The Gilgit Game John Keay,1979      **Exploration in the Age of Empire, 1750-1953** Infobase Holdings, Inc.,2009

Whether motivated by the quest for power riches or other factors explorers have searched throughout history to uncover the unknown Exploration in the Age of Empire 1750-1953 Revised Edition offers extensive coverage of European exploration and imperial expansion in Africa and Asia using three themes to recount the experiences and achievements of individual explorers OCothe motives of the explorers how changing ideas influenced the conduct and understanding of exploration and how competition and politics of the European empires were shaped by exploration      **The Gilgit Game** John Keay,1990

**Himalaya** John Keay,2022-11-08 Excellent packed with information and interesting anecdotes The Washington Post A groundbreaking new look at Himalaya and how climate change is re casting one of the world s most unique geophysical historical environmental and social regions More rugged and elevated than any other zone on earth Himalaya embraces all of Tibet plus six of the world s eight major mountain ranges and nearly all its highest peaks It contains around 50 000 glaciers and the most extensive permafrost outside the polar region 35% of the global population depends on Himalaya s freshwater for crop irrigation protein and increasingly hydro power Over an area nearly as big as Europe the population is scattered often nomadic and always sparse Many languages are spoken some are written and few are related Religious allegiances are equally diverse The region is also politically fragmented its borders belonging to multiple nations with no unity in how to address the risks posed by Himalaya s environment including a volatile near tropical latitude in which temperatures climb from sub zero at night to 80 F by day Himalaya has drawn an illustrious succession of admirers from explorers surveyors and sportsmen to botanists and zoologists ethnologists and geologists missionaries and mountaineers It now sits seismically unstable as tectonic plates continue to shift and the region remains gridlocked in a global debate surrounding climate change Himalaya is historian John Keay s striking case for this spectacular but endangered corner of the planet as one if its most essential wonders Without an other worldly ethos and respect for its confounding utterly fascinating features John argues Himalaya will soon cease to exist      **The Unlikely Hero** Dorothy Anderson,2008-11-01 An Unlikely Hero is not only the story of an extraordinary life but also a unique insight into the Great Game played out in Afghanistan in the late nineteenth century Beginning his career as a British Surgeon Major in Afghanistan George Scott Robertson found himself defending Chitral Fort in 1895 against a besieging force of thousands of tribesmen He was celebrated as a hero but this was only one chapter in what was an extraordinary life This book is the story of an adventurer ethnographer and soldier      **Torrents As Yet Unknown** Wickliffe W. Walker,2024-09-03 Will have river veterans nodding in agreement and surprise I loved the journey Doug Stanton author of the 1 New York Times bestseller Horse Soldiers An important contribution to the literature of exploration This book had my pulse racing Peter Heller author of The Dog Stars and The River A dramatic narrative tour of 10 of the world s most incredible whitewater adventures spanning 5 continents and 40 years guided by a legendary

whitewater trailblazer This fascinating history of daring whitewater explorers stands alongside classic works on mountaineering outdoor survival and extreme sports Perfect for fans of Jon Krakauer's Into Thin Air and Candice Millard's River of the Gods In 10 thrilling real life adventure stories pioneering whitewater explorer Wick Walker examines what lured a generation of incredibly daring pioneers into some of Earth's most wondrous yet forbidding river canyons below Victoria Falls on the Zambezi the Great Bend of the Tsangpo in Tibet Tiger Leaping Gorge on the Yangtze the flanks of Mount Everest and more Loaded with great moments and personal stories Walker details what these adventurers found there and within themselves The extraordinary characters driven by different motives and visions but united by their compulsion to seek the unknown and the pulse of free flowing water are as remarkable as the daunting geography and conditions they confront Whitewater sport today stands side by side with mountaineering in participation and public attention yet it has lagged in generating its own literature Torrents As Yet Unknown helps fill that gap for readers interested in human drama played out against great natural challenges Mountaineering history is deep and its literature rich but whitewater adventurers approach and experience the same forbidding terrain from a different vantage between the steep walls of their canyons and atop powerful torrents of cascading water **European Empires from Conquest to Collapse, 1815-1960** V.G.

