John Berra

Good Old Days Presents Hometown Memories:

Good Old Days Presents Hometown Memories Ken Tate, 1999 Remember when hometowns were a great place to be a kid Take a stroll down those sidewalks again and relive the warm memories with this collection of essays and photographs from the pages of Good old days magazine **Books In Print 2004-2005** Ed Bowker Staff, Staff Bowker, Ed, 2004

Energetic Invocations Series: A Book of Vibrational Change - Part Five - World Julie Bonetti, Susan Barbaro, 2016-06-29 Who is the one person you can change We all know the answer is only ourselves yet we continue to look outside of ourselves for the answers This book s focus is in the understanding that when our own individual truth which lies within each of us is unveiled real healing can occur This book is Part Five World of Energetic Invocations Series A Book of Vibrational Change Volumes 1 17 Part Five is the last part and is about changing more of your thoughts and beliefs and working with the energy surrounding them as a way to change your life This section investigates science and questions your reliance on time and how you define it It explores how you can live with all this new information and clarity from Parts One Two Three and Four and still stay balanced And it unveils the truth for you which can be different than someone else s Energetic Invocations Series A Book of Vibrational Change Volumes 1 17 is presented in five parts Self Journey People Environment and World Each part includes powerful Energetic Invocations and Process This components that offer real life situations and contemplations for you to integrate and move forward with energy This book inspires you to do the work to quiet out there analyze thoughts and beliefs and integrate energy all around to find truth and create your own self empowered journey Something Complete and Great Holly Blackford Humes, 2017-12-01 This volume situates My ntonia as a novel that stands the test of time by including in its pages an extraordinarily wide range of historical cultural literary psychological thematic perceptual and stylistic issues The volume provides an analysis and assessment of complexities in the novel as well as its reception and legacy The essays as a whole situate the novel at the cusp of the modern period marking in myriad ways the novel s transitional role between nineteenth and twentieth century literature and culture The first section Translation features writers that reflect on Cather s curious devaluation of My ntonia s reception over time translation issues in Germany Italy France and Russia and linguistic issues in the novel s vision of ntonia s acculturation The second section Tradition defines Cather s relationship to modernism and regionalism through her career shifts and changes to the Introduction as well as her narrative technique in marginalizing violence and darkness to the edges of Jim s consciousness The third section Transgender analyzes Cather s relationship to Hamlin Garland s Life on the Prairie J M Barrie s Peter Pan and the Neverland and the work of Truman Capote especially his gay protagonist Joel Knox in Other Voices Other Rooms The fourth section Transhuman deploys work on hysteria to situate Cather s vision of genderless desire and ecocritical lenses to understand Jim and nature Finally the last section Transition discusses Lena Lingard s presence as a New Woman and gift economies in the novel that underscore the community s uneasy transition to twentieth century capitalism Gathered in the

volume are an international group of scholars who demonstrate the novel's centrality to women's studies American studies queer studies childhood studies psychoanalysis ecology translation and reception Marxism narratology and intertextuality

Faithfully Present Adam Ramsey, 2023-09-01 How to accept our limitations and be free to live in the moment fully and faithfully present with God and with others Do you ever wish that life would slow down Or perhaps you're in a season when you would like to hit the fast forward button and speed things up a bit We have a complicated relationship with time usually wishing we had more of it Many of us live life at full speed trying to be in two places at once our minds too busy and distracted by all the things we feel we ought to be doing to be mindful of God's presence In this thought provoking book Adam Ramsey teaches us to embrace the limitations of time and place that we have as created beings liberating us from the feeling that we need to be everywhere at once Read this book to discover how to be intentional with your time living each day fully and faithfully present with God and with others Be equipped to find contentment in every season of life as you learn to see God in every moment of your here and now

You Can't Stay 39 Forever J. J. Turner, 2001-03-27 Little Billy asked his grandmother how long she planned to stay 39 because on each birthday when asked how old she was she would reply I'm still 39 and holding To which Billy replied Granny do you think you can stay 39 forever Far too many of us take growing old and old age too seriously We need to lighten up go with the flow A sage is reportedly to have said You grow up the day you can laugh at yourself This volume of poems presents a humorous and at times a serious view of growing older It is a follow up to the author's book Have You Hugged Your Parents Lately A book in which a deep and serious look is taken at aging its problems and challenges There is a second part in this book in which the author takes a nostalgic trip back into his childhood in rural Georgia which he refers to as We didn't know the depression was over until the middle fifties This poetic trip and the poems on aging will delight and encourage the hearts of all who read this book It is an ideal gift for young and old

