A Good Man to Have in Camp John D. Nesbitt, Out on a ranch in the foothills Jim Lander is trying to get his life in order. He's trying to put his divorce behind him so he can develop a relationship with Dusty, a nice young woman who lives in town. Things get complicated though when he doesn't resist temptations at the Trail's End, his favorite honky-tonk bar. To sort things out he goes to the mountains. But even then it takes the right combination to get things into balance. Nothing comes easy, but it is possible to find a good camp up and away from it all where the best light comes from the moon and the campfire. This is John D. Nesbitt's second novel about life in the contemporary West. As in his other work, Nesbitt gives a realistic treatment to his materials. His characters are less than perfect, having been through divorce or similar mistakes and giving a hesitant try at romance. They live in a setting that Nesbitt writes about the best: small town life, farm and ranch country, and the big outdoors where everyone has the right to look for a good camp. This is a lean, trim novel with a graceful prose style that will remind us of why we like to read.

**One Place** Cara Shaw, 2018 One Place follows Robbie Dalton, a black Aboriginal Australian who joins the army to fight in the Great War of 1918. Robbie travels from a deeply divided and racist Australia to the war-torn fields of Ypres where he draws on his Indigenous heritage to find strength in the midst of this brutal war. During the conflict, his inner warrior emerges and Robbie is established as a leader amongst men. When Robbie is injured during a vicious gas attack in the trenches, he is tended to by a beautiful Italian nurse, Maria. The two fall in love and navigate the aftermath of war together. After his autonomous life as a soldier in Europe, Robbie returns to Australia and finds himself facing shocking bigotry. He pits his new-found identity against the embedded racial divide that exists in his home town. Robbie's powerful story is one of passion, wonder, and ultimately survival, where a unique individual finds freedom during a terrible war, only to find that when he returns to his beloved home, it has now become a prison. Alongside this dynamic tale, another world emerges: that of the Duradjuri clan. Robbie's tribal bloodline, Robbie's great ancestor Balin, a skilful and accomplished warrior, lives his life according to traditional law and the teachings of the Dreamtime, the place all Aboriginal people believe to be their spiritual home.

Gu Eleven, facing Situ Jing whose belly was dark but was devoted to her, her steel-like heart began to slowly melt until he met Situ Yu who came here with her and suffered all sorts of torture from him. The corners of his mouth curved into a bloodthirsty and beautiful smile. Eleven, whether it is in his previous life or this one, you belong to me only.

**Sport and Political Ideology** John Hoberman, 2014-06-30 Across the modern political spectrum left wing and right wing political theorists have invested sport with ideological significance That significance however varies distinctively and characteristically with the ideology a phenomenon John Hoberman terms ideological differentiation Taking this phenomenon as its point of departure this provocative work interprets the major sport ideologies of the twentieth century as distinct expressions of political doctrine Hoberman argues that a political ideology's interpretation of sport is shaped in part by the value it assigns to work and play as modes of experience the political anthropologies of right and left can be distinguished by examining their resistance to or affinity for sportive imagery of their leaders and of the state itself there exists a fascist temperament that shows an affinity to athleticism and the sphere of the body that is not shared by the left Tracing modern sport ideology back to its premodern antecedents Hoberman examines the interpretations of sport that have been promulgated by European political intellectuals such as cultural conservatives and contemporary neo Marxists and by the official ideologists of Nazi Germany the Soviet Union the German Democratic Republic and China before and after Mao As a form of mass theater sport can advertise any ideology But the deeper relationship between sport and political ideology has never before been explored with such vigor Presenting the first general theory of sport and political ideology to appear in any language Hoberman's groundbreaking work is a unique and invaluable contribution to the intellectual and political history of sport in the twentieth century
