Good News For All Nations Mission At The Heart Of The New Testament:

Good News for All Nations Martin Goldsmith, 2002 Martin Goldsmith believes Churches have lost sight of the absolute priority that the Bible places on mission He feels that some churches have become too inward looking and fail to send or support missionaries others preach only the lessons of practical experience and seem unaware of the wealth of teaching on the subject available in the scriptures This book aims to offer a comprehensive insight into what the New Testament teaches about mission the teachings of Jesus and the challenges faced by the early church *To the Jew First or to the Jew at Last* Antoine XJ Fritz, 2014-09-25 Many missions to the Jewish people such as Jews for Jesus use Romans 1 16 as a proof text to encourage the evangelisation of the Jewish people as a priority to the Jew first and then to the Greek Jewish Missional Priority Is this interpretation of the text legitimate After considering when this priority first appeared the author exposes and evaluates the arguments commonly used to promote it His thorough exegesis of Romans 1 16 17 ultimately resolves the question He takes the opportunity to explore some possible eschatological implications developed from Romans 9 11 and the parables of Jesus Will the first also be the last Discovering the New Testament Mark J. Keown, 2018-10-31 Discovering the New Testament is a new and comprehensive introduction to the New Testament in three volumes reflecting current research and scholarship in New Testament studies Each volume provides a thorough discussion of background issues as well as treating theological themes and practical application The first volume on the Gospels and Acts covers Jewish and Greco Roman backgrounds critical methodologies the synoptic problem and surveys each of the four gospels and Acts It concludes with three chapters that explore the key theme of the kingdom of God including its Old Testament background the place of miracles and an examination of Jesus parables Ideal for college or seminary students the volumes provide numerous maps and charts as well as discussion questions for each chapter and a focus on real life relevance and application Forthcoming volumes will focus on Paul Vol 2 and the general epistles and Revelation Vol 3 **Introducing World Missions (Encountering Mission)** A. Missions Jonathan J. Bonk, 2011-10-21 The Korean missions movement is perhaps the most significant story of the Church in the world over the past one hundred years Today Korea can boast of being the leading sender of missionaries per head of population Yet this movement has not been well integrated into the global mission community and also this community has at times failed to understand and learn from this tremendous work of God I am excited that God has brought together a unique

body of people to wrestle with these issues This work will help bring about much needed collaboration and develop each other's strengths in an environment of mutual respect MALCOLM L MCGREGOR SIM International Director Accountability in Missions is a remarkable book exploring the full range of mission accountability issues strategic financial and relational from both Korean and North American perspectives This is global missiology made practical and accessible to all missions practitioners The many articles that penetrate the mysteries of Korean and North American interaction especially make it a must read book for all Koreans and North Americans working together STEVE STRAUSS Professor of Mission and Intercultural Studies Dallas Theological Seminary This collection of essays provides a biblical and theological basis for accountability and brings voices East and West demonstrating that accountability to God and to others is a universal principle not linked to one culture or context i e Western Further the collection is eminently practical addressing matters of governance decision making finance and personal integrity To all mission leaders I say read this book Actually read it but also find colleagues with whom to discuss and digest these principles and review our mission practices GORDON T SMITH President reSource Leadership International

Cross-Cultural Missional Partnership Joshua Bowman, 2023-03-28

Cross cultural partnerships in today's global environment are both challenging and necessary Misunderstanding and miscommunication often lead to conflict between culturally diverse groups Christians must understand and evaluate their own culture the culture of others and the text of Scripture itself while remaining faithful to Scripture and relevant to culture Unmediated tensions combined with relational isolation lead to a myriad of problems This study proposes cross cultural missional partnership as a relationship that mediates these tensions thereby encouraging mutual faithful engagement in the mission of God Cross cultural tensions may never disappear but within a healthy partnership partners can assist one another in understanding and responding faithfully to Scripture Partners help one another more faithfully interpret and apply Scripture leading to obedience to God's will and engagement in God's mission within unique and diverse contexts