American Book Publishing Record, 2000-07

Like Trees Walking Jane Sigloh, 2007 Many of us are fast approaching the golden years of retirement wondering with fear and hope what the future holds for us And you won't find a better companion for the journey of aging than Jane Sigloh She's witty perceptive and wise A retired Episcopal priest she is possessed of both reverent awe and irreverent honesty about the facts and fantasies of growing old A voracious reader all her life she interweaves the insights of Scripture poetry fiction and philosophy into her memories and reflections on the challenges and opportunities that maturity bring The result is like an ongoing conversation with an old friend Dip into any of these essays and find a refreshing perspective a humorous anecdote or an intimate confession that will ring true to your own experience

Directory of World Cinema: Japan 3 John Berra, 2015-01-01 Like its predecessors *Directory of World Cinema Japan 3* endeavours to move scholarly criticism of Japanese film out of the academy and into the hands of cinephiles the world over This volume will be warmly welcomed by those with an interest in Japanese cinema that extends beyond its established names to equally remarkable filmmakers who have yet to receive such rigorous attention

Red Water, Black

Gold Margaret A. Bickers, 2014-11-15 *Red Water Black Gold The Canadian River in Texas 1920 1999* tells the story of the Canadian River in the Texas Panhandle. It is a tale of grand designs, high hopes, deep holes, politics, fishing follies, foibles, and environmental change. Although efforts had been made to tap the Canadian River's waters before 1920, the discovery of oil in the Panhandle gave new urgency to the search for permanent water supplies. Additionally, the spread of groundwater irrigation amid the discovery of the limits of the Ogallala Aquifer spurred regional interests to tap the Canadian. But overestimates of the river's flow and unfamiliarity with the critical role groundwater played in maintaining that flow led to complications and frustrations culminating in a lawsuit over the location of the banks of a seemingly waterless river. This book is a valuable addition to the water history of Texas and the American West and to the growing body of worldwide regional water histories. Combining traditional historical sources with hydrology, climatology, and geology, *Red Water Black Gold* complicates the traditional story of top-down water management as well as telling the thus far untold story of the Canadian River in Texas.

Sea Gate Remembered Arnold Rosen, 2003-12-30 Today gated communities abound in our nation. But what was it like living in one 100 years ago? Author Arnold Rosen describes life in New York's first gated community: the gate was erected in 1898. In his book *SEA GATE REMEMBERED*, as the pages turn, this book tours you through the generation's coming of age in the 1930s and 40s: the games we played, the stores we shopped, the schools we attended, and the somber war years. So much of the many privacies beyond the gate are revealed by the author and ex-Sea Gaters who spent their youthful years beyond the wired fences at the southwestern tip of Brooklyn, walled off from Coney Island, next door and extending to the rest of North America. Arnold Rosen, author of twenty books on computers and office technology, grew up in Sea Gate where his father owned and operated sideshows and amusement rides beyond the fence in Coney Island. Now professor emeritus at Nassau Community College, Rosen graduated with a BS degree from Ohio State University and an MS degree from Hunter College after serving in the U.S. Air Force during the Korean War. The author lived in Sea Gate from 1932 to 1952 and now has come full circle to retire in another gated community, Sun City, Hilton Head, South Carolina.

From Hometown to Battlefield in the Civil War Era Timothy R. Mahoney, 2016-05-17 Mahoney examines how the middle class from across the great West were transformed by years of recession and civil war.

