Christian Initiation and Baptism in the Holy Spirit Kilian McDonnell, George Montague, 2017-02-02 Up to now the teaching on baptism in the Holy Spirit has been based on a few scriptural texts whose interpretation was disputed This doubt cast its shadow on those who promote baptism in the Holy Spirit Now new evidence has been found in early post biblical authors Tertullian Hilary of Poitiers Cyril of Jerusalem John Chrysostom Philoxenus and the Syrians which demonstrates that what is called baptism in the Holy Spirit was integral to Christian initiation baptism confirmation Eucharist Because it was part of initiation into the Church it was not a matter of private piety but of public worship Therefore it was and remains normative This is an intriguing ground breaking study of value to RCIA teams pastors theology teachers and students and Church offices *Spiritual Gifts* R. Paul's Language of Ζῆλος Benjamin J. Lappenga, 2015-09-29 In Paul's Language of Benjamin Lappenga harnesses linguistic insights recently formulated within the framework of relevance theory to argue that within the letters of Paul specifically Galatians 1 2 Corinthians and Romans the word group is monosemic Linking the responsible treatment of lexemes in the interpretive process with new insight into Paul's rhetorical and theological task Lappenga demonstrates that the mental encyclopedia activated by the term is shaped within Paul's discourse and thus transforms the meaning of for attentive model readers Such identity forming strategies promote a series of practices that may be grouped under the rubric of rightly directed specifically emulation of weak people and things eager pursuit of community building gifts and the avoidance of jealous rivalry

are passionate about the topic but dissatisfied with what they currently know **A Handbook of Theology** Dr. Daniel L. Akin, David S. Dockery, Nathan A. Finn, Christopher W. Morgan, 2023-04-01 In *A Handbook of Theology* editors Daniel Akin, David Dockery and Nathan Finn select nearly fifty contributors in the Baptist and evangelical heritage to lay a biblically informed foundation of a Christian theology for students, pastors and church leaders. This volume surveys six parts of theology foundations: Part 1 types of theology, Part 2 history and geography, Part 3 Christian doctrine, Part 4 the Christian life, Part 5 and theology and culture, Part 6. Each author centers their theological topics in the Scriptures while also being Trinitarian, Christ-centered, Spirit-enabled and mission-focused. The *Theology for the People of God* series is edited by David S. Dockery, Nathan A. Finn and Christopher W. Morgan *Gifts and Graces* Arnold Bittlinger, 1967-01-01 **Charism in the Church** Constant Leke Ngolefac, 2024-03-01 Charism is a hot contemporary issue. The growing interest in the charisms is one of the significant religious developments of our time. Opinions on charisms vary to a remarkable degree. Unfortunately, in some cases, diverse viewpoints have led to confusion among Christians. On the positive side, though, this developing interest in charisms has contributed to spiritual renewal and stimulated biblical research in this most important area of the Church's life. The exponential growth of the Charismatic Pentecostal Movement throughout the world and especially in Africa urged led to choice of this topic on charisms. In the Charismatic Pentecostal Movements, the issue of charisms is very vital and extremely important. It is at the centre of its spirituality and practice. This Movement has spread to almost all major Christian confessions, denominations and continues to attract many followers. This work is unique among the many studies written on the charisms. Even though the subject of charisms has received some scholarly attention, most have not delved into the role of the charisms in the Church from a Pauline perspective as this study does. The following observations and reasons demonstrate that it is still meaningful and worthwhile to study charisms in Pauline letters **National Union Catalog**, 1969 Includes entries for maps and atlases *Man and Woman, One in Christ* Philip Barton Payne, 2015-05-05 Does Paul teach a hierarchy of authority of man over woman or does he teach the full equality of man and woman in the church and home? In *Man and Woman, One in Christ* Philip Barton Payne answers this question and more, injecting crucial insights into the discussion of Paul's view of women. Condensing over three decades of research on this topic, Payne's rigorous exegetical analysis demonstrates the consistency of Paul's message on this topic and its coherence with the rest of his theology. Payne's exegetical examination of the Pauline corpus is thorough, exploring the influences on Paul, his practice as a church leader and his teachings to various Christian communities. Paul's theology, instruction and practice consistently affirm the equal standing of men and women with profound implications for the church today. *Man and Woman, One in Christ* is required reading for all who desire to understand the meaning of Paul's statements regarding women and their relevance for Christian relationships and ministry today. This work has the potential of uniting the church on this contentious issue.
