increasingly difficult times requiring that God's people work together by utilizing their talents for the benefit of others. The authors make clear that the call to service does not end with retirement. We can use this inspirational book to identify our gifts and learn how to best use them in service to God and others. A Gospel for the Mature Years will help us produce a society of people with vision, a vision of hope that life can have meaning and purpose regardless of circumstance and of faith that every person has been given a gift that will enable them to make a difference in this world and make it a better place for their children and grandchildren.

The Life of Christ, Or, A Critical Examination of His History David Friedrich Strauss, 1843 **The Gospel According to John** D. A. Carson, 1991. With this acclaimed volume in the Pillar New Testament Commentary series, Carson explains the text of John's Gospel to help you minister the Word of God to others either by preaching or by leading Bible studies. The commentary will also deepen your understanding of the Gospel in your own life and worship. Throughout his commentary, Carson does the following: makes clear the flow of the text, focusing on the movement of thought rather than on word studies; and Greek syntax engages a small but representative part of the massive secondary literature on John, providing a kind of map of contemporary studies on this Gospel; draws a few lines toward establishing how John's Gospel contributes to biblical and systematic theology; offers a consistent exposition of John as an evangelistic Gospel. Preceded by a comprehensive introduction treating such matters as the authenticity, authorship, purpose, and structure of the Gospel, this commentary on John exhibits the solid evangelical Scripture exposition for which Carson is well known and respected.
