W. R. Kempe, 1968      **Whiteness and Class in Education** John Preston, 2007-08-08 Like many of my friends I didn t really realise that I was working class until I went to university Suddenly what I thought as normal became subtly and not so subtly differentiated as I came into close contact with the middle classes I had not known a time though when I hadn t been white but I didn t really realise that I was white until I read David Roediger s 1991 book The Wages of Whiteness Through reading this work and others on the topic of whiteness the sense of my own whiteness became palpable to me Namely that what I naively thought to be a timeless property of my skin was a social construction that had acquired so much symbolic weight over time that it had become seemingly real a racial formation and project This was with consequences in that a good part of my actual and psychological labour market and other employment benefits were not part of a meritocratic system but due to the oppression of people of colour This might be part of a system that I at the time associated only with the far right a system

of white supremacy Fundamentally my skin was property and the gains that I had made through it were at the expense of others I was a so called white Ignatiev and Garvey 1996 who everyday made a political decision to not commit treason to whiteness *Splendour & Squalor* Marcus Scriven,2011-05-01 From stately homes and prisons to the House of Lords and Edwardian asylums the stories spanning the 20th century of the disintegrating fortunes of three of Britain s most illustrious aristocratic dynasties and the scapegraces responsible Splendour shortly before the outbreak of World War II the Montagus oversaw further renovation converting the Kimbolton chapel into a bar and stocking it with glasses decorated with pornography of the most interesting kind for the benefit of guests like the restless bisexual Duke of Kent younger brother of George VI Four consecutive generations of the family went to jail The Herveys Marquesses of Bristol went inside too although John Bristol 7th Marquess of Bristol born 1954 died 1999 spent most of his time investing his inheritance in helicopters heroin and for strictly recreational purposes handcuffs a blazing quest for self gratification which led him into the company of Andy Warhol and Mick Jagger Splendour Squalor offers a riveting insight into the disintegration of a once seemingly impregnable elite The resultant portrait is the authentic Downton Abbey stripped of gloss mythology and sentiment and brought mercilessly up to date **In the Highest Degree Odious** Alfred William Brian Simpson,1994 During the Second World War just under 2000 British citizens were detained without charge trial or term set under Regulation 18B of the wartime Defence Regulations This book provides a comprehensive study of Regulation 18B and its precursor in the First World War Regulation 14B *Kurt Hahn* Nick Veevers,Pete Allison,2011-10-29 Kurt Hahn had a huge influence on the fields of outdoor and experiential learning adventure education and not least badge schemes Gordonstoun Moray and County Badges and Duke of Edinburgh Award throughout the world This book provides a detailed historical account centred on Hahn and the movement which surrounded him of the early development of adventure education up to 1944 This includes an examination of themes present throughout Hahn s educational endeavours It looks at Hahn s founding of Salem School Germany in 1920 and then Gordonstoun School Scotland in 1934 At both of these fee paying schools activities such as sailing and hill walking often through expeditions lasting more than one day played a prominent role in the education of the students At Gordonstoun Hahn expanded his educational ventures through the use of badge schemes to include young people from the surrounding district who were not students at his school Hahn expanded his badge schemes firstly across the county in which Gordonstoun was situated Morayshire and then across Britain The Outward Bound Sea School was founded by Hahn and Lawrence Holt a ship owner at Aberdovey Wales in October 1941 It was a training centre where students could go for four week courses and it followed the badge scheme syllabus During this period Hahn s educational vision was one of those that influenced the Norwood Report and consequently the 1944 Education Act in terms of outdoor activities This act provided the framework within which Outdoor Centres were set up by Local Education Authorities in the UK This book looks at the various contexts which came together through Hahn and which help the reader understand

his actions German educational practice Hahn's and Prince Max's owner of Salem School experiences of the First World War and its aftermath and the need to educate people to speak out and act upon their convictions Hahn's and Prince Max's inclusive agenda British educational practice the Second World War and Hahn's expansionist aims Kurt Hahn was one of the field's greatest advocates and this book provides a detailed historical examination of his work and brings light to the complex tapestry of events which led to the rise and development of adventure education

**The Historical Geography of Scotland Since 1707** David Turnock, 2005-08-04 This is the first book to take a comprehensive view of the historical geography of Scotland since the Union The period is divided into sections separated by the Napoleonic Wars and the First World War and each section offers a general view followed by detailed studies giving a balanced coverage of regional and urban rural criteria and the economic infrastructure The book contains a number of original researches and Dr Turnock attempts to set the Scottish experience in a framework of general ideas on modernisation

*Cloven Country* Jeremy Harte, 2023-08-25 Now in paperback an exploration of the myths of England's deceptively bucolic rolling hills and country lanes believed to be created and shaped by the Dark Lord himself According to legend the English landscape so calm on the surface is really the Devil's work Cloven Country tells of rocks hurled into place and valleys carved out by infernal labor The Devil's hideous strength laid down great roads in one night and left scars everywhere as the hard stone melted like wax under those burning feet With roots in medieval folklore of giants and spirits this is not the Satan of prayer but a clumsy ogre easily fooled by humankind When a smart cobbler or cunning young wife outwitted him they struck a blow for the underdog Only the wicked squire and grasping merchant were beyond redemption carried off by a black huntsman in the storm Cloven Country offers a fascinating panorama of these decidedly sinister English tales
