## **Gospel Comes Alive:**

**Gospel Comes Alive** Allen Whitman, 1975-01-01      **Preaching That Comes Alive** Maggie Low, 2017-03-30 People go to church every Sunday hoping to hear a life giving word from the Lord but often find that they have to make do with either the dry crust of cognitive sermons or the empty calories of emotional exhortations This book provides preachers with the tools to feed their flock with hearty sustenance Using real life sermon examples from across Asia that reflect issues facing Asian Christians Maggie Low builds a picture of a sermon as a body taking you step by step through guidelines for what this body needs to come alive Whether you are a beginner or an experienced preacher you will learn to preach more confidently and relevantly through this skillful integration of biblical theology homiletical theory spirituality and communication skills Preaching cannot deliver life unless preachers themselves listen to the Word of Life Dr Low guides the reader to exegete the Scriptures and to listen to God personally so that they can deliver a life giving word to the hearers      **Coming Alive** Steve Harper, 2022-11-15 A spiritual practice for serious minded but busy people Everyone needs renewal even the most committed among us The spiritual life requires regular practice and a bit of time Coming Alive Daily Meditations for Spiritual Renewal offers five brief meditations each week for focused reading reflection and prayer Each entry centers on a passage of scripture or spiritual writing The meditations are deep insightful and beautifully simple as readers have come to expect from Steve Harper s writing This timeless book offers a gently challenging daily habit which leads to renewal of spirit and mind Coming Alive features Brief readings about 10 minutes per day Undated readings so readers can determine their own pattern of practice Spiritual depth and wisdom from ancient and contemporary sources Foreword by Brian McLaren From the Foreword Steve Harper s new book beautifully focuses in on the real core of the spiritual life Not dogma not rules and regulations not duties or guilt not pressure or obligation but life life to the full what I like to call aliveness Brian McLaren      Come Alive: Conversations with Scripture Talbot Davis, 2022-05-17 Come Alive Conversations with Scripture is a guide through the books of the Bible providing cultural context and insights that bridge the gap between the world of the Bible and our world today Each book includes a daily reading a daily insight and a daily reading prompt that will help you reflect on the text and build the skills to read the Bible for yourself with more confidence and understanding Discover a new and unexpected way to engage with Scripture and experience the Bible not as a distant confusing document but as a living breathing conversation between God and humanity that continues to speak into our ever changing world Matthew Matthew betrayed his own people for money then was called and transformed by Jesus This Jewish tax collector who worked for the oppressor Romans gives a detailed account of the life of Jesus through the lens of Jewish history and prophecy More than any other Gospel writer Matthew documents the actual words of Jesus and connects everything Jesus said and did to the promises about the Messiah Through this interactive guide through the book of Matthew you will gain a new appreciation for both Matthew s literary genius and how he invites you into the unfolding story of God and humanity      **The New Testament Comes Alive:**

