Gospel Of A Poor Woman:

The Gospel of a Poor Woman Catherine de Hueck Doherty, 1984 Women and Christian Mission Frances Adeney, 2015-11-04 What are Christian women thinking about mission How do they do mission What informs their knowledge and action as they address issues in a complex world where religious proselytizing has become suspect This empirical study explores those questions finding congruence among women from diverse backgrounds and cultural contexts Women in mission face common identity issues utilize art and beauty in their work and develop character as they overcome obstacles in their cultural and denominational settings Through nearly one hundred interviews of women in Europe Asia Brazil and the United States a study of women s theologies of mission lectures and countless conversations with women around the globe this study finds common themes among contemporary women doing Christian mission This book fills a lacuna in mission studies that professors pastors and church women and men will find informative and refreshing **Women's Bible Commentary** Carol Ann Newsom, Sharon H. Ringe, 1998-01-01 In the critically acclaimed best seller Women s Bible Commentary an outstanding group of women scholars introduced and summarized each book of the Bible and commented on those sections of each book that have particular relevance to women focusing on female characters symbols life situations such as marriage and family the legal status of women and religious principles that affect relationships of women and men Now this expanded edition provides similar insights on the Apocrypha presenting a significant view of the lives and religious experiences of women as well as attitudes toward women in the Second Temple period This expanded edition sets a new standard for women s and biblical studies **Women in Mark's Gospel** Susan Miller, 2004-12-01 This is a timely topic one that has not yet been dealt with Miller writes clearly and competently The first chapter sets out her method which draws from both literary critical and feminist work She then treats the women of Mark s Gospel in sequence Her work will provide a helpful supplement to the standard commentaries It will also be useful in women s studies classes and provides a nice example of a balanced feminist interpretation of the Gospels Dr Alan Culpepper Mercer University Atlanta Miller examines the accounts of women in Mark s gospel and interprets them in relation to Mark s definition of discipleship and his understanding of new creation The Gospel According to Mark George Martin, 2005 At the heart of this book is a verse by verse exposition of the New American Bible text of Mark s Gospel Interspersed throughout the text are dozens of short essays giving the social political economic and religious background and questions for reflection "To the Poor the Gospel is preached."
