Gospel Of Genesis Studies In Protology And Eschatology:

The Gospel of Genesis Warren Gage, 2001-03-07 Gage's thesis is that Genesis 1-7 constitutes a paradigm for macrocosmic world and microcosmic Israelite history so that the history of the prediluvian world is paralleled in the histories of the postdiluvian world. This thesis is supported by an examination of the structural and literary parallels in the historical records after identifying five major theological themes as having their basis in Genesis 1-7. Gage then traces them through Scripture showing that the eschatology of the Bible is intimately bound up with the protology of the early chapters of Genesis.

The Gospel of Genesis Warren Austin Gage, 1982 **The Gospels Through Old Testament Eyes** Nicholas P. Lunn, 2023-09-22 Recognising veiled allusions to the Old Testament in the four Gospels has long contributed to our understanding of the Gospels message. Nicholas Lunn takes the investigation of allusion a significant step further in *The Gospels Through Old Testament Eyes*. He explores allusions not just in isolated verses but rather occurring throughout whole passages demonstrating that many Gospel episodes interact with specific Old Testament accounts through an extended sequence of allusions. Furthermore, his examination is not restricted to episodes presented by a single Gospel but includes allusions distributed across two or more Gospel treatments of the same event. In *The Gospels Through Old Testament Eyes*, Lunn offers a series of self-contained studies that bring to light allusions many of them previously unnoted that affirm the intricate interweaving of New Testament texts with those of the Old. This volume will greatly enhance your appreciation of the Gospels presentation of Jesus's life and ministry. It will inform and equip scholars, pastors, preachers, Bible teachers, and readers to appreciate new depths in the Gospels. *The Scriptural Tale in the Fourth Gospel* Edward H. Gerber, 2016-09-27 A more nuanced view of the Fourth Gospel's media nature suggests a new and promising paradigm for assessing expansive and embedded uses of scripture in this work. The majority of studies exploring the Fourth Evangelist's use of scripture to date have approached the Fourth Gospel as the product of a highly gifted writer who carefully interweaves various elements and figures from scripture into the canvas of his completed document. The present study attempts to calibrate a literary approach to the Fourth Gospel's use of scripture with an appreciation for oral poetic influences whereby an orally situated composer's use of traditional references and compositional strategy could be of one and the same piece. Most importantly, pre-formed story patterns thick with referential meaning were used in the construction of new works. The present study makes the case that the Fourth Evangelist has patterned his story of Jesus after a retelling of the story of Adam/Israel in two interrelated ways: first in the prologue and then in the body of the Gospel as a whole. *Growing Missionaries Biblically* R. Zarwulugbo Liberty, 2012 For missionaries in the twenty-first century, change is necessary in order for them to continue to be strong and viable. *Growing Missionaries Biblically* takes a fresh look at Christian missions and proposes a comprehensive biblical missionary training program for short and long-term missions. Its objective is to produce an effective cross-cultural ministry for Africa and, with some modifications, globally. The goal is to provide a postimperial, postcolonial model for training.

missionaries by looking to biblical guidance on the subject Author Dr R Zarwulugbo Liberty is a native of Liberia Africa with biblical theological and practical insights for prospective and seasoned missionaries and their supporters The information he provides can successfully launch and sustain these missionaries in the course of their mission work In order to accomplish his goals he proposes the use of bicultural missionaries A bicultural missionary is one who has studied both his own culture and the culture of the people to be served This missionary will not equate his or her culture with Christianity and will know and understand the practices of the culture he or she serves that can easily be incorporated and assimilated into Christianity Growing Missionaries Biblically proposes a vital curriculum for missionary preparation for cross cultural missionary service

An Old Testament Theology Bruce K. Waltke, 2011-04-19 The Old Testament is more than a religious history of the nation of Israel It is more than a portrait gallery of heroes of the faith It is even more than a theological and prophetic backdrop to the New Testament Beyond these the Old Testament is inspired revelation of the very nature character and works of God As renowned Old Testament scholar Bruce Waltke writes in the preface of this book the Old Testament s every sentence is fraught with theology worthy of reflection This book is the result of decades of reflection informed by an extensive knowledge of the Hebrew language the best of critical scholarship a deep understanding of both the content and spirit of the Old Testament and a thoroughly evangelical conviction Taking a narrative chronological approach to the text Waltke employs rhetorical criticism to illuminate the theologies of the biblical narrators Through careful study he shows that the unifying theme of the Old Testament is the breaking in of the kingdom of God This theme helps the reader better understand not only the Old Testament but also the New Testament the continuity of the entire Bible and ultimately God himself