**Acts-Philemon** Oral Roberts,1984      **This Is My Body** Thomas J. Davis,2008-08 A Reformation scholar provides a much needed historical perspective on the presence of Christ in the theology of Luther Calvin and other Reformers      Three Spheres of Evangelism: Worship, Discipleship, and Mission Scott Stewart,2013      **To Sanctify the World** George Weigel,2022-10-04 A leading Catholic intellectual explains why the teachings of the Second Vatican Council are essential to the Church s future and the world s The Second Vatican Council 1962 1965 was the most important Catholic event in the past five hundred years Yet sixty years after its opening on October 11 1962 its meaning remains sharply contested and its promise unfulfilled In To Sanctify the World George Weigel explains the necessity of Vatican II and explores the continuing relevance of its teaching in a world seeking a deeper experience of freedom than personal willfulness The Council s texts are also a critical resource for the Catholic Church as it lives out its original Christ centered evangelical purpose Written with insight and verve To Sanctify the World recovers the true meaning of Vatican II as the template for a Catholicism that can propose a path toward genuine human dignity and social solidarity      **Transformational Preaching** David M. Brown,2003-02 Transformational Preaching Theory and practice is a comprehensive textbook for the beginning student of preaching the graduate student in pulpit discourse or the seasoned preacher Seeking to reclaim the pulpit for biblical preaching the book counteracts the popular teaching approach that is common today and argues that preaching must be persuasive rather than informative that the preacher is central to the act of preaching and that through the preaching event both preacher and listener together fashion the message and its meaning Both theoretical and highly practical the book offers a challenging look at all aspects of the preaching ministry It contextualizes preaching in pastoral ministry and congregational worship but most significantly argues that the practice of preaching must be informed and driven by theory As such the book draws from a wide perspective of disciplines including biblical theology classical rhetoric contemporary human communication public discourse persuasion linguistics performance and orality The book s wealth of practical guidelines for every step of sermon development encourages students to apply general principles within their own contexts of ministry      **Live Forgiven** Jeff Warren,2008-07 Book Summary Forgiveness It s the cry of the human heart and yet few of us ever really live in it Instead we strive to establish our worth through our performance the approval of others the latest self help plan or even religion Do you struggle to shake the mistakes of your past Do thoughts of the future bring anxiety Are you troubled by unwanted patterns that have developed in your life Maybe you re convinced that God is somewhere in the mix but the often contradictory expressions of religion have left your head spinning and heart wanting Perhaps you re weary of an us against them brand of Christianity Could it be that Jesus Christ has been lost in a religion that bears His name Live Forgiven offers real answers for real life from a fellow traveler Liberating truths combined with practical application will help you discover the unexpected freedom and boundless joy of living forgiven Everything is about to change as you discover the life you never thought possible      **His Word Challenges** Vima Dasan,2004      I m The Evidence That Jesus Is Alive Isaac

Harold E. Petersen,2021-10-20 The Word of God the Bible has been a part of my life We had family devotions mornings and evenings Sunday school and worship services These continued to draw me into the Word I was in high school when I was led to read the Bible through in a year which I have continued down to the present time It was I was in the seminary that I was inspired to mark a special verse in every chapter of the Bible Some chapters were so full of gems of truth that I chose several     Hell Empty, Heaven Full Reinhard Bonnke,2022-08-23 Every day millions of people who don t know Jesus Christ as their Savior move farther down the dark road to destruction But as international evangelist Reinhard Bonnke says hell was never designed for people and heaven is expecting them Tens of millions of people have come to know Christ through Reinhard s ministry In this book he shares his contagious passion for bringing the gospel to the lost Each chapter in Hell Empty Heaven Full discusses biblical stories that highlight how God s priority is saving people and how He wants us to join Him in that process As Reinhard says Our calling is to put a kind hand on the shoulder of the world and turn it round to see God It will adore Him The Lord is the Savior He loves because to love gives Him joy He loves beyond all the parameters of human affection and makes even the assault of the cross an expression of His love His pain asserts it He finds satisfaction in giving pouring Himself out to us surrounding us with wonders making His redeemed the garden of delight in which He walks To proclaim the gospel is to move for Him act with Him love in Him and delight in His joy as the privilege meaning and purpose of all life Filled with vivid illustrations this book is designed to show you how to reach the lost as Jesus did with the passion and compassion of the heavenly Father     Seeking the Identity of Jesus Beverly Roberts Gaventa,Richard B. Hays,2008-10-15 In view of the proliferation of conflicting images of Jesus in the church in the academy and in popular culture it is no wonder that his identity sometimes appears more elusive than ever Seeking the Identity of Jesus brings together an interdisciplinary group of leading scholars from the fields of biblical studies theology and church history to focus on the complex problems surrounding the quest for the historical Jesus Their perspectives are richly informed by Scripture testimony from the church s past and experience of the risen Jesus in the present Contributors Dale C Allison Jr Gary A Anderson Markus Bockmuehl Sarah Coakley Brian E Daley Beverly Roberts Gaventa A Katherine Grieb Richard B Hays Robert W Jenson Joel Marcus R W L Moberly William C Placher Katherine Sonderegger David C Steinmetz Marianne Meye Thompson Francis Watson
