Good Women:

The Legend of Good Women Carolyn P. Collette, 2006 Essays re examining the Legend of Good Women placing it in its cultural and historical context **Chaucer's Legendary Good Women** Florence Percival, 1998-11-19 A comprehensive account of Chaucer's Legend of Good Women *The Good Women of China* Xinran, 2011-03-18 An unprecedented intimate account of the lives of modern Chinese women told by the women themselves true stories of the political and personal upheavals they have endured in their chaotic and repressive society For eight groundbreaking years Xinran hosted a radio program in China during which she invited women to call in and talk about themselves Broadcast every evening Words on the Night Breeze became famous throughout the country for its unflinching portrayal of what it meant to be a woman in modern China Centuries of obedience to their fathers husbands and sons followed by years of fear under Communism had made women terrified of talking openly about their feelings Xinran won their trust and through her compassion and ability to listen became the first woman to hear their true stories This unforgettable book is the story of how Xinran negotiated the minefield of restrictions imposed on Chinese journalists to reach out to women across the country Through the vivid intimacy of her writing these women confide in the reader sharing their deepest secrets Whether they are the privileged wives of party leaders or peasants in a forgotten corner of the countryside they tell of almost inconceivable suffering forced marriages sexual abuse separation of parents from their children extreme poverty But they also talk about love about how despite cruelty despite politics the urge to nurture and cherish remains Their stories changed Xinran's understanding of China forever Her book will reveal the lives of Chinese women to the West as never before **A Few Good Women** Evelyn Monahan, Rosemary Neidel-Greenlee, 2011-03-08 In this riveting narrative history women veterans from the world wars Vietnam the Gulf War Afghanistan and Iraq tell their extraordinary stories Evelyn M Monahan and Rosemary Neidel Greenlee spent fifteen years combing through archives journals histories and news reports and gathering thousands of eyewitness accounts letters and interviews for this unprecedented chronicle of America's few good women Women today make up more than fifteen percent of the U S armed forces and serve alongside men in almost every capacity Here are the stories of the battles these women fought to march beside their brothers their tales of courage and fortitude of indignities endured of injustices overcome of the blood they've shed and the comrades they've lost and the challenges they still face in the twenty first century **Good News to the good women, and to the bad women too that will grow better; the like to the men. ... Showing what the Scripture saith of the good women, and also ... of the bad women, etc. [By-Mercin.]** NEWS., 1701 Rethinking Chaucer's Legend of Good Women Carolyn P. Collette, 2014 Professor Collette's approach to this challenging and provocative poem reflects her wide scholarly interests her expertise in the area of representations of women in late medieval European society and her conviction that the Legend of Good Women can be better understood when positioned within several of the era's intellectual concerns and historical contexts The book will enrich the ongoing

conversation among Chaucerians as to the significance of the Legend both as an individual cultural production and an important constituent of Chaucer's poetic achievement. A praiseworthy and useful monograph. Professor Robert Hanning, Columbia University. The Legend of Good Women has perhaps not always had the appreciation or attention it deserves. Here it is read as one of Chaucer's major texts, a thematically and artistically sophisticated work whose veneer of transparency and narrow focus masks a vital inquiry into basic questions of value, moderation, and sincerity in late medieval culture. The volume places Chaucer within several literary contexts developed in separate chapters: early humanist bibliophilia, translation, and the development of the vernacular; late medieval compendia of exemplary narratives centred in women's choices written by Boccaccio, Machaut, Gower, and Christine de Pizan; and the pervasive late fourteenth century cultural influence of Aristotelian ideas of the mean, moderation, and value, focusing on Oresme's translations of the Ethics into French. It concludes with two chapters on the context of Chaucer's continual reconsideration of issues of exchange, moderation, and fidelity apparent in thematic, figurative, and semantic connections that link the Legend both to Troilus and Criseyde and to the women of The Canterbury Tales. Carolyn Collette is Emeritus Professor of English Language and Literature at Mount Holyoke College and a Research Associate at the Centre for Medieval Studies at the University of York.

