Good Luck Pencil:

The Magic Pencil Karen E. Dabney, 2009 The Magic Pencil a powerful novel for young adults is the story of Malcolm Bakersfield and the star of his latest and greatest dream Nia Stellar Nia is the new girl at Gillespie School Malcolm quickly notices she s definitely different from all of the other kids he knows Malcolm becomes as mystified as Nia is mysterious Many wonderful things continue to happen with Nia on the scene She challenges Malc to be better than his best and he soon discovers amazing things about himself and the world We join Malcolm in his quest to discover the secret to the power of the pencil And we ll uncover hidden powers within ourselves along the way The Magic Pencil is also for the young at heart and is appreciated by all ages It is the only book explaining from a young African American boy s viewpoint that everyone speaks differently depending on their present audience and situation I wrote the book especially to attract uninspired readers and guide them toward improving literacy self esteem and problem solving There are many ways to teach and everyone must do their part I don t believe we should be aiming toward producing cookie cut children But we can all be about tailoring toward their varying needs as a COMMUNITY The Magic Pencil provides suggestions and effective strategies for positive results in an edutaining way
