## **Gospel Kingdom:**

**The Gospel of the Kingdom** George Eldon Ladd, 1990-03-13 In *The Gospel of the Kingdom* renowned biblical scholar George Eldon Ladd delves into the heart of Jesus' teachings about the Kingdom of God. With profound insight and clarity, Ladd explores the nature, purpose, and fulfillment of God's redemptive plan through the lens of the kingdom motif. This groundbreaking work, which has shaped the understanding of generations of students and scholars, offers a comprehensive and accessible examination of the central message of Jesus' ministry, shedding light on the transformative power of the gospel and its implications for Christian life and mission.

**The Kingdom of God** Christopher W. Morgan, Robert A. Peterson, 2012-11-30 The kingdom of God is a very large biblical category indeed. Accordingly, a comprehensive understanding of the kingdom would illuminate many aspects of theology. With this in mind, Bruce Waltke, Robert Yarbro, Gerald Bray, Clinton Arnold, Gregg Allison, Stephen Nichols, and Anthony Bradley have collaborated to articulate a full view of the kingdom of God across multiple disciplines. One of the most important books on the kingdom since G. E. Ladd, this volume offers a robust theology and is corroborated by the very series in which it stands. Fourth in the noted *Theology in Community* series, *The Kingdom of God* establishes the significance of the kingdom from the perspectives of biblical theology, systematic theology, history, pastoral application, missiology, and cultural analysis. Part of the *Theology in Community* series.

**The Kingdom** Witness Lee, 1980

**Jesus, Disciple of the Kingdom** Osvaldo D. Vena, 2014-01-08 That Jesus started his career as a disciple of John the Baptist is an idea that has gained almost universal recognition in the scholarly world. His coming from Galilee to be baptized by John in the river Jordan is the most compelling proof of Jesus' subordination to John. But quickly after John was executed, Jesus started his own career, not as a disciple anymore but as a teacher in his own right. In this book, Osvaldo Vena makes the claim that throughout his ministry, Jesus remained a disciple, not of John but of a higher power, God, and God's kingdom. Thus, Jesus called men and women to join him as co-disciples as he went about proclaiming the nearness of the kingdom through word and action. In this work, Vena contends that in the Gospel of Mark, Jesus is presented as a prototype of true and faithful discipleship, a model to be followed and imitated by ancient as well as contemporary believers. This presentation amounts to an emerging Christology espoused by the early Markan community on the verge of destruction from outside forces, specifically the Jewish-Roman war, as well as internal divisions resulting from struggles for power in the community.

**Rediscovering the Kingdom** Myles Munroe, 2004 Deals with the power of the kingdom of God. It touches on issues like keys that make the Kingdom function. The present and future reality of the Kingdom and the original message and purpose of Jesus.

**Justification and the Kingdom of God, Volume Two** Paul Chul Hong Kang, 2025-02-11 The *Justification and Kingdom of God* series seeks to answer the question: How can justified Christians in Jesus bear the fruit of faith, reflecting growth in God's image? To address this, the series helps readers understand what happens to the image-bearers of God in Adam or in Jesus Christ. This reveals the deeper meaning of the gospel and the restoration of God's image.

uncovering hidden treasures Now the challenge is whether the reader will accept these treasures The Kingdom of Justification strengthens readers with the truth that eternal life becoming the children of the living God through Jesus s perfect obedience includes the restoration of God s image in Jesus This restoration achieved through Jesus defines human wisdom knowledge righteousness holiness and goodness in Christ as God s children This book warns against following intellectualism and moralism in liberals which are driven by the marred image of God due to Adam s sin as guides for one s thoughts and actions Justification by God s grace alone is the foundation of true Christian growth in Jesus the core of a Christian s identity and the source of gratitude joy and peace This book continually encourages readers Don t give up on yourself You are a child of God

**A Kingdom of the Truth or Deception?** David K. Hebert Th.D.,2024-12-18 This book has been the culmination of over forty years of study on the concept of defending the Christian faith against false religions and cults that oppose that faith by exposing them Since 2007 the study took on a more academic researched scholarly tone while writing one chapter in the doctoral work It was during that time frame that studying the false religions and cults took on a more focused biblical historical and Christian orthodox direction So the foundation of this book uses the Parable of the Wheat and the Weeds Tares in Matthew 13 24 30 36 43 and a clear understanding of the core orthodox Christian beliefs as the standard for Christians to compare the kingdom of God versus the kingdom of darkness and God s truth versus Satan s lies error throughout biblical history from the Garden of Eden to the present day especially as the day of Jesus Christ s return so rapidly approaches
