The Number Ones Tom Breihan, 2022-11-15 Beloved music critic Tom Breihan s fascinating narrative of the history of popular music through the lens of game changing 1 singles from the Billboard Hot 100 When Tom Breihan

launched his Stereogum column in early 2018 The Number Ones a space in which he has been writing about every 1 hit in the history of the Billboard Hot 100 in chronological order he figured he d post capsule size reviews for each song But there was so much more to uncover The column has taken on a life of its own sparking online debate and occasional death threats The Billboard Hot 100 began in 1958 and after four years of posting the column Breihan is still in the early aughts But readers no longer have to wait for his brilliant synthesis of what the history of 1s has meant to music and our culture In The Number Ones Breihan writes about twenty pivotal 1s throughout chart history revealing a remarkably fluid and connected story of music that is as entertaining as it is enlightening The Numbers Ones features the greatest pop artists of all time from the Brill Building songwriters to the Beatles and the Beach Boys from Motown to Michael Jackson Prince and Mariah Carey and from the digital revolution to the K pop system Breihan also ponders great artists who have never hit the top spot like Bob Dylan Bruce Springsteen and James Brown Breihan illuminates what makes indelible ear candy across the decades including dance crazes recording innovations television phenomena disco AOR MTV rap compact discs mp3s social media memes and much more leaving readers to wonder what could possibly happen next Vibrator Nation Lynn

real world against the odds Finding life s purpose in the middle of life s struggles Solving life s problems with intuition Understanding the body mind and spirit connection Overcoming impossible outer situations with inner power Understanding the connection between the body mind and spirit is the key to solving life problems A quiet mind and an open heart unlock the inner wisdom of intuition the language of the spirit Only then do dreams come true **City Limits** Stephanie

Schwerter,2022-01-13 Belfast Beirut and Berlin are notorious for their internal boundaries and borders As symbols for political disunion the three cities have inspired scriptwriters and directors from diverse cultural backgrounds Despite their different histories they share a wide range of features central to divided cities In each city particular territories take on specific symbolic and psychological meanings Following a comparative approach this book concentrates on the cinematographic representations of Belfast Beirut and Berlin Filmmakers are in constant search of new ways in order to engage with urban division Making use of a variety of genres reaching from thriller to comedy they explore the three cities

internal and external borders as well as the psychological boundaries existing between citizens belonging to different communities Among the characters featuring in films set in Belfast Berlin and Beirut we may count dangerous gunmen prisoners wives soldiers and snipers but also comic Stasi members punk aficionados and fake nuns The various characters contribute to the creation of a multifaceted image of city limits in troubled times The Good, the Bad and the Ugly Richard Taylor,2024-08-01 The book takes 45 chart toppers and writes their story The music the lyrics the artists producers and writers are all discussed as well as any side or back stories to do with the single For example when and how Release Me by Engelbert Humperdinck kept Penny Lane Strawberry Fields by The Beatles off the top spot in 1967 is discussed in Chapter 4 Another example of a you could not make it up back story might be the that the writer of Grandad by Clive Dunn from 1971 and a light novelty No 1 song was also the bass player on Lou Reed s hit single Walk On The Wildside a heavy weight dose of art rock with dubious lyrics which came out in November 1972 Perhaps you could not get too more contrasting songs for Herbie Flowers to be involved in I picked 45 singles as that was the rpm speed of a typical 7 inches vinyl single in the 1960s With regard to time span I took one No 1 single per year between 1964 and 2006 that would be 43 songs and I added in two bonus tracks to make 45 This was when Top Of The Pops was running on BBC TV and seemed an appropriated year span for the book I wanted to mix up the No 1 singles not just to get the best selling or most popular song of a particular year I chose pop songs novelty songs children s songs and all time classics to have a range of mixed up No 1s This is hopefully a particular unique selling point of the book where I compare and contrast the mixed up No 1s and try to explain just how for example Mr Blobby by Mr Blobby would be an unlikely No 1 in 1993 while an all time classic Love Is All Around from Wet Wet Wet could be an obvious No 1 in 1994 Just how is it that these two songs could both be chart toppers in the same chart It is certainly a bit weird and this is something I try to explain in the book I have taken as the book title the 1968 chart topper which I write about in Chapter 5 The Good The Bad and the Ugly is indicative of the mixed up good bad or ugly range of the 45 songs which I pick I never specifically say which song is in which category That is for the reader to decide I also do not want to be rude about any song If it got to No 1 it certainly deserves respect In the Book End Outro I do a Top of the Pops No 45 to No 1 countdown as a worst to best list of my chosen songs which should promote some debate and perhaps even disagreement With that in mind despite his best attempt at coercion and bribery towards me you will be pleased to know or perhaps saddened that Mr Blobby is not my overall No 1 But what is well Read on and enjoy the book *The Beach Boys ,*
