Staursky defeats Flores in Brunswick ward 4 race

By GARY MCLENDARO

BRUNSWICK — George Staursky won the Ward 4 seat Tuesday night in a stunning upset of the incumbent, Anthony Flores. The main issue of the campaign, so far as Staursky was concerned, was the record of Flores.

Staursky said Flores was ahead from too many council meetings and was not representing the ward properly.

Goodbye Mom My Bipolar Journey Through Trauma Tragedy And Recovery:

Goodbye Mom George Staursky,2004-11 This book is not a biography about a man but rather it is about a Journey This is a Journey through life with this illness Bipolar Disorder and all the dynamics that go along with it This book shows how a man faced the consequences of this disease and all its pain bigotry and anguish but this journey also shows how he defeated the disease This is a book of his Journey through trauma tragedy and recovery This book is a riveting account of that journey It includes others who have suffered the indignities of this illness It brings to life an account of a story that could be written by many different people over time Destroying a life to save the same life could be construed by many as an oxymoron However in this case it fits the scenario perfectly As in the story of Dr Jekyll and Mr Hyde there had to be destruction of one's inner self to save everyone from the inner demons plaguing Dr Jekyll

The Reality of Bipolar Disorder Darcie Cooper,2015-10-09 Take hold of your own personal journey Make peace with it Peace is truth If you suffer from bipolar disorder also called manic depression or if you love someone who does then you already know how frustrating and baffling this mental illness can be This book assures you that there is great hope through all of life's circumstances Even though bipolar disorder may put us through extreme challenges each and every day if we are rigorous about taking the right medications and keeping an appropriate lifestyle we can effectively stabilize the disease and choose a good life Darcie Cooper was led by God's Spirit to present her story to others God does not want us to suffer God wants us to know that we do not have to resort to self harm or suicide He is always with us She tells us of her personal journey through life's many obstacles including tragedy loss poor physical health and bipolar disorder Our destinies are different and they call us at different times of our lives but we can learn to flow with what has been given Each person's experience with this disease will be unique but every one of us can find a successful path to staying sane

Remains of a Cloud Ruth Cohen,2010-04 Description My book at the start describes my very young life in Tunisia in North Africa where I was born and lived with my large family There I became aware of a strange sickness on my mom's side and I could not pinpoint it The political events brought us me four siblings and my parents To the other side of the Mediterranean Sea We lived in Paris for four years with a sick mom and a dad who had one ideal to go and settle in Israel eight days in the sea of my childhood and we arrived to the Jewish land This move was an enlightenment for the family even though our economical status did not improve for a long time Still we were happy in the land of milk and honey Already in Paris I did not feel good inside myself an eternal sadness And I did not connect my well being with a maternal illness that seemed to be a chain of depressions where my mom was attached To it was impossible to free her I wanted to understand but as I was so different from my mom I did not and could not see the tie between us The delivery of my older son was the beginning of a journey of thirty years where I was extremely sick not knowing the reason of this malediction I had to know Only after twenty five years I was diagnosed with the sickness called the bipolar disorder And for thirty years in spite of horrendous pains in my body And my soul I took the way of optimism I have totally

A Poetic Journey Tina Kaye Hoyer, 2011-04-13 I look in the mirror and what do I see? The vision unravels of what is to be. The shell of a woman whose life has been taken away. What does it mean to look forward to a new day? Take me away from the life that I lead. All I feel is the need to bleed. The desire to see red is like hunger or greed. Unzip my skin and set my heart free. Is there such a thing as a happy me? Or carrying this burden will I always be? From fleeing for her life from a crazed boyfriend to an accidental overdose of prescribed medications and not to mention a life-threatening cutting disorder and eight stays in mental institutions, Tina has overcome monumental obstacles to get to where she is now. Her goal with this book is to inspire and to help others with Bipolar Disorder realize each has different challenges but all can be managed with the proper amount of drive, persistence, and desire to do so. In this book, her poetry tells the traumatic story of her battle back to reality from her living hell with all the raw emotion she was feeling along the way. Tina opens her heart and soul and pours it out before you in these pages through her intense, gut-wrenching poems. You will follow Tina on her journey as she describes to you through her poetry what it took to return to reality. Through them, you get close insight into how the Bipolar mind works as it goes from extreme agitation to complete hopelessness and then to a manic euphoria. We hope that you will not only enjoy this book but will learn from it as well.

My Bipolar Life Jane S, 2017-11-26 THE CHALLENGE OF LIVING LIFE AS BOTH A BIPOLAR AND AN ALCOHOLIC Jane S is one of the 60 percent or more of manic-depressive persons severely bipolar who are also alcoholics. Her bipolar life story covers forty-seven years of sobriety and forty-five years on lithium therapy, how her illnesses have interacted and particularly how much of the shape of her life and her achievement of her life's goals, including for the last forty-seven years sobriety, has been shaped by her bipolarity. This book is important reading for those dealing with manic depression, either in those close to them or in themselves and even more for those who suffer from both of Jane's diseases. Her memories include literally the good: paying cash down for her first Mustang, though that was because she didn't know how to work a bank account; the bad: the sailboat she was on being boarded by the Coast Guard off Maryland and the ugly hearing her head being dribbled like a basketball outside her side room in the hospital; and the very good: the white light dream that began her recovery from alcoholism. She is believed to have been on lithium therapy for her condition longer than anyone else in the United States.
