

Gospel Of The Open Road

According To
Emerson, Whitman, and Thoreau

Robert C. Gordon, Ph.D.

*"Know the universe itself as a road—as many roads—as roads
for traveling souls."*

—Whitman

Gospel Of The Open Road According To Emerson Whitman And Thoreau

William Galvin

Gospel Of The Open Road According To Emerson Whitman And Thoreau:

Gospel of the Open Road Robert C. Gordon, 2001 Gospel of the Open Road reclaims Ralph Waldo Emerson Walt Whitman and Henry David Thoreau as America's spiritual birthright It rescues them from literary history and reveals them in their true light as democracy's prophets of the soul Emerson Whitman and Thoreau were religious seers who developed a new form of spirituality and Gospel of the Open Road explains in scholarly yet passionate fashion the deep wisdom that is their enduring legacy It presents them as a viable spiritual path for those who do not belong and do not want to belong to any organized religion But this book does more It draws fascinating parallels between the new spirituality taught by Emerson Whitman Thoreau and ancient spiritual wisdom as found in shamanism Goddess worship Tantra Taoism Confucianism Vajrayana and Zen Buddhism and Hinduism This book is an evocative synthesis of humanity's most venerable spiritual wisdom and the most modern of philosophical social psychological political scientific and Humanistic concepts It traces the New Age spiritual revolution to its source in Emerson Whitman and Thoreau and explains how to apply their spiritual teachings to our everyday life here on Earth *Thoreau at 200* Kristen Case, K. P. Van Anglen, 2016-10-14 Henry David Thoreau's thinking about a number of issues including the relationship between humans and other species just responses to state violence the threat posed to human freedom by industrial capitalism and the essential relation between scientific facts and poetic truths speaks to our historical moment as clearly as it did to the restless nervous bustling trivial Nineteenth Century into which he was born This volume marking the two hundredth anniversary of Thoreau's birth gathers the threads of the contemporary interdisciplinary conversation around this key figure in literary political philosophical and environmental thought uniting new essays by scholars who have shaped the field with chapters by emerging scholars investigating previously underexplored aspects of Thoreau's life writings and activities Both a dispatch from the front lines of Thoreau scholarship and a vivid demonstration of Thoreau's relevance for twenty first century life and thought Thoreau at 200 will be of interest for both Thoreau scholars and general readers **American Post-Judaism** Shaul Magid, 2013-04-09 How do American Jews identify as both Jewish and American American Post Judaism argues that Zionism and the Holocaust two anchors of contemporary American Jewish identity will no longer be centers of identity formation for future generations of American Jews Shaul Magid articulates a new post ethnic American Jewishness He discusses pragmatism and spirituality monotheism and post monotheism Jesus Jewish law sainthood and self realization and the meaning of the Holocaust for those who have never known survivors Magid presents Jewish Renewal as a movement that takes this radical cultural transition seriously in its strivings for a new era in Jewish thought and practice Kabbalah and Modernity, 2010-09-15 The persistence of kabbalistic groups in the twentieth century has largely been ignored or underestimated by scholars of religion Only recently have scholars begun to turn their attention to the many faceted roles that kabbalistic doctrines and schools have played in nineteenth and twentieth century culture Often and necessarily this new interest and openness went along

with a contextualization and re valuation of earlier scholarly approaches to kabbalah This volume brings together leading representatives of this ongoing debate in order to break new ground for a better understanding and conceptualization of the role of kabbalah in modern religious intellectual and political discourse

Esalen Jeffrey J. Kripal, 2011-09-07 Jeffrey Kripal here recounts the spectacular history of Esalen the institute that has long been a world leader in alternative and experiential education and stands today at the center of the human potential movement Forged in the literary and mythical leanings of the Beat Generation inspired in the lecture halls of Stanford by radical scholars of comparative religion the institute was the remarkable brainchild of Michael Murphy and Richard Price Set against the heady backdrop of California during the revolutionary 1960s Esalen recounts in fascinating detail how these two maverick thinkers sought to fuse the spiritual revelations of the East with the scientific revolutions of the West or to combine the very best elements of Zen Buddhism Western psychology and Indian yoga into a decidedly utopian vision that rejected the dogmas of conventional religion In their religion of no religion the natural world was just as crucial as the spiritual one science and faith not only commingled but became staunch allies and the enlightenment of the body could lead to the full realization of our development as human beings An impressive new book Kripal has written the definitive intellectual history of the ideas behind the institute San Francisco Chronicle Kripal examines Esalen s extraordinary history and evocatively describes the breech birth of Murphy and Price s brainchild His real achievement though is effortlessly synthesizing a dizzying array of dissonant phenomena Cold War espionage ecstatic religiosity incongruous pairings Darwinism Tantric sex and otherwise schizy ephemera psychedelic drugs spaceflight into a cogent satisfyingly complete narrative Atlantic Monthly Kripal has produced the first all encompassing history of Esalen its intellectual social personal literary and spiritual passages Kripal brings us up to date and takes us deep beneath historical surfaces in this definitive elegantly written book Playboy *Walt Whitman Quarterly Review*, 2009