Kiernan,2024-04-09 New edition of a trail blazing history of imperial warfare European Empires from Conquest to Collapse is a vivid anticolonial reckoning with the history of imperial warfare Global in scope it deftly surveys the fighting forces and military engagements of the Great Powers from the British in India to the scramble for Africa Victor Kiernan lays bare the doctrines and realities of colonial fighting dispelling official legends Europe often boasted that colonialism was civilised but the facts show it could be barbaric Kiernan traces how guerrilla insurgency against colonial oppression developed into one of the most sophisticated branches of the art of war With a foreword by Tariq Ali author of Winston Churchill His Times His Crimes Colonial Empires and Armies, 1815-1960 Victor Gordon Kiernan,1998 Beginning with the post Napoleonic era this volume presents all the major episodes of an often dramatic story in which the military agents of European imperialism met the peoples of the rest of the world in armed conflict The Quest for Forbidden Lands Alexandre I. Andreyev,Mikhail Baskhanov,Tatyana Yusupova,2018-08-13 The Quest for Forbidden Lands Nikolai Przhevalskii and his Followers on Inner Asian Tracks is a collection of biographical essays of outstanding Russian explorers of Inner Asia of the late nineteenth early twentieth century Nikolai Przhevalskii Vsevolod Roborovskii Mikhail Pevtsov Petr Kozlov Grigorii Grumm Grzhimailo and Bronislav Grombchevskii almost all senior army officers Their expeditions were organized by the Imperial Russian Geographical Society with some assistance from the military department with a view of exploring and mapping the vast uncharted territories of Inner Asia being the Western periphery of the Manchu Chinese Empire The journeys of these pioneers were a great success and gained world renown for their many discoveries and the valuable collections they brought from the region **Gender, Identity, and Imperialism** N. Cook,2007-12-09 An ethnographic study showing how Western

women living in Pakistan as international development workers constructed new identities in a Muslim community Cook shows how these transnational migrants both perpetuate and resist unequal global power relations in everyday life tracing the legacy of this from the colonial period to the present      **Nation, Territory, and Globalization in Pakistan** Chad Haines,2013-03-01 The Karakoram Highway was constructed by the Pakistani state in the 1970s as a major development project that furthered the national interest and solidified state control over the disputed region of northern Pakistan Focusing on this highway this book provides a unique analysis of the links between space travel and history in the formation of the Pakistani nation state The book discusses how the highway was a symbol for an imagined national identity and goes on to look at how it offered Pakistan a pre Partition history and a fixed territory by providing a historical link to the Silk Route and a contemporary geographical linkage to Central Asia Examining the influence of the diverse travellers along the Karakoram Highway the book shows how global flows of development trade labour and tourism have remapped the Pakistani nation state and reshaped the local Providing a fresh perspective on the nation state of Pakistan this book is an important contribution to studies on South Asian History Anthropology Politics and Geography      *The Myth of Shangri-La* Peter Bishop,1989-01-01 Bishop s engrossing and readable account provides us with a fascinating picture of European myths concerning the Land of the Snows and of the role these myths played in shaping perceptions of the Orient Bishop s riveting portrait of European conceptions is an important and exceptionally well written contribution to an understanding of Western attitudes toward Tibet and all of East Asia Morris Rossabi author of Khubilai Khan His Life and Times      Intelligence and Strategy John Ferris,2007-05-07 John Ferris work in strategic and intelligence history is widely praised for its originality and the breadth of its research At last his major pioneering articles are now available in this one single volume In *Intelligence and Strategy* these essential articles have been fundamentally revised to incorporate new evidence and information withheld by governments when they were first published This volume reshapes the study of communications intelligence by tracing Britain s development of cipher machines providing the context to Ultra and Enigma and by explaining how British and German signals intelligence shaped the desert war The author also explains how intelligence affected British strategy and diplomacy from 1874 to 1940 and world diplomacy during the 1930s and the Second World War Finally he traces the roots for contemporary intelligence and analyzes intelligence and the RMA as well as the role of intelligence in the 2003 Gulf War This volume ultimately brings new light to our understanding of the relations between intelligence strategy and diplomacy between the end of the 19th century and the beginning of the 21st century      *Beyond Lines of Control* Ravina Aggarwal,2004-11-30 Ravina Aggarwal explores how the conflict over Kashmir between India Pakistan has affected the Buddhist Muslim communities of Ladakh part of Kashmir that lies high in the Himalayas      **Society and Politics of Jammu and Kashmir** Serena Hussain,2020-11-27 Kashmir is one of the longest standing conflicts yet to be resolved by the international community In 2000 Bill Clinton declared it the most dangerous place in the world and since then the situation

