Gilded Age Or The Hazard Of New Functions:

The Gilded Age, Or, The Hazard of New Functions Mark Wahlgren Summers, 1997 A very broad balanced accessible account of the Gilded Age 1865 1901 that includes all the recent scholarship on this period and offers a portrait of the economic political social and cultural history of the age American resourcefulness is shown at its best and worst Discusses how the conservatism of thought and radicalism of technological change remade the Gilded Age and how society tempered the applications of each So too are mainstream politics and religion This is a rich colorful narrative about a complex period in American history

The Gilded Age Charles W. Calhoun, 2006-09-11 The United States that entered the twentieth century was vastly different from the nation that emerged from the Civil War Industrialization mass immigration the growing presence of women in the work force and the rapid advance of the cities had transformed American society Broad in scope The Gilded Age brings together sixteen original essays that offer lively syntheses of modern scholarship while making their own interpretive arguments These engaging pieces allow students to consider the various societal cultural and political factors that make studying the Gilded Age crucial to our understanding of America today Charles W Calhoun connects all of these essays with a comprehensive introduction that places each article in an understandable historical context For the second edition of this successful book each essay was revised and three new pieces have been added that explore technology consumerism intellectual life and race in late nineteenth century America

The Gilded Age & Progressive Era Elisabeth Israels Perry, Karen Manners Smith, 2006-10-30 More than 250 entries provide information on a wide range of topics related to the Gilded Age and Progressive Era covering the economic political and cultural changes and expansions that took place from 1877 to 1920

Mrs. Russell Sage Ruth Crocker, 2006-11-01 This is the biography of a ruling class woman who created a new identity for herself in Gilded Age and Progressive Era America A wife who derived her social standing from her robber baron husband Olivia Sage managed to fashion an image of benevolence that made possible her public career In her husband's shadow for 37 years she took on the Victorian mantle of active reforming womanhood When Russell Sage died in 1906 he left her a vast fortune An advocate for the rights of women and the responsibilities of wealth for moral reform and material betterment she took the money and put it to her own uses Spending replaced volunteer work suffrage bazaars and fundraising fates gave way to large donations to favorite causes As a widow Olivia Sage moved in public with authority She used her wealth to fund a wide spectrum of progressive reforms that had a lasting impact on American life including her most significant philanthropy the Russell Sage Foundation

From Colony to Superpower George C. Herring, 2008-10-28 The newest volume in the prestigious Oxford History of the United States From Colony to Superpower provides a sweeping account of United States foreign relations and diplomacy in a magisterial account of America's interaction with other peoples and nations of the world Herring tells a story of stunning successes and sometimes tragic failures captured in a fast paced narrative that illuminates the central importance of foreign relations to the existence and survival of the nation and

highlights its ongoing impact on the lives of ordinary citizens And Herring does all this in a story rich in human drama and filled with epic events

Dreams of a More Perfect Union Rogan Kersh,2013-06-04 In a brilliantly conceived and elegantly written book Rogan Kersh investigates the idea of national union in the United States For much of the period between the colonial era and the late nineteenth century he shows union was the principal rhetorical means by which Americans expressed shared ideals and a common identity without invoking strong nationalism or centralized governance Through his exploration of how Americans once succeeded in uniting a diverse and fragmented citizenry Kersh revives a long forgotten source of U S national identity Why and how did Americans perceive themselves as one people from the early history of the republic How did African Americans and others at the margins of U S civic culture apply this concept of union Why did the term disappear from vernacular after the 1880s In his search for answers Kersh employs a wide range of methods including political theory analysis of writings by James Madison Frederick Douglass and Abraham Lincoln and empirical analysis drawing on his own extensive database of American newspapers The author s findings are persuasive and often surprising One intriguing development for instance was a strong resurgence of union feelings among Southerners including prominent former secessionists after the Civil War With its fascinating and novel approach **Dreams of a More Perfect Union** offers valuable insights about American political history especially the rise of nationalism and federalism Equally important the author s close retracing of the religious institutional and other themes coloring the development of unionist thought unveils new knowledge about the origination and transmittal of ideas in a polity