The Spiritual Soul Matthew J. Churchouse, 2024-04-30 What is the human soul What does it do How does it relate to the brain and body What is happening in the soul when a person encounters the Holy Spirit These are some of the questions addressed in *The Spiritual Soul* as it advances towards its overall goal of proposing a re new ed Pentecostal Charismatic understanding of what constitutes a human being In pursuing this overarching intention Churchouse responds to the anthropology of two leading Pentecostal scholars Amos Yong and Veli Matti Kärkkäinen specifically their theological models concerning what a human is constituted essentially made up of to offer an enhanced Pentecostal model in preference to their monistic view Drawing upon the sources of biblical studies the philosophy of mind

and upon the pneumatology that flows from Pentecostal spirituality Churchouse advances a renewed understanding of the human soul one illumined by the spirit and the Spirit to engender his distinctive Pentecostal model of human constitution

Brower, Mark W.

Elliott, 2013-11-05 The reader must understand is a more forceful translation of the words usually rendered let the reader understand in Mark 13 14 Translated this way this volume's title stresses the importance of eschatology for Bible readers and theologians Eschatology the study of the last things is central to New Testament studies and indeed is not without importance for the Old Testament The Bible's eschatology and its place in Christian theology must therefore be taken very seriously The essays in this volume most of which were presented at the Tyndale Fellowship Triennial Conference 1997 offer new and important ideas and analysis They cover five main areas biblical theology Old Testament New Testament Christian doctrine and practical theology and significant contributions are made in each area Biblical Theology Jeong Koo

Jeon, 2017-01-31 Dr Jeon's Biblical Theology is a timely must read for church leaders seminarians pastors and missionaries in the Global Mission Field It examines God's redemptive history in creation fall redemption and consummation as revealed in the Old and New Testaments Dr Jeon delves into the grand redemptive drama progressively demonstrated through the divine covenants as well as the manifestation of the eschatological Kingdom of God This book provides not only a proper redemptive historical vision of the Bible from Genesis to Revelation but also key ideas for the formation of a solid biblical worldview Dr Jeon demonstrates the intersection and union between biblical and systematic theology while exploring redemptive history Dr Jeon also emphasizes that we currently live in the eschatological age inaugurated after Jesus Christ's death and resurrection as the Mediator of the New Covenant This inaugurated eschatological Kingdom of God will be consummated after the Second Coming of Jesus Meanwhile the present age is occurring during the last days in which we live in the era of Global Missions by

God's grace The community of the New Covenant church should humbly respond by participating in evangelism and missions demonstrating to the world that God's final judgment is coming *Ascension And Ecclesia* Douglas B. Farrow, 2004-05-06

Recent theology offers few attempts to come to grips with the meaning and implications of the ascension of Jesus Professor Farrow begins with a discussion of the biblical treatment of the ascension and Eucharistic celebration from which emerges the unique ecclesial worldview There are chapters on the treatment of these ideas by Irenaeus Origen and Augustine and on developments up to the Reformation He explores the link between ideas of the ascension cosmology and ecclesiology Farrow goes on to examine the difficulties faced by the doctrine of ascension in the modern scientific world In a final chapter he calls for an ecclesiology which does not marginalise the human Jesus Liturgy and Sacrament, Mystagogy and Martyrdom

Jeffrey L. Morrow, 2020-10-13 For far too long the Bible has been studied as just one among many historical and cultural documents from ancient history That it is a foundational text for Western civilization is clear What is too often forgotten or ignored in academic discussions however is that the Bible has also inspired the lives of countless saints throughout history men and women who sought to love God and love neighbor to the point of offering heroic sacrifices sometimes giving up their very lives Much of biblical scholarship over the past two centuries however has reduced the Bible to a dead historical document with little to no relevance for today beyond intellectual curiosity This in part lies at the root of the tragic separation of theology from biblical studies That theology and biblical exegesis are at an impasse has become a commonplace in academic discourse *Liturgy and Sacrament Mystagogy and Martyrdom* is an attempt to bridge the gap between theology and exegesis It seeks to develop a theological interpretation of Scripture relying upon the best of traditional Christian exegesis and modern biblical scholarship so that the Bible can serve once again as the wellspring of Christian life

