Stevens,2016-12-17 Inspiration of Hope are special messages which were preached across the years by the author His style of preaching and writing infuses the listening audience with hope and inspiration to serve the living God      *Theories of Inerrancy and Inspiration of Biblical Scriptures* Dr. Quinton B. Richmond,2014-03-12 This book was written to help all born again Christians to believe that Eternal Life begins in our present life on earth and continue on into the World of Eternity It is designed to impress on the minds of all humankind that those who are considered their enemies will respond and repay them in kindness as a friend Accordingly the chosen subject The Road to Eternal Life was selected in order to broaden my knowledge and understanding of Christian believer s concepts as to why Eternal Life can be lived in our present day journey on earth and it is a viable truth in God s plan of salvation Also this research is devoted to find out what concepts theories and beliefs already exist in this area In addition my goal was to read and understand the history why Jesus Christ s teachings are the Way the Truth and Everlasting Life for all who repent of sins and believe His Gospel In addition my purpose is with the intent to gain a new perspective and pursue efforts to add new thoughts and ideas and to strengthen prior ones in relation to the Kingdom of God which concerns the future and the End of Time Furthermore to pursue efforts in detailed reviews of other book data that contain ideas concepts and key theories of biblical opinions of God s Eternal Life Plan Then analyze and evaluate these sources information and evidence used in their conclusion Likewise consider the values of other source ideas theories concepts practices that are useful in today s religious culture Similarly there is the desire to pursue creative

innovations efforts which set forth new theories never before revealed on the subject of Eternal Life In addition my efforts are directed to provide accepted meaning and strength and theories that already exist Likewise the primary design of this research is 1 to determine what claims are made by major sources in traditional work 2 to determine if these prior sources actually report viable data and evaluate and assess the validity of their arguments given for rejection acceptance of Eternal Life 3 to determine what ideas theories and practices are based on inductive and deductive practices      **Inspirational**

**Explosion from Deep Within** Leroy Hubbert, 2014-07-22 A question was asked in my dream sometime in January 2014 but blessings of his word that I might share it came in the morning hours that led up to making new changes once again Amen As one hand reaches out to close the doors of inequity and despair the other hand right hand of fellowship is extended to grasp a sincere understanding of joy knowing the desires of your dreams are at hand As I looked at life and sat in counsel breathing new levels of hope and deliverance I found joy in the works that were allotted in this gift of writing My hopes and dreams is that this book would reach out to touch the lives of many with the understanding that if you give up on your dreams restoration is not an option leading to a more profitable journey I have lived every aspect of the words that I write whether it was on a personal level or vicariously through the struggle of others This is meant to bring hope to a wide audience and not just focus on one group My message is one that is simple but of epic proportions when I speak love and encouragement First learn to love yourself before you can share that love with others Never settle in contentment when there are other aspirations to bring joy understanding you are not in this struggle alone      **Inspirational Heart** James

Hardimon, 2021-06-30 The three volumes of Inspirational Heart were written motivated and inspired by scriptures 2 Timothy 3 chapter verses 16 17 and Oprah Winfrey on her last going off the air speech She said If you believe God gave you a job and purpose in life then you should basically put all your heart mind strength power and body in to it With that said I put all my fibers and molecules to the atom into completion of these three volumes for God and all the people to be touched by this inspirational power of truth Many valuable sources have revealed and believe there is power in the number 3 and this is why I vowed to write three volumes These books consist of the power of God showing you your life naturally and spiritually in reference of the past present and future of your life as well as operating together naturally and spiritually with fusion science biology math geometry chemistry psychology alchemy etc One like the son of man with flaws like Moses I am that I am with a strong Revelation revealed to me by the Lord and our God the head of days on how to explain and share with the readers viewers and followers more in detail how it was revealed to me how to go about experiencing and seeing His divine words of understanding knowledge wisdom insight Revelation and power connected to Inspirational Heart Volumes 1 2 and 3      **The**
