The True Story of the Great Escape Jonathan F. Vance,Simon Pearson,2019-08-30 The real history behind the classic war movie and the men who plotted the daring escape from a Nazi POW camp Between dusk and dawn on the night of March 24th 25th 1944 a small army of Allied soldiers crawled through tunnels in Germany in a covert operation the likes of which the Third Reich had never seen The prison break from Stalag Luft III in eastern Germany was the largest of its kind in the Second World War Seventy nine Allied soldiers and airmen made it outside the wire but only three made it outside Nazi Germany Fifty were executed by the Gestapo In this book Jonathan Vance tells the incredible story that was made famous by the 1963 film The Great Escape It is a classic tale of prisoners and their wardens in a battle of wits and wills The brilliantly conceived escape plan is overshadowed only by the colorful daring and sometimes very funny crew who

executed it literally under the noses of German guards From the men s first days in Stalag Luft III and the forming of bonds among them to the tunnel building amazing escape and eventual capture Vance s history is a vivid compelling look at one of the greatest exfiltration missions of all time Shows the variety and depth of the men sent into harm s way during World War II something emphasized by the population of Stalag Luft III Most of the Allied POWs were flyers with all the technical tactical and planning skills that profession requires Such men are independent thinkers craving open air and wide open spaces which meant that an obsession with escape was almost inevitable John D Gresham [Adapting Stephen King](#) Joseph Maddrey,2023-08-04 Stephen King s fiction has formed the basis of more motion picture adaptations than any other living author His earliest short stories collected in the Night Shift anthology have been adapted into hit features including Creepshow Children of the Corn Cat s Eye Maximum Overdrive Graveyard Shift Sometimes They Come Back and The Mangler Through his Dollar Baby program King licensed several Night Shift stories to aspiring filmmakers for just one dollar each resulting in numerous student film adaptations This book critically examines and contextualizes adaptations of the Night Shift short stories from big box office features to relatively unknown student films It illuminates how each film is a uniquely and intricately collaborative endeavor and charts the development of each adaptation from first option to final cut Through old and new interviews with the creators the work explores how filmmakers continue to reinvent reimagine remake and reboot King s stories