This Far by Faith David R. Contosta,2015-06-26 The history of the Diocese of Pennsylvania is in many ways a history of the Episcopal Church at large It remains one of the largest and most influential dioceses in the national church Its story has paralleled and illustrated the challenges and accomplishments of the wider denomination and of issues that concern the American people as a whole In **This Far by Faith** ten professional historians provide the first complete history of the Diocese of Pennsylvania It will become essential reading for anyone wishing to understand the history and significance of the Episcopal Church and of its evolution in the Greater Philadelphia area Aside from the editor the contributors are Charles Cashdollar Marie Conn William W Cutler III Deborah Mathias Gough Ann Greene Sheldon Hackney Emma J Lapsansky Werner William Pencak and Thomas F Rzeznik

A Generation at War Nicole Etcheson,2023-02-10 For all that has been written about the Civil War s impact on the urban northeast and southern home fronts we have until now lacked a detailed picture of how it affected specific communities in the Union s Midwestern heartland Nicole Etcheson offers a deeply researched microhistory of one such community Putnam County Indiana from the Compromise of 1850 to the end of Reconstruction and shows how its citizens responded to and were affected by the war Delving into the everyday life of a small town in one of the nineteenth century s bellwether states **A Generation at War** considers the Civil War within a much broader chronological context than other accounts It ranges across three decades to show how the issues of the day particularly race and sectionalism temporarily displaced economic and

temperance concerns how the racial attitudes of northern whites changed and how a generation of young men and women coped with the transformative experience of war Etcheson interrelates an impressively wide range of topics Through temperance and alcohol she illustrates nativism and class consciousness while through an account of a murder she probes ethnicity politics and gender She reveals how some women wanted to maintain dependence and how the war gave independence to others as pensions allowed them to survive without a male provider And she chronicles the major shift in race relations as the most revolutionary change blacks had been excluded from Indiana in the 1850s but were invited into Putnam County by 1880 Etcheson personalizes all of these issues through human stories bringing to life people previously ignored by history whether veterans demanding recognition of their sacrifice women speaking out against liquor or Copperheads parading against Republicans The introduction of race with the North Carolina Exodusters marks a particularly effective lens for seeing how the idealism unleashed by Lincoln s war influenced the North Etcheson also helps us understand how white Southerners tried to reunify the country on the basis of shared white racism Drawing on personal papers local newspapers pension petitions Exoduster pamphlets and more Etcheson demonstrates how microhistory helps give new meaning to larger events A Generation at War opens a new window on the impact of the Civil War on the agrarian North

The Business Strategy of Booker T. Washington Michael B. Boston,2010-08-29 Michael Boston offers a radical departure from other interpretations of Booker T Washington by focusing on the latter s business ideas and practices More specifically Boston examines Washington as an entrepreneur spelling out his business philosophy at great length and discussing the influence it had on black America He analyzes the national and regional economies in which Washington worked and focuses on his advocacy of black business development as the key to economic uplift for African Americans The result is a revisionist book that responds to the skewed literature on Washington even as it offers a new framework for understanding him Based upon a deep reading of the Tuskegee archives it acknowledges Washington not only as a champion of black business development but one who conceived and implemented successful strategies to promote it as well The Business Strategy of Booker T Washington makes abundantly clear that Washington was not an accommodationist it will be required reading for any future discussion of this titan of history Encyclopedia of the Gilded Age and Progressive Era

John D. Buenker,Joseph Buenker,2021-04-14 Spanning the era from the end of Reconstruction 1877 to 1920 the entries of this reference were chosen with attention to the people events inventions political developments organizations and other forces that led to significant changes in the U S in that era Seventeen initial stand alone essays describe as many themes

