Том 2: Статьи о русской литературе* Вячеслав Иванов, 2013-10-21 XX *Social Sciences*, 1993 **The Cambridge History of Spanish Literature** David T. Gies, 2004 Publisher Description **Emma Goldman, Vol. 2** Emma Goldman, 2008-07-16 Emma Goldman A Documentary History of the American Years reconstructs the life of Emma Goldman through significant texts and documents These volumes collect personal letters lecture notes newspaper articles court transcripts government surveillance reports and numerous other documents many of which appear here in English for the first time Supplemented with thorough annotations multiple appendixes and detailed chronologies the texts bring to life the memory of this singular pivotal figure in American and European radical history Volume 2 *Making Speech Free* 1902 1909 extends many of the themes introduced in the previous volume including Goldman s evolving attitudes toward political violence and social reform intensified now by documentary accounts of the fomenting revolution in Russia and the legal opposition toward anarchism and labor organizing in the United States Always an impassioned defender of free expression Goldman s launch of her magazine *Mother Earth* in 1906 signaled a desire to bring radical thought into wider circulation and its pages brought together modern literary and cultural ideas with a radical social agenda quickly becoming a platform for her feminist critique among her many other challenges to the status quo With abundant examples from her writings and speeches this volume details Goldman s emergence as one of American history s most fiercely outspoken opponents of hypocrisy and pretension in politics and public life *Избранные труды по семиотике и истории культуры* Вячеслав Всеволодович Иванов, 2000 XX *The British Library General Catalogue of Printed Books, 1986 to 1987* British Library, 1988 *Correspondance entre Romain Rolland et*

Maxime Gorki (1916-1936) Romain Rolland, 2013-01-02 Au cours d'un siècle tragique qui voit naître les affrontements et les bouleversements de la Première Guerre mondiale et de la Révolution d'octobre deux écrivains engagés tous deux dans le camp socialiste cherchent en tâtonnant les voies de l'avenir. Ils se paillent, se contrarient, s'accordent enfin dans l'action au moment même où ils sont au bord de la brouille mutuelle et l'un et l'autre par l'essor de la jeune République soviétique qui se dégage de la guerre civile et tourmentés de son avenir. Autour de Romain Rolland et Maxime Gorki c'est toute la vie intellectuelle de l'Europe entre les deux guerres ses fourvolements et ses illusions mais aussi sa clairvoyance et sa générosité qui apparaît dans ses relations avec le fait révolutionnaire. Mais au-delà du document historique de premier ordre cette correspondance témoigne aussi d'une amitié singulière nourrie de confidences personnelles, des peurs et des espérances face au bouleversement du monde, des réflexions nées des œuvres en gestation, des passions intellectuelles partagées et de l'imagination romanesque qui construit la figure du correspondant comme elle le ferait d'un personnage littéraire pour chacun. L'homme de lettres, le penseur, le politique, le militant ne sont plus que les facettes d'une même personnalité : celle de l'homme au naturel dans sa complexité vivante. *Dictionary Catalog of the Slavonic Collection* New York Public Library. Slavonic Division, New York Public Library. Research Libraries, 1974. *Wisconsin Biography* James I. Clark, 1958. *Le roman de la conscience malheureuse : Svevo, Gorki, Proust, Mann, Musil, Martin du Gard, Broch, Roth, Aragon* Philippe Chardin, 1998. Ce livre réunit une dizaine de romans appartenant aux littératures française, allemande, russe et austro-hongroise, en particulier *À la recherche du temps perdu*. L'homme sans qualité, *La montagne magique* et *La conscience de Zeno* qui mettent en scène avec souvent la même lucidité, la même angoisse et le même humour l'Europe de l'avant-guerre de 1914. C'est la notion hégélienne de conscience malheureuse qui permet de poser les problématiques communes de ces œuvres : l'historique du rapport une époque révolutionnaire, sociologique du statut ambigu de l'intellectuel aimant dans un champ de forces ni maître ni esclave, le refus du citoyen hégélien, le religieux du mysticisme sans Dieu, le psychologique du subjectivisme et du doublement tragiques. Cette conscience malheureuse semble s'incarner d'un roman à l'autre dans plusieurs formes et techniques littéraires privilégiées : la temporalité de l'éternelle attente, le recours constant à l'exégèse analytique et grossissante, ainsi qu'aux équivalences paradoxales, les formes originales d'intergration de l'essai, une trame narrative cheminement plus ou moins initiatique du récit vers un dépassement de la conscience malheureuse, ce moment coïncidant de manière paradoxale avec les bouleversements apportés par la guerre.

