging and meticulously researched two volume study presents the most thorough current defense of the credibility of the miracle reports in the Gospels and Acts Drawing on claims from a range of global cultures and taking a multidisciplinary approach to the topic Keener suggests that many miracle accounts throughout history and from contemporary times are best explained as genuine divine acts lending credence to the biblical miracle reports **God Did It** ROSE ANN

Miracle on Hope Hill Carol Kent,Jennie Afman Dimkoff,2011-10-04 Miracle on Hope Hill is a collection of true inspiring stories that show God s love and affirmation intervening in the lives of ordinary people It includes stories of romance heartache tragedy and celebration but all with the common thread of God moments that show his love intervention and blessing Every now and then such moments are so spectacular that we can t miss them But far more often we don t notice them calling our experience a stroke of good luck or taking credit for the unexpected blessing as simply our due But when we truly consider these events we discover how ever present God is and we begin to recognize ways in which God is affirming leading and demonstrating his love for us At times his touch comforts us when we are hurting It may come quietly unexpectedly or from the hand of someone he has moved to meet our need Other times we may be so consumed with despair that we assume God has abandoned us But he has not His love is shown to us in subtle ways that we sometimes miss because we are so caught up in the complexity or misery of our circumstances Carol and Jennie have both contributed over the years to successful collections of stories published by Honor Zondervan NavPress and others For the first time they are collaborating two sisters telling stories that uplift encourage and inspire Hearing from God Each Morning Joyce Meyer,2010-01-08 In the hustle and bustle of today s busy world sometimes it s hard enough to hear yourself think much less take a minute to stop and listen for the voice of God But learning to recognize God s voice and the many ways in which He speaks is vital for following His plan This devotional drawing from *How to Hear From God* *Knowing God Intimately* and *The Power Of Simple Prayer* shows the reader through a daily reminder how God speaks through their own thoughts and feelings their dreams and the words of other people Joyce Meyer reveals the ways in which God delivers His word and the benefits of asking God for the sensitivity to hear His voice Joyce asks the question Are you listening and shares how to do just that on a daily basis *Sermons of the Rev.