Our Country Grant Brodrecht,2018-06-05 A welcome contribution to the growing literature on religion during the Civil War era Civil War News Northern evangelicals love of the Union arguably contributed to its preservation and the slaves emancipation but in subsuming the ex slaves to their vision for a Christian America northern evangelicals contributed to a Reconstruction that failed to ensure the ex slaves full freedom and equality as Americans By examining Civil War era

Protestantism in terms of the Union Grant R Brodrecht adds to the understanding of northern motivation and the history that followed the war Our Country contends that non radical Protestants consistently subordinated concern for racial justice for what they perceived to be the greater good Mainstream evangelicals did not enter Reconstruction with the primary aim of achieving racial justice Rather they expected to see the emergence of a speedily restored prosperous and culturally homogenous Union a Union strengthened by God through the defeat of secession and the removal of slavery as secession s cause Brodrecht addresses this so called proprietary regard for Christian America within the context of crises surrounding the Union s existence and its nature from the Civil War to the 1880s Including sources from major Protestant denominations the book rests on a selection of sermons denominational newspapers and journals autobiographies archival personal papers of several individuals and the published and unpublished papers of Abraham Lincoln Andrew Johnson and Ulysses S Grant The author examines these sources as they address the period s evangelical sense of responsibility for America while keyed to issues of national and presidential politics

In the Shadow of Billy the Kid Kathleen P. Chamberlain,2013-02-15 The events of July 19 1878 marked the beginning of what became known as the Lincoln County War and catapulted Susan McSween and a young cowboy named Henry McCarty alias Billy the Kid into the history books The so called war a fight for control of the mercantile economy of southeastern New Mexico is one of the most documented conflicts in the history of the American West but it is an event that up to now has been interpreted through the eyes of men As a woman in a man s story Susan McSween has been all but ignored This is the first book to place her in a larger context Clearly the Lincoln County War was not her finest hour just her best known For decades afterward she ran a successful cattle ranch She watched New Mexico modernize and become a state And she lived to tell the tales of the anarchistic territorial period many times

Builders of a New South Aaron D. Anderson,2013-01-23 Builders of a New South describes how between 1865 and 1914 ten Natchez mercantile families emerged as leading purveyors in the wholesale plantation supply and cotton handling business and soon became a dominant force in the social and economic Reconstruction of the Natchez District They were able to take advantage of postwar conditions in Natchez to gain mercantile prominence by supplying planters and black sharecroppers in the plantation supply and cotton buying business They

parlayed this initial success into cotton plantation ownership and became important local businessmen in Natchez participating in many civic improvements and politics that shaped the district into the twentieth century This book digs deep in countless records including census tax property and probate as well as thousands of chattel mortgage contracts to explore how these traders functioned as entrepreneurs in the aftermath of the Civil War examining closely their role as furnishing merchants and land speculators as well as their relations with the area s planters and freed black population Their use of favorable laws protecting them as creditors along with a solid community base that was civic minded and culturally intact greatly assisted them in their success These families prospered partly because of their good business practices and partly because local whites and blacks embraced them as useful agents in the emerging new marketplace The situation created by the aftermath of the war and emancipation provided an ideal circumstance for the merchant families and in the end they played a key role in the district s economic survival and were the prime modernizers of Natchez *A Treasure Chest of Hidden History* Rusty Glover,2013-09-16 As a high school history teacher for the past 25 years I have collected and read hundreds of books pertaining to my subjects taught On the completion of each book I would carefully take notes on the most interesting events quotes or interpretations that I felt would enhance instruction for my students After filling numerous notepads of information on over 800 books I contemplated a project of sharing my most interesting findings The result of this twenty plus year project is this book This book is divided into 16 chapters based on the various topics presented Some chapters contain a small amount of entries such as Nicknames Espionage or Labor while chapters on the Presidents or quotes will fill over thirty pages The first chapter puts emphasis on the role my home state of Alabama has played on the national scene One chapter is entitled Miscellaneous Odds and Ends due to the subject matter not fitting into any other classification **The Myth of American Diplomacy** Walter L. Hixson,2008-10-01 In this major reconceptualization of the history of U S foreign policy Walter Hixson engages with the entire sweep of that history from its Puritan beginnings to the twenty first century s war on terror He contends that a mythical national identity which includes the notion of American moral superiority and the duty to protect all of humanity has had remarkable continuity through the centuries repeatedly propelling America into war against an endless series of external enemies As this myth has supported violence violence in turn has supported the myth The Myth of American Diplomacy shows the deep connections between American foreign policy and the domestic culture from which it springs Hixson investigates the national narratives that help to explain ethnic cleansing of Indians nineteenth century imperial thrusts in Mexico and the Philippines the two World Wars the Cold War the Iraq War and today s war on terror He examines the discourses within America that have continuously inspired what he calls our pathologically violent foreign policy The presumption that as an exceptionally virtuous nation the United States possesses a special right to exert power only encourages violence Hixson concludes and he suggests some fruitful ways to redirect foreign policy toward a more just and peaceful world **Reforging the White Republic** Edward J. Blum,2015-06-15