Returning Home Jerry M. Burger, 2011-03-16 Each year millions of American adults visit a childhood home. Few can anticipate the effect it will have on them. Often serving several important psychological needs, these trips are not intended as visits with people from their past. Rather, those returning to their homes have a strong desire to visit the places that comprised the landscape of their childhood. Approximately one third of American adults over the age of thirty have visited a childhood home. This book describes some of their experiences and the psychology behind the journeys. Most people who visit a childhood home are motivated by a desire to connect with their past. Seeing the buildings, schools, parks, and playgrounds from their youth helps to establish the psychological and emotional link between the child in the black and white photographs and the person they are today. Many

people use the trip to get in touch with the values and principles they were taught as children often as a means to get their lives back on track Others use that journey to strengthen emotional bonds between themselves and loved ones Still others return to former homes to work through psychological issues left over from sad or traumatic childhoods No matter the reason there are few experiences in one's life that can move a person as deeply and unpredictably as returning home

What Then Is This Child Going To Be? Steve Hawley, 2003-03 *Good Old Days at the Buick*, 1990 *Joe Hisaishi's Soundtrack for My Neighbor Totoro* Kunio Hara, 2020-02-06 My Neighbor Totoro is a long standing international icon of Japanese pop culture that grew out of the partnership between the legendary animator Miyazaki Hayao and the world renowned composer Joe Hisaishi A crucial step in the two artists collaboration was the creation of the album My Neighbor Totoro Image Song Collection with lyrics penned by Miyazaki and Nakagawa Rieko a famed children's book author and music composed by Hisaishi The album released in 1987 prior to the opening of the film served not only as a promotional product but also provided Miyazaki with concrete ideas about the characters and the themes of the film This book investigates the extent to which Hisaishi's music shaped Miyazaki's vision by examining the relationship between the images created by Miyazaki and the music composed by Hisaishi with special emphasis on their approaches to nostalgia one of the central themes of the film *Falling Down for the Count* Albert G. Williams, 2003 Transport yourself back to WW II through letters journal entries and telegrams and feel the emotions of a young man as he joins the Army Air Corp and becomes a POW

Intelligence, Creativity and Fantasy Mário Ming Kong, Maria do Rosário Monteiro, Maria João Pereira Neto, 2019-09-30 The texts presented in Proportion Harmonies and Identities PHI INTELLIGENCE CREATIVITY AND FANTASY were compiled with the intent to establish a multidisciplinary platform for the presentation interaction and dissemination of research The aim is also to foster the awareness and discussion on the topics of Harmony and Proportion with a focus on different visions relevant to Architecture Arts and Humanities Design Engineering Social and Natural Sciences and their importance and benefits for the sense of both individual and community identity The idea of modernity has been a significant motor for development since the Western Early Modern Age Its theoretical and practical foundations have become the working tools of scientists philosophers and artists who seek strategies and policies to accelerate the development process in different contexts Tarot: No Questions Asked Theresa Reed, 2020 Tap into your sixth sense and become a better more confident tarot reader Most all tarot books present card by card interpretations as well as an instruction on how to read spreads This book takes the next logical step inward by presenting the art of reading in a workbook format and helps you learn to interpret the cards intuitively The book falls into two parts The first part concerns learning about the cards and includes exercises for each card that teaches you to trust your interpretation of the card The second part helps you develop that ability a skill that Reed calls intuition All the exercises stories card meanings and techniques really serve one purpose to go beyond learning Tarot to living it It's not enough to memorize the meanings of the cards and you can't do a reading with a

workbook at your side forever In order to deliver a meaningful accurate tarot reading you need to hone your intuition Without a comfortable connection to your sixth sense the tarot readings lack finesse and becomes nothing more than cookie cutter interpretations When you re fluent in your intuition you can develop better readings and unique interpretations for each person In this book Reed teaches by example She presents the basics of intuitive tarot reading reading without any questions any backstory anything to go on This book is filled with exercises to hone your intuition and sharpen your interpretation skills

Literary and Social Diasporas Gaetano Rando, Gerry Turcotte, 2007 This volume seeks to map an understanding of the Italian experience onto the broader picture of diasporic stories though with an anchor in the Australian Italian experience It brings together key essays and testimonials that frame a picture of Italy s rich legacy at home in Europe more widely and in the post colonial sphere with a particular emphasis on the Australian experience The essays collected here focus on the way an Italian Australian story has emerged and evolved in its own unique way In some respects it might be possible to define Australia through this community as an Italian space very much inscribed and described by the many voices that characterise it What is clear throughout these pages is that past present and future circulate through and around each other just as notions of nation colonial postcolonial emigrant and immigrant jostle for purchase in what is in fact a contested space always under negotiation Back cover