Good Women In Bad Situations Beverly D. Allen, 2009-09. This awesome presentation of God's inspired Word is masterfully written by Evangelist Beverly Allen to enlighten, inspire, motivate, and encourage women of all age groups to embrace one another with loving compassion through life's intrinsic journey. Good Women in Bad Situations will affirm in your spirit the divine wisdom of God concerning you. Moreover, your transformation will yield great opportunities to help other women recognize through you the Grace That Awaits Them. Read, study, and be blessed for herein is your moment for reconciliation and restoration. Dr. Stephanie Arrington, President, Interdenominational Women's Conference, Paterson, New Jersey. Survival is a basic instinct that most women rely upon when encountering the daily trials of life. What may not have been clearly defined in our individual journeys is the definition of acceptable behavior to navigate through the trials. Evangelist Beverly Allen chronicles the lives of prominent women in the Bible, identifying that although they may have had a checkered past, that it did not diminish their value or contribution. We too must realize with God's grace and mercy, we can overcome any past failures, missteps, and bad decisions. Nicole B. Simpson, Author, The Ultimate Plan: A Financial Survival Guide for Life's Unexpected Events. Beverly Allen has been an evangelist and Bible teacher for more than fifteen years, attending several seminaries, the most recent Alliance Theological Seminary, Nyack, NY. She is the author of Saved and Beautiful and No Man's Concubine: Tell the Concubine She Was Meant to Be a Queen. Beverly is a wife, mother, and grandmother. The experiences of her earlier years as a single mom raising a son, before and after being saved by the grace of God through Jesus Christ, created the passion and compassion to encourage and inspire women to love themselves as God loves them.

The Excellency of Good Women. The Honour and Estimation that Belongeth Unto Them. The Infallible Markes Whereby to Know Them Barnabe Rich, 1613 **Women Preachers**

and Prophets through Two Millennia of Christianity Beverly Mayne Kienzle, Pamela J. Walker, 2023-09-01 For nearly two millennia despite repeated prohibitions Christian women have preached Some have preached in official settings others have found alternative routes for expression Prophecy teaching writing and song have all filled a broad definition of preaching This anthology with essays by an international group of scholars from several disciplines investigates the diverse voices of Christian women who claimed the authority to preach and prophecy The contributors examine the centuries of arguments grounded in Pauline injunctions against women s public speech and the different ways women from the early years of the church through the twentieth century have nonetheless exercised religious leadership in their communities Some of them based their authority solely on divine inspiration others were authorized by independent minded communities a few were even recognized by the church hierarchy With its lively accounts of women preachers and prophets in the Christian tradition this exceptionally well documented collection will interest scholars and general readers alike For nearly two millennia despite repeated prohibitions Christian women have preached Some have preached in official settings others have found alternative routes for expression Prophecy teaching writing and song have all filled a broad definition

The History and Anatomy of Auctorial Self-criticism in the European

Middle Ages Anita Obermeier, 1999 This study outlines the history and anatomy of the European apology tradition from the sixth century BCE to 1500 for the first time The study examines the vernacular and Latin tales lyrics epics and prose compositions of Arabic English French German Greek Icelandic Italian Spanish and Welsh authors Three different strands of the apology tradition can be proposed The first and most pervasive strand features apologies to pagan deities and later to God The second most important strand contains literary apologies made to an earthly audience usually of women A third strand occurs more rarely and contains apologies for varying literary offenses that are directed to a more general audience The medieval theory of language privileges an imitation of the Christian master narrative and a hierarchical medieval view of authorship These notions express a medieval philosophical concern about language and its role and therefore the role of the author in cosmic history Despite the fact that women apologize for different purposes and reasons their examples illustrate on yet another level the antifeminist subtext inherent in the entire apology tradition Overall the apology tradition characterized by interauctoriality intertextuality and intratextuality enables self critical authors to refer not only backward but also primarily forward making the medieval apology a progressive strategy that engenders new literature This study would be relevant to all medievalists especially those interested in literature and the history of ideas