During Reconstruction former abolitionists in the North had a golden opportunity to pursue true racial justice and permanent reform in America. But after the sacrifice made by thousands of Union soldiers to arrive at this juncture the moment soon slipped away leaving many whites throughout the North and South more racist than before. Edward J. Blum takes a fresh look at the reasons for this failure in *Reforging the White Republic* focusing on the vital role that religion played in reunifying northern and southern whites into a racially segregated society. A blend of history and social science *Reforging the White Republic* offers a surprising perspective on the forces of religion as well as nationalism and imperialism at a critical point in American history. *A Historical Atlas of the Industrial Age and the Growth of America's Cities* Sherri Liberman, 2004-12-15 Discusses how the industrial age influenced the growth of the United States including settling the West expanding the industrial economy and changing the social structure. **The Pullman Strike and the Crisis of the 1890s** Richard Schneirov, Shelton Stromquist, Nick Salvatore, 1999 The Pullman strike of 1894 shut down the rail system from Chicago to the West Coast culminating two decades of labor unrest and helping to define an epochal transition in American history. In this wide ranging collection leading labor historians use the prism of the Pullman strike to broaden our understanding of the crisis of the 1890s. By examining the strike in the context of continuities and changes in labor organization the influences of gender and community the public representation and contested meaning of labor conflict the emergence of a new politics of progressive reform the development of a regulatory state and a changing legal environment these essays resituate the Pullman conflict in its historical context. Illuminating one of the most important events in labor's past *The Pullman Strike and the Crisis of the 1890s* testifies to the pivotal importance of the Pullman conflict and its aftermath for understanding the course of American history. *Historical Dictionary of the Gilded Age* T. Adams Upchurch, 2009-04-13 The Gilded Age was an important three decade period in American history. It was a time of transition when the United States began to recover from its Civil War and post war rebuilding phase. It was as a time of progress in technology and industry of regression in race relations and of stagnation in politics and foreign affairs. It was a time when poor southerners began farming for a mere share of the crop rather than for wages when pioneers settled in the harsh land and climate of the Great Plains and when hopeful prospectors set out in search of riches in the gold fields out West. *The Historical Dictionary of the Gilded Age* relates the history of the major events issues people and themes of the American Gilded Age 1869-1899. This period of unprecedented economic growth and technical advancement is chronicled in this reference and includes a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries.

Gilded Age Or The Hazard Of New Functions Introduction

In today's digital age, the availability of Gilded Age Or The Hazard Of New Functions books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Gilded Age Or The Hazard Of New Functions books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Gilded Age Or The Hazard Of New Functions books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Gilded Age Or The Hazard Of New Functions versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, Gilded Age Or The Hazard Of New Functions books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Gilded Age Or The Hazard Of New Functions books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Gilded Age Or The Hazard Of New Functions books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer

academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Gilded Age Or The Hazard Of New Functions books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Gilded Age Or The Hazard Of New Functions books and manuals for download and embark on your journey of knowledge?

FAQs About Gilded Age Or The Hazard Of New Functions Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
