Goodbye, Eastern Europe Jacob Mikanowski, 2024-07-23 In light of Russia's aggressive 2022 invasion of Ukraine Goodbye Eastern Europe is a crucial elucidative read a sweeping epic chronicling a thousand years of strife war and bloodshed from pre Christianity to the fall of Communism illuminating the remarkable cultural significance and richness of a place perpetually lost to the margins of history Eastern Europe has gone out of fashion since the fall of the Soviet Union Ask someone today and they might tell you that Estonia is in the Baltics or Scandinavia that Slovakia is in Central Europe and that Croatia is in the eastern Adriatic or the Balkans In fact Eastern Europe is a place that barely exists at all except in cultural memory Yet it remains a powerful marker of identity for many with a fragmented and wide ranging history defined by texts myths and memories of centuries of hardship and suffering Goodbye Eastern Europe is a masterful narrative about a place that has survived being forgotten Beginning with long lost accounts of early pagan life Mikanowski offers a kaleidoscopic tour of the various peoples who made Eastern Europe their home over the centuries including the Roma Jews and Muslims the great kingdoms of the medieval period the rise and fall of the Ottoman Habsburg and Russian empires the dawn of the modern era the ravages of fascism and Communism the birth of the modern nation state and beyond A student of literature history and the ghosts of his own family's past Mikanowski paints a magisterial portrait of a place united by diversity and eclecticism and of people with the shared story of being the dominated rather than the dominating The result is a loving and ebullient celebration of the distinctive and vibrant cultures that stubbornly persisted at the margins of Western Europe and Russia and a powerful corrective that re-centers not only our understanding of how the modern Western world took shape but also the ways in which Eastern Europe has evolved throughout history to become what it is today

celebrity status among his countrymen Reluctantly he takes on the challenge to lead about two dozen citizensmen women and children Along the way they face death several times and a frightening walk across a swaying bridge made of nothing more than planks and rope Keeping the children safe and protected from the realities of their situation becomes the harshest most emotional role Irene has ever played as a mother Irenes entire world has always been devoted to her childrenMara ten Vera eight Andow seven and Gari five Now more than ever they need her the most Once they arrive safely in Austria everyone rejoicesthat is whoever is still alive Of the two dozen who started out on this long journey only fifteen remain Irene cannot share the jubilations she is heartbroken Their freedom forced her to abandon her homeland and forsake her family especially her mother Gitta who proclaimed that she was too old to make such a journey My slowing you down could end in disaster for you and the children No its better that I stay here The story continues until the children are young men and women Because of Irenes fear of strangers due to years of not being able to trust anyone she refuses to attend functions at Rutgers University where Benci is employed She will not allow a stranger to babysit her children which leads to a bitter divorce and Irene though devastated never accepts any responsibility for the failed marriage Goodbye to All That? Dan Stone,2014 Shows how the anti fascist consensus prevalent throughout Europe following World War II has been crumbling since the 1970s and how globalization deregulation the erosion of social democratic welfare capitalism in the West and the collapse of the Communist alternative in the East are leading to a social divisive politically dangerous rise of fascism that could threaten the peace of Europe **Goodbye, Transylvania** Sigmund Heinz Landau,2015-06-15 Rare memoir of a foreigner serving with the Germans on the Eastern Front **Goodbye Transylvania** Samuel Bistran,2008-11 An inspiring read from beginning to the end A young boy who lives in a communist village dares to dream beyond the horizons of a limited world to a world with limitless opportunities This book chronicles the fight that hungry citizens pursue for the God given right of freedom and the struggles most immigrants face in their transition to the New World It is a glimpse into what made America great and what continues to make it the greatest nation in the world the opportunity to become anything you want SAMUEL BISTRAN was born in Romania A graduate of Dallas Baptist University he is the founder of the Light House Cultural Center in Dallas Texas He travels extensively around the world and is involved in various humanitarian and missions projects He and his wife Alejandra currently reside in Dallas with their two daughters Ilona and Emma **Always Say Goodbye** Stuart M.
