Good Sam Jesus Story Of The Good Samaritan:

Good Sam Glenda Palmer,1996-01-01 A retelling of the biblical story of the Good Samaritan which defines a good neighbor
Good Sam Standard Publishing Staff,1996-01-01 **The Gospel According to Christ** Mark A. Stelter,2011-11-14 Christianity is in crisis We live in a time when millions of people profoundly misunderstand the message of the Gospel They believe that being a Christian means little more than being a nice person They view Jesus as a wise moral teacher who showed us how to live better lives and they conclude that the love of humanity is our greatest cause and its progress our primary purpose Whatever else may be said of this view of Christianity it is certainly not what Jesus taught It is an attempt to replace the concepts of sin redemption and salvation with the more socially acceptable virtues of tolerance compassion and social progress It elevates humanity and the world above God and his kingdom and reduces Jesus to a mere moral philosopher But who did Jesus say he was What was the essential message of Christ The Gospel According to Christ answers those questions by examining the words of Jesus in their context and in their entirety The answers will be shocking to many Christians *Commonly Misunderstood Verses of the Bible* Robert E. Van Voorst,2017-07-31 Do you believe that God wants you to be financially prosperous Joshua 1 8 Do you think that Christians must forgive and forget Jeremiah 31 34 Do you suppose that everything will work for your good Romans 8 28 or wonder if God will ever give you more than you can bear 1 Corinthians 10 13 If you do best selling author Robert Van Voorst will help you to reexamine these verses and many others to see what they really mean This book treats twenty four of the most misunderstood verses in the Bible Each is given concise but careful treatment including an explanation of how they are misunderstood what their meaning is and what this meaning says to us today Each chapter has questions for reflection and discussion Written especially for use in church classes and Bible study groups but also suitable for individual reading this book will stimulate your growth in the Christian faith and give you more confidence in understanding the Bible and applying it to your life [The Travel Lessons on the Life of Jesus](#) William Byron Forbush,1905 [Love First](#) Don McLaughlin,2017-08-08 This is not just a book to inspire more love it is a revolutionary call to love better A terrible virus has spread across the planet and turned the human race into bloodthirsty monsters Mankind's only hope for survival is Originally part of the tagline for the sci fi thriller I Am Legend these lines describe the undercurrent of unrest and turbulence in our world The virus we face is hate an epidemic infecting social media politics neighborhoods and homes Communities of believers which should be clinics with the cure are instead suspected of being primary carriers of the virus But there is hope Hate even in its most nefarious forms is no match for the matchless love modeled by Jesus Love is his cure for the sick and dying world Historians sociologists and theologians agree that we are experiencing the most fundamental changes in global society in the last five hundred years And while the church has a lofty vision and mighty power we are disastrously unprepared This book presents an understandable practical and doable approach to loving others with such clarity and conviction that the world will truly know the God who loves us first

The Wisdom Jesus Cynthia Bourgeault,2008-08-12 A new view of Jesus as a Buddha like wisdom teacher who taught the transformation of consciousness with traditional contemplative practices you can do yourself If you put aside what you think you know about Jesus and approach the Gospels as though for the first time something remarkable happens Jesus emerges as a teacher of the transformation of consciousness The Wisdom Jesus provides a new perspective on Christ and an expansive interpretation of His message Cynthia Bourgeault creates a masterful guide to Jesus's vision and the traditional contemplative practices you can use to experience the heart of his teachings for yourself

Bringing the Kingdom Kevin Brown,2018-01-18 People have used the Bible for a variety of purposes over the course of the past two thousand years unfortunately many of those uses have reinforced power structures and systems that oppress and dominate those without privilege Worst of all people have

used the Bible as a means to divide humanity into those who are worthy of salvation and those who are not. However, if we look at the lectionary readings, especially the gospels, we can see that God actively seeks to undercut and subvert systems of power, and God calls Christians to do the same. Through an examination of Jesus's teachings with support from a wide variety of other parts of the Bible, we can see that ideas of social justice and true liberation run throughout God's message to humanity. Rather than focusing on who gets into heaven and who doesn't, Jesus seeks to proclaim God's love for all humanity. By reading the Bible this way and attempting to live up to Jesus's call, we can seek to bring the kingdom to our world as it is in heaven.

Entertaining Angels Unaware Philip A. Gottschalk, 2021-01-25 The United States and many western European nations have grown by immigration. What sort of reception have immigrants been given by Christians? Are Christians today aware of the need of people suffering from war or persecution to immigrate to safe places? In earlier times, immigrants were generally like us. Now many immigrants are often Muslims who not only dress distinctively but practice a different religious creed as well. Many fear that terrorists will enter our country under the guise of immigrants. Christians, however, belong to another kingdom, the kingdom of Jesus the Messiah. A Christian response to the needs of refugees and immigrants should reflect their commitment to Christ more than their fears or political allegiances. Through stories of immigrants in the past and present, this book aims to show that not only is it safe to accept them, but our commitment to Christ compels us to help those less fortunate than ourselves.

God at Center Joe LoMusio, 2021-08-27 Frustrated and fed up at trying to live your life by the list, you know it is that corporate world model of priority keeping which is so ingrained in our culture: something first, then something second, and then something else third, and so on. *God at Center* provides the challenge to embrace a biblical paradigm for priority keeping which does not follow the world but the word. Is there really an alternative to putting God first in our lives? Yes, there is. And it is a more biblical paradigm, one that has God at the center of our lives. With God in his rightful place in your life and applying a fuller understanding of the Great Commandment, which is in and of itself a priority-keeping passage, you will embrace a lifestyle of seeking to love God with all your heart, soul, and strength, and to love your neighbor as yourself. You will finally make sense of who you are, what God wants you to know, and what you can do about it.

Understanding the Art of Biblical Counseling Dr. Sam S. Gasela-Mhlana, 2020-10-23 It is a Biblical Counseling book that zeroes in on counseling people with HIV/AIDS, in particular, and any other general disease that has a similar stigma in nature in general. The book discusses the counsel for sexual behavioral change, counseling children with HIV/AIDS, women especially in Africa who face social inequality and are exposed to HIV/AIDS infections more than men. The book also discusses a secular Rational Emotive Therapy as a model for interventions, contrary to Biblical Counseling, posing a question if Christian women can opt to use RET as alternative options. Counseling people with suicidal thoughts, the orphans, and counseling the dying is part of the main thrust of this book. As a matter of fact, this book answers many questions for all Christians who are confronted by dire decisions to make about their health and lives. This is a highly recommended book.
