Missionary Mom Shontelle Brewer,2018-10-23 Mission work is not for the faint of heart We admire those brave souls who leave behind the comforts of home and go to foreign fields to bring the love of Christ to people in need And sometimes it feels uninspiring to be stuck at home in the day to day of parenting when others are out there changing the world soul by soul Shontell Brewer has a message to renew the spirits of everyday moms they too have a critical calling as the very first missionaries their children meet In her informal funny voice Brewer points out the many unexpected parallels A missionary may need to learn a foreign language and new customs to understand and communicate with those around her A missionary has to follow the path God puts before her sacrificing sleep comfort time and toilets Sound like any moms you know Brewer tackles common challenges from mom guilt to the temptation to be a martyr to those days when it feels like only a box of cookies and a Netflix binge can restore a sense of peace But through it all she shares the truth that there s more to parenting than potty training and orthodontist appointments Mothers make the love of Christ tangible and understandable to their children With determination and a few purposeful steps moms can embrace their own mission field leading their families heart soul mind and strength to Christ **Endurance: The Toby Price Story** Toby Price,2022-02-01 The Australian bush has conjured up some crazy legends but the rise and rise of two time Dakar champion Toby Price is surely one of its best Who knew that the remote town of Roto pop 41 would be the launching pad of one of the greatest motorsports athletes the world has seen fit to tackle and triumph over the planet s most gruelling endurance race Toby Price has lived a truly remarkable life filled with ups downs and every bump in the road imaginable a childhood racing prodigy from the tender age of 2 there was hardly a paddock that could contain him After tearing through the junior ranks taking out titles in both dirt track and motocross Toby was living the dream turning pro at 16 and joining the formidable KTM Racing team Soon he was turning heads internationally and tapped to take on the most forbidding enduro courses the sport could throw at him But the clock and the elements weren t his only adversaries The death of his adored sister Min the tragic loss of mentors and rivals in the desert countless broken bones and an accident that should have paralysed him for life Toby s story is a study in staying true to yourself and following your passion to its ultimate end rain hail or shine The person who emerged from the crucible of so many trials is now one of the most beloved figures in Australian sport a kid from the country whose need for speed took him to the top of the podium and he s not about to slow down now **Six More Songs** Ivor Moody,2023-08-18 In a society many consider now to be post Christian with traditional rituals and expressions of belief and faith struggling to maintain their appeal we desperately need different signs and symbols to help us realise afresh the message of the Christian Gospel and the