Justification by the Word Jack D. Kilcrease, 2022-09-21 God's Word creates what he commands In *Justification by the Word* Jack D Kilcrease reintroduces Martin Luther's key doctrine Though a linchpin of the Reformation Luther's view of justification is often misunderstood For Luther justification is an expression of God's creative Word To understand Luther on justification one must grasp his doctrine of the Word The same God who declared let there be light and it was so also declares your sins are forgiven Justification is an objective reality It is achieved in Christ's resurrection and received through an encounter with the risen Christ in Word and sacrament Justification turns us outward away from our own unsteady feelings and limited understanding to look to Christ And the church must preach justification lest we so easily forfeit the joy of the gospel Justification by the Word inspires readers to reencounter the radical doctrine of justification by faith alone

The Hermeneutical Spirit Amos Yong, 2017-11-06 In the contemporary biblical studies climate proposals regarding the theological interpretation of Scripture are contested particularly but not only because they privilege encourage and foster ecclesial or other forms of normative commitments as part and parcel of the hermeneutical horizon through which scriptural texts are read and understood Within this context confessional approaches have been emerging including some from within

the nascent pentecostal theological tradition This volume builds on the author's previous work in theological method to suggest a pentecostal perspective on theological interpretation that is rooted in the conviction that all Christian reading of sacred Scripture is post Pentecost meaning after the Day of Pentecost outpouring of the Spirit on all flesh in anticipation of the coming reign of God In that respect such a pentecostal interpretative perspective is not parochially for those within the modern day movement bearing that name but is arguably apostolic in following after the scriptural imagination of the earliest disciples of Jesus the messiah and therefore has ecumenical and missional purchase across space and time The Hermeneutical Spirit thus provides close readings of various texts across the scriptural canon as a model for Christian theological interpretation of Scripture suitable for the twenty first century global context *Divine Covenants and Moral Order* David VanDrunen, 2014-05-14 This book addresses the old question of natural law in its contemporary context David VanDrunen draws on both his Reformed theological heritage and the broader Christian natural law tradition to develop a constructive theology of natural law through a thorough study of Scripture The biblical covenants organize VanDrunen's study Part 1 addresses the covenant of creation and the covenant with Noah exploring how these covenants provide a foundation for understanding God's governance of the whole world under the natural law Part 2 treats the redemptive covenants that God established with Abraham Israel and the New Testament church and explores the obligations of God's people to natural law within these covenant relationships In the concluding chapter of *Divine Covenants and Moral Order* VanDrunen reflects on the need for a solid theology of natural law and the importance of natural law for the Christian's life in the public square 07 02 [Handbook on the New Testament Use of the Old Testament](#) G. K. Beale, 2012-09-01 This concise guide by a leading New Testament scholar helps readers understand how to better study the multitude of Old Testament references in the New Testament G K Beale coeditor of the bestselling *Commentary on the New Testament Use of the Old Testament* focuses on the how to of interpreting the New Testament use of the Old Testament providing students and pastors with many of the insights and categories necessary for them to do their own exegesis Brief enough to be accessible yet thorough enough to be useful this handbook will be a trusted guide for all students of the Bible This handbook provides readers with a wonderful overview of key issues in and tools for the study of the use of the Old Testament in the New I expect it to become a standard textbook for courses on the subject and the first book to which newcomers will be directed to help them navigate through these sometimes complex waters Roy E Ciampa Gordon Conwell Theological Seminary [World Mission](#) Scott N. Callahan, Will Brooks, 2019-06-12 World missions needs a fully biblical ethos This is the contention of the editors of and contributors to *World Mission* a series of essays aimed at reforming popular approaches to missions In the first set of essays contributors develop a biblical theology of world missions from both the Old and New Testaments arguing that the theology of each must stand in the foreground of missions not recede into the background In the second they unfold the Great Commission in sequence detailing how it determines the biblical strategy of all mission enterprises Finally they treat

current issues in world missions from the perspective of the sufficiency of Scripture Altogether this book aims to reform missions to be thoroughly not just foundationally biblical a needed correction even among the sincerest missionaries
