Goodnight Prayers Simple Prayers To Say At Bedtime Little Lions:

The Thomas the Tank Engine Man Brian Sibley, 2015-07-17 The stories of Thomas the Tank Engine and his friends have delighted generations of children and adults but what do we know of the man who created them A devoted pastor and family man the Reverend W Awdry first started telling the stories in order to amuse his own children with no idea that the characters would lead to a global phenomenon that now seventy years after their first appearance shows no signs of waning In this fascinating and warm biography prolific author Brian Sibley brings to life one of the most eminent children s writers of the twentieth century tracing his story from his Edwardian childhood through his time at University and into World War 2 A convinced pacifist Awdry was thrown out of one curacy and denied another because of his beliefs Never afraid to fight for what he thought was right he argued with his publishers and his illustrators demanding the best for his favourite creations the trains and their friends *I'M Tired & I Need a Nap* Marie S. Herder, 2017-03-27 This book is the unpolished view into the life of one little family in the South The words are an honest reminder as to why some animals eat their young and why all parents pray for sudden lightning or magic fairy dust to render spontaneous combustion possible at least once a day until all their children move away It is also kept as a meticulous record by one Southern mommaa diary of all the reasons she prays her grandchildren turn out just like her own precious offspring *Household Words* ,1853 **Bulletin** Virginia.
