## **Gospel And Contemporary Perspectives Viewpoints From The Trinity Journal:**

Truth in Balance Carmen DiCello, 2009-06-02 The gospel of Jesus provides hope for humanity access to God purpose for human existence and empowerment for daily living These and other benefits are revealed by God but they also require a human messenger It is thus the responsibility of believers to share the truth via life and word In the real world however there are many obstacles to faith which is why it is essential to explain defend and show forth the truth thus the need for apologetics However not all agree on how best to approach apologetics and numerous suggestions have been put forth This is why as Carmen DiCello reminds us it is imperative that we think through what it means to be able to give an answer for the hope that is in us Truth in Balance addresses issues that encourage an apologetic that remains faithful to Scripture while illuminating the beauty and wonder of the Christian gospel in today s culture **God, Suffering, and Pentecostals** Marius

Nel, 2022-02-04 Pentecostals emphasize that God is still the Healer of all illnesses implying that God answers all prayers What about those who are not healed How do we explain suffering Why does a good God allow suffering Is God not powerful enough to prevent it In this publication the author reconsiders these questions from a Pentecostal hermeneutical perspective to develop a novel way to think about God s involvement with suffering among people His experimental theology speculates how a Pentecostal ethos accommodates a theodicy that acknowledges suffering and God s involvement in people s lives Although the book is a theologically constituted attempt anyone can follow and understand its arguments It concludes with alternative views of suffering evil God s loving attention to people the doctrine of original sin and Satan The author also suggests some ways to respond to suffering Reasons for Our Hope H. Wayne House, Dennis W. Jowers, 2011-10-01 A sophisticated yet accessible introductory guide to an articulate and well informed defense of the Christian faith

**Forthcoming Books** Rose Arny, 2002 Books In Print 2004-2005 Ed Bowker Staff, Staff Bowker, Ed, 2004 **The Word-faith Controversy** Robert M. Bowman, 2001 A balanced biblical examination of the word of faith movement that helps readers sort through the controversies and recognize sound scriptural teachings **Augustine's Theology of Preaching** Peter T. Sanlon, 2014-07-01 Scholarship has painted many pictures of Augustinethe philosophical theologian the refuter of heresy or contributor to doctrines like Original Sinbut the picture of Augustine as preacher says Sanlon has been seriously neglected When academics marginalize the Sermones ad Populum the real Augustine is not presented accurately In this study Sanlon does more however than rehabilitate a neglected view of Augustine How do the theological convictions that Augustine brought to his preaching challenge sustain or shape our work today By presenting Augustine s thought on preaching to contemporary readers Sanlon contributes a major new piece to the ongoing reconsideration of preaching in the modern day a consideration that is relevant to all branches of the twenty first century church The New Evangelical Subordinationism? Dennis W. Jowers, H. Wayne House, 2012-08-16 Whether and in what sense the Son of God might eternally submit to his Father s will is a question that has ignited a firestorm of controversy in today s evangelical academy On one

side stand those who regard the affirmation of any inequality whatsoever in the Godhead as a revival of ancient subordinationism On the other stand persons who consider the Son functionally subordinate to the Father even within the immanent Trinity without respect to the Incarnation and regard their belief as integral to historic orthodoxy Many evangelicals moreover view the issue of subordination within the Trinity as pivotal to contemporary disputes about the role of women in church home and state If the relations of the divine persons constitute a paradigm for human life persons on all sides of the gender question argue human relations ought to reflect either the divine persons exceptionless equality or their orderly differentiation of roles At the same time others consider the issues of equality in the Trinity and gender relations irrelevant to each other and accuse both complementarians and evangelical feminists of degrading the doctrine of the Trinity into a partisan weapon The New Evangelical Subordinationism gathers commentary on evangelical debates about equality and subordination in the Trinity from representatives of the gamut of perspectives just mentioned Here evangelical theologians biblical scholars and church historians of widely differing theological orientations address themselves to the panoply of questions raised by these debates This volume unprecedented in the breadth and depth of its coverage of the controversy over subordination in the Trinity should become a standard source for teaching and research on its subject

*Subject Guide to Books in Print* ,1997      **King, Priest, and Prophet** Robert J. Sherman,2004-03-02 Offers a well nuanced and well grounded constructive theology of Trinitarian atonement      *Inerrancy and the Gospels* Vern S. Poythress,2012-10-31 Serious Bible readers all recognize that there are differences between accounts of the same events in Matthew Mark Luke and John and no responsible reader can simply sweep these differences under the rug But can all of the accounts still be reconciled with a belief in biblical inerrancy Responding to the questions surrounding the gospel narratives New Testament scholar Vern Poythress contributes a worthy case for inerrancy in the gospels and helps readers understand basic principles for harmonization He also tackles some of the most complicated exegetical problems showing the way forward on passages that have perplexed many such as the centurion's servant the cursing of the fig tree and more All those interested in the authority of Scripture will find in this volume great encouragement and insight as Poythress has provided an arresting case to stem the tide of skepticism      **Introducing Christian Theologies, Volume Two** Victor I.

