Gospel Of St Matthew Commentaries:

The Gospel according to Matthew Leon Morris, 1992-07-29 In the Christian Church the Gospel of Matthew has been considered the most important portrait of Jesus life and message Containing Jesus Sermon on the Mount and a uniquely rich collection of parables among many other things Matthew has made a major contribution to the church throughout the centuries and it still has much to say to the church today This superb commentary in the Pillar series explores the meaning and relevance of Matthew in an eminently straightforward fashion Leon Morris writes for readers who use commentaries to discover further what the Bible means Throughout he makes clear what he considers to be the meaning of the Greek text that Matthew has bequeathed to the church A perceptive introduction precedes Morris s warmhearted verse by verse exposition of Matthew an exposition based on his own literal translation of the text Now a standard reference work on the Gospel of Matthew this mature evangelically oriented commentary will continue to meet the needs of students pastor and general readers alike

The Gospel According to Matthew R. T. France, 1985 R T France s study of Matthew s Gospel is a contribution to the Tyndale New Testament Commentaries a popular commentary designed to help the general Bible reader understand clearly what the text actually says and what it means without undue recourse to scholarly technicalities

A Commentary on the Gospel According to St. Matthew Floyd Vivian Filson, 1961

Commentary on Matthew Saint Hilary (Bishop of Poitiers), 2012 When the writing of Latin biblical commentaries was still in its infancy a young bishop from Poitiers in Gaul penned a passage by passage exposition on the Gospel of Matthew It is the first of its kind to have survived almost completely intact Published now for the first time in English translation Hilary s commentary offers a close look at Latin theology and exegesis before the Nicene Creed was considered the sole standard of orthodoxy Likely the earliest of Hilary s writings this commentary has none of the polemic against the Arians that figured so prominently in most of his later works Nonetheless there exists in this text an oft stated concern with those who interpreted the Incarnation as grounds for construing Christ as only a man rather than professing Christ as God and man Other noteworthy features of the commentary include Hilary s interest in the relation between Law and Gospel and his articulation of a Pauline based view of justification by faith In his view the importance of the Law before the Gospel was indisputable and necessary For Jews it was considered the way of

redemption With the advent of Christ it became an eschatological guide directing all future believers into the grace that comes by faith Hilary's emphasis on God's righteousness conferred on a helpless race represents a far more pronounced application of Paul's thought than in any previous Latin writer ABOUT THE TRANSLATOR D H Williams is professor of patristics and historical theology at Baylor University His publications include books and articles on early Christian thought and literature as well as studies that seek to integrate the ancient Christian legacy with contemporary theology He is the editor of The Church's Bible Commentary on Matthew A commentary on the Gospel according to Matthew Henry Leo Boles, 1983 A commentary on the Gospel of st. Matthew Harvey Goodwin (bp. of Carlisle.), 1860 **A Critical and Exegetical Commentary on the Gospel According to S. Matthew** Willoughby Charles Allen, 1907 **The Gospel According to St. Matthew** Randolph Vincent Greenwood Tasker, 1961 For the Church today as for the early Church the Gospel of Matthew provides an indispensable tool in the Church's threefold task of defending its beliefs against attacks of instructing converts in the ethical implications of their newly accepted religion and of helping its own members to live a disciplined life of fellowship based on the record of the deeds and words of their Lord and Master In short the Gospel of Matthew serves as an apology a handbook of instruction and a lectionary for use in Christian worship **A Commentary on St. Matthew's Gospel, etc** Eustace Rogers CONDER, 1866 **Commentary on the Gospel of St. Matthew** Saint Thomas Aquinas, 2011-12-31 The Commentary on the Gospel According to St Matthew is a translation of Saint Thomas Aquinas lectures on the Gospel of Saint Matthew given in Paris in approximately the year 1270 This is the first ever translation into English of this major work of the Angelic Doctor It will be a useful commentary for Catholics and non Catholics but especially as an aid for preaching sermons Numerous explanations and cross references to other works of St Thomas are given in the text St Thomas is a master of Scripture and the Church Fathers which are continuously interwoven in this simple but profoundly enlightening text **The Gospel According to Matthew** Daniel Patte, 1987 **Commentary on the Gospel According to Matthew** A. T. Robertson, 1911 Interpretation of St. Matthew's Gospel, Chapters 1-14 R. C. H. Lenski, This item is part of Lenski New Testament In Twenty Volumes Pastors and students of the Bible who seek deep and detailed engagement with the text of the New Testament have long relied on R C H Lenski's classic text now available again Even though its historical critical work has been surpassed the strong narrative quality accessibility and holy reverence for the Word of God Moody Monthly of Lenski's work have allowed his commentary to continue as an excellent resource for serious study of the New Testament and sermon preparation **Matthew: A Devotional Commentary** Leo Zanchettin, 1997-05-01 Walk with St Matthew one of Jesus apostles Includes over 120 faith filled commentaries covering every passage in the Gospel of Matthew Written from an inspirational standpoint this book provides an easy to read approach to understanding Jesus teaching through the eyes of St Matthew Drawing from solid Catholic scholarship these devotional commentaries edited by Leo Zanchettin take a practical look at the books of the New Testament inspiring readers to grow in their love for Christ

Each easy to read commentary contains the entire passage of Scripture from a particular book of the New Testament broken into short segments followed by a faith filled meditation that helps readers understand the importance of the particular passage in their lives today Historical background relevance and insight into church teaching are all combined with guidance in prayer in a way that makes Scripture come alive The Gospel of St. Matthew John C. Fenton,1964 *The Gospel of Matthew* R. T. France,2007-07-11 It is a special pleasure to introduce R T Dick France s commentary to the pastoral and scholarly community who should find it a truly exceptional and helpful volume So says Gordon Fee in his preface to this work France s masterful commentary on Matthew focuses on exegesis of Matthew s text as it stands rather than on the prehistory of the material or details of Synoptic comparison It is concerned throughout with what Matthew himself meant to convey about Jesus and how he set about doing so within the cultural and historical context of first century Palestine Amid the wide array of Matthew commentaries available today France s world class stature his clear focus on Matthew and Jesus his careful methodology and his user friendly style promise to make this volume an enduring standard for years to come