continues to escalate Positioned between India Pakistan and China three nuclear powers Kashmir is the most militarized zone on the planet Against this backdrop the urgency to understand what Jammu and Kashmir means to those who actually belong to its territory has increased This book not only helps readers navigate subtleties in a complex part of the world but is the first of its kind written for a global audience from local perspectives which to date have been sorely lacking     **Anderson's Travel Companion** Compiled by Sarah Anderson,2016-12-05 A selection of the best in travel writing with both fiction and non fiction presented together this companion is for all those who like travelling like to think about travelling and who take an interest in their destination It covers guidebooks as well as books about food history art and architecture religion outdoor activities illustrated books autobiographies biographies and fiction and lists books both in and out of print Anderson s Travel Companion is arranged first by continent then alphabetically by country and then by subject cross referenced where necessary There is a separate section for guidebooks and comprehensive indexes Sarah Anderson founded the Travel Bookshop in 1979 and is also a journalist and writer on travel subjects She is known by well known travel writers such as Michael Palin and Colin Thubron Michael Palin chose her bookshop as his favourite shop and Colin Thubron and Geoffrey Moorhouse among others made suggestions for titles to include in the Travel Companion     **Himalayan Frontiers of India** K. Warikoo,2009-01-21 The Himalaya which is a great natural frontier for India symbolises India s spiritual and national consciousness The Himalayan region displays wide diversity of cultural patterns languages ethnic identities and religious practices Along the Himalayas converge the boundaries of South and Central Asian countries which lend a unique geopolitical and geo strategic importance to this region This book provides a comprehensive analysis of historical geo political and strategic perspectives on the Himalayan Frontiers of India Drawing on detailed analyses by academics and area specialists it explains the developments in and across the Himalayas and their implications for India Topics such as religious extremism international and cross border terrorism insurgency drugs and arms trafficking are discussed by experts in their respective field Himalayan Frontiers of India will be of interest to scholars in South and Central Asian studies International Relations and Security Studies     Violence and Belonging Are J. Knudsen,2009 Honor and violence are major themes in the anthropology of the Middle East yet apart from political violence most studies approach violence from the perspective of honour By contrast this important study examines the meanings of lethal conflict in a little studied tribal society in Pakistan s unruly North West Frontier Province NWFP and offers a new perspective on its causes Based on an in depth study of local conflicts the book challenges stereotyped images of a region and people miscast as extremist and militant Being grounded in local ethnography enables the book to shed light on the complexities of violence not only at the structural or systemic level but also as experienced by the men involved in lethal conflict In this way the book provides a subjective and experiential approach to violence that is applicable beyond the field locality and relevant for advancing the study of violence in the Middle East and South Asia The book is the first ethnographic study of this region since renowned anthropologist Fredrik Barth s

pioneering study in 1954      **The Pundits** Derek Waller,2021-10-21 On a September day in 1863 Abdul Hamid entered the Central Asian city of Yarkand Disguised as a merchant Hamid was actually an employee of the Survey of India carrying concealed instruments to enable him to map the geography of the area Hamid did not live to provide a first hand count of his travels Nevertheless he was the advance guard of an elite group of Indian trans Himalayan explorers recruited trained and directed by the officers of the Great Trigonometrical Survey of India who were to traverse much of Tibet and Central Asia during the next thirty years Derek Waller presents the history of these explorers who came to be called native explorers or pundits in the public documents of the Survey of India In the closed files of the government of British India however they were given their true designation as spies As they moved northward within the Indian subcontinent the British demanded precise frontiers and sought orderly political and economic relationships with their neighbors They were also becoming increasingly aware of and concerned with their ignorance of the geographical political and military complexion of the territories beyond the mountain frontiers of the Indian empire This was particularly true of Tibet Though use of pundits was phased out in the 1890s in favor of purely British expeditions they gathered an immense amount of information on the topography of the region the customs of its inhabitants and the nature of its government and military resources They were able to travel to places where virtually no European could venture and did so under conditions of extreme deprivation and great danger They are responsible for documenting an area of over one million square miles most of it completely unknown territory to the West Now thanks to Waller s efforts their contributions to history will no longer remain forgotten      State, Society and the Environment in South Asia Stig Toft Madsen,2013-12-16 Contemporary thinking favours local participation and local stake holding under a decentralized democratic framework as the just and efficient solution to contemporary South Asian environmental dilemmas and crises In a series of case studies and more extensive audits a group of mainly Nordic and American authors seek to substantiate qualify or criticize this formula Covering both urban and rural environments the hills and the plains the book provides insights into the actual management and mismanagement of resources in India and Pakistan Contents Income Distribution and Environmental Degradation The State and Local Management in Colonial Irrigation Oral Histories of Environmental Change in Rajasthan The Van Gujjars and the Rajaji National Park Implementing International Regimes in India Forest Contractors as Intermediaries in Pakistan s Forestry Tragedy of Collective Action among farmers in South India International production of Pesticides Voluntary Organisations in Environmental Service Provision The Use of Metaphor in Himalayan Resource Management

### **Gilgit Game The Explorers Of The Western Himalyas 1865 95 Introduction**

In today's digital age, the availability of Gilgit Game The Explorers Of The Western Himalyas 1865 95 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Gilgit Game The Explorers Of The Western Himalyas 1865 95 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Gilgit Game The Explorers Of The Western Himalyas 1865 95 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Gilgit Game The Explorers Of The Western Himalyas 1865 95 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Gilgit Game The Explorers Of The Western Himalyas 1865 95 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Gilgit Game The Explorers Of The Western Himalyas 1865 95 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Gilgit Game The Explorers Of The Western Himalyas 1865 95 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research

papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Gilgit Game The Explorers Of The Western Himalyas 1865 95 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement.
