Good Neighbors Nancy L. Rosenblum, 2018-05-22 The moral principles prescribed for friendship civil society and democratic public life apply imperfectly to life around home where we interact day to day without the formal institutions rules of conduct and means of enforcement that guide us in other settings This work explores how encounters among neighbours create a democracy of everyday life which has been with us since the beginning of American history and is expressed in settler immigrant and suburban narratives and in novels poetry and popular culture

Questioning Architectural Judgment Steven A. Moore, Barbara B. Wilson, 2013-07-24 The book shines light on the problem of judgment particularly in the realm of architectural technics and the codes that regulate it The struggle to define sustainability and thus judge architecture through such lenses is but one dimension of the contemporary problem of judgment By providing the reader with an inherently interdisciplinary study of a particular discipline architecture it brings to the topic lenses that challenge the too frequently unexamined assumptions of the discipline By situating architecture within a broader cultural field and using case studies to dissect the issues discussed the book emphasizes that it is not simply a matter of designing better more efficient or more stringent codes to guide place making but a matter of reconstructing the boundaries of the systems to be coded The authors are winners of the EDRA Place Research Award 2014 for their work on the Green Alley Demonstration Project used in the book

The Affordable Housing Reader Elizabeth J. Mueller, J. Rosie Tighe, 2013-03-05 The Affordable Housing Reader brings together classic works and contemporary writing on the themes and debates that have animated the field of affordable housing policy as well as the challenges in achieving the goals of policy on the ground The Reader aimed at professors students and researchers provides an overview of the literature on housing policy and planning that is both comprehensive and interdisciplinary It is particularly suited for graduate and undergraduate courses on housing policy offered to students of public policy and city planning The Reader is structured around the key debates in affordable housing ranging from the conflicting motivations for housing policy through analysis of the causes of and solutions to housing problems to concerns about gentrification and housing and race Each debate is contextualized in an introductory essay by the editors and illustrated with a range of texts and articles Elizabeth Mueller and Rosie Tighe have brought together for the first time into a single volume the best and most influential writings on housing and its importance for planners and policy makers