Correspondance entre Romain Rolland et Maxime Gorki Romain Rolland, 2023-03-29 Vous savez que nul n'ayant besoin de notre attention en ces jours que les enfants. Nous autres gens adultes nous qui quitterons bientôt ce monde nous laisserons nos enfants un bien pauvre héritage nous leur léguons une bien triste vie. Cette stupide guerre est la clatante preuve de notre faiblesse morale, du déclin de la culture. Rappelons donc aux enfants que les hommes ne furent pas toujours aussi faibles et mauvais que nous le sommes hélas. Rappelons leur que tous les peuples ont eu et possèdent encore maintenant de grands hommes, de nobles cœurs. Il est nécessaire de le faire justement en ces jours de féroce et de bestialité.

victorieuses Je vous prie ardemment cher Romain Rolland d'écrire cette Biographie de Beethoven car je suis persuadé que nul ne le fera mieux que vous Et permettez moi de vous demander encore de bien vouloir m'indiquer qui parmi les écrivains français je devrais demander de bien vouloir écrire l'Histoire de Jeanne d'Arc pour les enfants Il est bien entendu que cette personne doit avoir du talent et ne pas être catholique *Cassell's Encyclopaedia of World Literature: Biographies L-Z* John Buchanan-Brown,1953 *Культурная диаспора народов Кавказа* Нина Степановна Надъярных,Лейля Абубекировна Бекизова,1993 **Mircea Eliade: Autobiography** Mircea Eliade,2024-05-31 Here finally are Eliade's memoirs of the first thirty years of his life in Mac Linscott Rickett's crisp and lucid English translation They present a fascinating account of the early development of a Renaissance talent expressed in everything from daily and periodical journalism realistic and fantastic fiction and general nonfiction works to distinguished contributions to the history of religions Autobiography follows an apparently amazingly candid report of this remarkable man's progression from a mischievous street urchin and literary prodigy through his various love affairs a decisive and traumatic Indian sojourn and active brilliant participation in pre World War II Romanian cultural life Seymour Cain Religious Studies Review *Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971* New York Public Library. Research Libraries,1979 **Classified Catalogue of the Carnegie Library of Pittsburgh, 1902-1906 ...** Carnegie Library of Pittsburgh,1908 *Saturday Review of Literature*,1924 *Maxim Gorky* Tovah Yedlin,1999-10-30 Maxim Gorky born Aleksei Maksimovich Peshkov in 1868 to the low stratum of Russian society rose to prominence early in life as a writer and publicist Gorky who did not have a formal education became famous in his country and abroad Writing could not satisfy the rebellious Gorky who soon became involved in revolutionary movements After a short period with the populist narodnik movement Gorky became disillusioned with the peasant class and instead he chose the nascent class of workers as the vehicle for change It is as if Gorky and capitalism arrived in Russia together In his view the intelligentsia and the workers would bring about the change in the political social and cultural life of the country Gorky came close to Lenin and the Bolsheviks taking an active part in the Revolution of 1905 and going into an exile that lasted until 1913 Gorky returning home on the eve of World War I and the following revolutions of February and October 1917 became involved in the momentous developments He vehemently opposed Lenin's socialist revolution maintaining that Russia was not ready for it A second exile followed in 1921 After returning in 1928 to Stalin's Soviet Union Gorky was made into an icon with the eye of the inquisition watching over him And here began what is often called The Tragedy of Maxim Gorky He died in 1936 but the circumstances of his death as well as the question whether Gorky is still debated Based on hitherto unavailable primary sources Yedlin has cut through the Gorky legend to show the real person the Gorky of contradictions and oscillations Fascinating reading for scholars and students of Russian history and literature as well as the general public *Mercure de France* Alfred Louis Edmond Vallette,1921