American Literary Scholarship James Leslie Woodress, 1965 *Journey of Life* Daisaku Ikeda, 2014-05-20 Whether through lyrical celebrations of the wonders of nature paeans to the steadfastness of women or salutations to the world leaders who have in their various ways provided inspiration to his lifelong devotion to the causes of peace justice and education Daisaku Ikeda in his poems expresses unwavering commitment to the development of a humanistic global culture These translations the first of a three volume collection and based on the Japanese Complete Works of Daisaku Ikeda Ikeda Daisaku zenshu cover the years 1945 2007 and explore the many subjects to which the leader of the Soka Gakkai International has devoted his poetic heart and mind The translators have sought to reproduce the rhythms and timbres of a voice which though influenced by the likes of Whitman Defoe Dumas Ibsen Emerson and Shelley is yet distinctive and unique Sometimes the poet adopts a simple vernacular note at other times the compression associated with Japanese poetic forms haiku and waka But at all times the poetry maintains a stately rhythm that reflects the dignity of ordinary language and expression This collection will delight readers familiar with the prose writings of the author as well as those coming to his

work for the first time The poems within it speak with freedom and feeling of a world where genuine poetry reigns supreme and of a world where poetic perception becomes a perception of interconnectedness between friends between humanity and nature or between humanity and the cosmos

The Borderline Culture Željka Matijašević, 2021-04-28 In The Borderline Culture Intensity Jouissance and Death eljka Matijašević argues that the psychological descriptor borderline should be extended to encompass the main facets of contemporary Western culture splitting affective dysregulation intensity and the polarization of good and bad objects

The Fight of a Book for the World William Sloane Kennedy, 1926 Manuscript title of work is Reader's Handbook to Leaves of Grass

Education in the United States Leo J. Eiden, 1981 *Walt Whitman* John E. Schwiebert, 2023-01-04 Walt Whitman created in various editions of Leaves of Grass what is arguably the most influential book of poems anywhere in the past 200 years Whitman absorbed the world transmuting it into poems that address a spectrum of topics from democracy and religion to sexuality gender class and identity He exuberantly incarnated his epoch at the same time as he invoked you readers and poets to come to join in a poetry of the future The first A to Z Whitman reference to incorporate 21st century scholarship this work is ideal for readers who want a concise introduction to the major poems and prose and to the people places and topics central to his life Each of the book's 142 entries is followed by cross references to related entries and suggestions for further reading Also included are a brief biography a chronology of Whitman's life and major works and a bibliography of some 300 primary and secondary sources on this most timeless and contemporary of poets

Walks in the World Roger Gilbert, 2014-07-14 In the twentieth century no form of experience has been more frequently taken up by poets eager to capture both the openness and fluidity of life and the aesthetic closure of an artwork than that of a walk Examining the walk poem Roger Gilbert contends that at its heart is the desire to keep what we have lived What is the appeal of the walk poem for modern American poets According to Gilbert it provides a ready made frame within which to explore the full range of individual consciousness as it responds to and reflects on the world immediately at hand The unstructured plotless character of the walk allows poets to move freely from place to place image to image thought to thought Suggesting that the walk poem strikes a compromise between the American obsession with process or movement and more traditionally mimetic concerns Gilbert shows how it enables the poet to apprehend the world as horizon rather than landscape Through perceptive and extended analyses of walk poems by Frost Stevens Williams Roethke Bishop O'Hara Snyder Ammons and Ashbery he uncovers a spectrum of representational strategies for transforming passing experiences into the more lasting substance of poetry Walks in the World addresses anyone who takes poetry seriously Originally published in 1991 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books

published by Princeton University Press since its founding in 1905 Light ,1905 **Progressive Education** ,1927
Inland Printer, American Lithographer ,1918 **The Inland Printer** ,1918 **Life Without Principle** Henry
David Thoreau,1905 **Musings and Reflections** William Galvin,2016-11-23 After Reflections On A Moon my meanderings
took me to a long stay in Arizona another trip to see family and friends in Texas a few weeks later and to a new apartment
after packing up 30 plus years of memories and selling the house So the journey continued and in Musings and Reflections I
share the interpretations of what I saw and heard and felt on that path Many good people of soul have impressed me when
their journeys have intersected with mine Plus many great minds have inspired me with their words passed forward through
time and some are quoted here in what would have been empty white spaces There is so much beauty out there to be seen
felt and expressed from a tear to a laugh from a loss to a light from a river to a mountain from a speck of sand to a star and
all the moons and moods between the best and the worst are all beauteous when accepted as part of the whole fabric of Life
Bill Galvin Plainville MA *Democratic Voices and Vistas* Darrel Abel,2002-10 Discussion of the careers and writings of the
Transcendentalists Emerson Thoreau Alcott Fuller and Parker the Brahmins Holmes Longfellow and Lowell and other major
19th Century American Writers including Poe Whittier Hawthorne Melville Whitman Parkman Dana Lanier and many others
