The Ideal Family 101 Mary Ella Throener, 2021-08-13 Family life is what makes a great world What educational courses do we have on this Do we have a family course in every grade level at school How many papers do the young write on this topic How important is family The value of life itself is reflected in family life and church life and the world So how high should our expectations of family life be What action plans can we make and do When we have plans we also have a purpose When the love of family life is at the heart and soul of every boy man and every girl woman beginning at conception and continuing on through every minute of every day violence will fade as something that is not good It will be replaced with gratitude for our own lives and the life of every other human being What can we do and promote to help make this happen Do we invite grandpas and or grandmas to our schools and churches to talk about how great it is to be grandpas and grandmas or great grandpas and great grandmas Do we ask them to talk about what good things they did to make their family life good and or what they could have done better and want to teach tell the younger people Wouldn't it be great if the love for family life was so highly valued and if peace and the unity of families would be the future for the next generations Who is the ideal family The ideal family reflects God's love to the world God's love is one that sacrifices one that has empathy for others one that has performed miracles It is so good to have plans in a family An example that became humorous many years later in our family was that our fifth daughter never mowed the lawn and we were all so busy we didn't notice it until she was an adult So it is good to make sure we have plans and purpose to our family life Life is too short for us to be just floating along This is a good memory to laugh about because we do live in a world that is not perfect This is earth not heaven People and human families may have opinions they may have perspectives and they may be giving their all to do good for others This is a good kind of family life
