Gifts and Poison Frederick George Bailey,1971 **The New Testament in Cross-Cultural Perspective** Richard L. Rohrbaugh,2006-10-15 The Bible is not a Western book and the world of the New Testament is not our world The New Testament world was preindustrial Mediterranean and populated mostly by nonliterate peasants who depended on hearing these writings read aloud Only a few of the literate elite were part of the Jesus movement and they knew nothing of either modernity or the Western culture we inhabit today This means that for all North Americans reading the New Testament is always an exercise in cross cultural communication Travelers diplomats and exchange students take great pains to bridge the cultural gaps that cloud mutual understanding But North American readers habitually suspend cross cultural awareness when encountering the Bible The result is that we unwittingly project our own cultural understandings onto the pages of the New Testament Rohrbaugh argues that to whatever degree we can bridge cultural gaps between ourselves and New Testament writers we learn to value their intentions rather than the meanings we create from their words Rohrbaugh s insightful interpretations of Gospel passages go a long way toward helping to span distances between the New Testament world and the present **Harpstrings and Confessions** Mart Bax,1976 The National Union Catalogs, 1963- ,1964 Library of Congress Catalog Library of Congress,1974-10 A cumulative list of works represented by Library of Congress printed cards **Library of Congress Catalogs** Library of Congress,1976 **Monographic Series** Library of Congress, **Sociology and Social Research** ,1972 Includes the section Book notes Orality and Literacy in Early Christianity Pieter Botha,2012-11-01 The history of the Jesus movement and earliest Christianity requires careful attention to the characteristics and peculiarities of oral and literate traditions Understanding the distinctive elements of Greco Roman literacy potentially has profound implications for the historical understanding of the documents and events involved Concepts such as media criticism orality manuscript culture scribal writing and performative reading are explored in these chapters The scene of Greco Roman literacy is analyzed by investigating writing and reading practices These aspects are then related to early Christian texts such as the Gospel of Mark and sections from Paul s letters **Guide to the Teaching of Anthropology in Schools and Colleges** Joan Bulmer,1977 **Journal of the Anthropological Society of Oxford** Anthropological Society of Oxford,1970 □□□□□□□□ ,1975 **Subject Catalog** Library of Congress,1970 National Union Catalog ,1973 Includes entries for maps and atlases **Antropologia** Michael Herzfeld,2016-05-12 Esta obra enfatiza a import ncia da disciplina da antropologia e dos m todos antropol gicos para a compreens o da din mica societ ria num mundo cada vez mais globalizado Traz uma vis o global da antropologia social e cultural uma disciplina dentro das ci ncias sociais que de um modo geral abrange a rela o entre a sociedade e a cultura O livro um convite a reflex o na medida em que questiona pressupostos globais que dominam cada vez mais as tomadas de decis o pol ticas e econ micas **The Children of Israel** Schifra Strizower,1971 **The Bene Israel of Bombay** Schifra Strizower,1971 **Books in Series** ,1980