Ezigbo,2015-12-31 Should Christianity's theological face remain largely European and North American in the twenty first century in the wake of the expansion of Christianity in sub Saharan Africa Asia and Latin America The question about the theological face of Christianity cannot be ignored For too long African Asian and Latin American theologians have been left out of mainstream theological discussions Few standard textbooks on Christian theology acknowledge the unique contributions theologians from these continents have made to global Christianity Introducing Christian Theologies Voices from Global Christian Communities is a two volume textbook that alters the predominantly European and North American theological face of Christianity by interacting with voices of Christian communities from across the globe Introducing

**The Trinity and the Religions**, Loe Joo Tan, 2018-09-15 Will the followers of other religions who have not heard of the gospel be saved Since the Second Vatican Council the Catholic church has been grappling with this question culminating in a recent document Dominus Iesus in 2000 In the post DI climate the British theologian Gavin D Costa has been described as a representative post DI theologian of religions And with good reason since other theologians such as Jacques Dupuis whose work along the lines of neo Rahnerianism have been curtailed by DI D Costa's work has spanned the past three decades and is aimed at developing a theology that echoes developments within the Catholic church's efforts to grapple with the existence of other religions In doing so he has appropriated the doctrine of the Trinity by reasoning it provides the very resources for interacting with Others and developed a form of Trinitarian inclusivism Based on the work of patristic theologians such as Lewis Ayres and Michel Barnes and their conception of a Pro Nicene theological matrix this book is an attempt to assess whether D Costa's utilization of trinitarian resources for contemporary concerns is faithful to the tradition The book concludes that while there is much to commend in D Costa's system there remain some features not fully consonant with classical Trinitarianism

**Christian Faith and Practice in the Modern World** Mark A. Noll, David F. Wells, 1988 *Pentecostal and Postmodern Hermeneutics* Bradley Truman Noel, 2010-01-29 Pentecostal and Postmodern seeks to explore the relationship between Pentecostal hermeneutics and Pentecostalism's ability to connect with and evangelize North American youth As as

Postmodern ethos makes its presence increasingly felt in the Western world no Christian movement should be better positioned to bring the message of Christ to youth and young adults eager to experience the God of Miracles and wonders Recent trends in Pentecostal hermeneutics however may actually make the task more difficult No historical movement has thrived in the long term that has not carefully considered the vision for the forefront of youth ministry in the last several decades we must also connect Pentecostal academia with evangelism efforts among youth and young adults This work calls Pentecostal scholars to thoughtfully consider the implications of their work for future generations      **Word and Power**

Gareth W. D. Stewart, 2015-02-16 Historically the Reformed and Charismatic streams have seemed to be almost mutually exclusive In recent years this exclusivity has been being challenged by a new generation of Reformed thinkers This work aims at considering the contribution of John Wimber the late leader of the Vineyard Churches to contemporary theological reflection within the Reformed tradition Taking into account John Wimber's unique theology of the radical middle which is somewhere between Pentecostal and Evangelical this book asks whether Wimber may be a possible alternative source for the contemporary Reformed Churches as they approach ministry and mission in the twenty first century Written from a confessional Presbyterian context in Northern Ireland Word and Power places Wimber in his theological context and asks whether Wimber's view of power evangelism discipleship formation and ministry training might be a model that Reformed Churches and Presbyterians in particular could adopt for their ecclesiology today      **The Ethics of Grace** Paul

Martens, Michael Mawson, 2022-09-22 This volume draws together leading theologians and Christian ethicists from across the globe to critically engage with and reflect upon Gerald McKenny widely acknowledged as one of the most original and important Christian ethicists working today The essays highlight the significance of McKenny's interventions with a range of important debates in contemporary theological ethics ranging from analyses of the Protestant conception of grace to bioethics and medicine Reaching far beyond the work of Gerald McKenny this multifaceted volume is a high level resource for students and scholars of theological and philosophical ethics      **The Hibbert Journal** Lawrence Pearsall Jacks, George Dawes Hicks, George Stephens Spinks, Lancelot Austin Garrard, H. L. Short, 1905 A quarterly review of religion theology and philosophy
