In the Midst of Chaos Bonnie J. Miller-McLemore, 2019-03-01 How the daily practices of life with children can shape our faith *In the Midst of Chaos* explores parenting as spiritual practice building on Bonnie J. Miller-McLemore's fresh conceptions of children from her book *Let the Children Come* She questions conventional perceptions that spiritual practices require silence solitude and uninterrupted prayer and that assume a life unburdened by care of others She is both honest about the difficulties and attentive to the blessings present in everyday life and demonstrates that the life of faith encompasses children

and the adults who care for them Miller McLemore explores how parents might use seven daily practices such as play reading chores and saying goodbye or goodnight as rich opportunities to shape both parent and child morally and spiritually Through these experiences she shows how the very care of children forms and reforms the faith of adults themselves contrary to the belief that adults must form children In the Midst of Chaos also goes beyond the typical focus on individual self fulfillment by tackling difficult questions of social justice and mutuality in the ways families live together Readers will find in this book an invitation to love those around them in the midst of life s craziness and to live more deeply in grace In Search of the Kite Runner Judi Hayes,2007-03 In Khaled Hosseini s best selling novel The Kite Runner Riverhead Books 2003 Hosseini shows us an Afghanistan rich in tradition and culture and an Afghanistan torn apart by war and political strife We see Muslims who are not so different from Christians or Jews In Search of the Kite Runner looks at the basic themes that make The Kite Runner such a fascinating and thought provoking story and that make it personal for anyone who has ever wished for a chance to do something over Written from a Christian perspective In Search of the Kite Runner begins with the rudiments of Islamic faith and the Islam of Afghanistan The author likens the struggles of The Kite Runner s characters and those of other literary figures to the struggles and stories of biblical patriarchs She brings to light the complexities of interpersonal and intrafamily relationships and examines the impact that power guilt and the quest for forgiveness and redemption can have on our lives Exploring both the individual and the collective basis for doing good Hayes probes our perceptions about what it means to be religious and what it means to be human From the Popular Insights series
