Gospel Trumpet:

The Gospel Trumpet, 1914 **Gospel Trumpet** Paul Mickelson, 2010-10-07 Twelve beautiful solos based on favorite hymns and sacred melodies Selections are appropriate throughout the church year and are moderate in difficulty Includes the Old Rugged Cross Stand Up for Jesus How Great Thou Art In the Garden and more Keyboard accompaniment included for each selection **Icons of American Protestantism** David Morgan, 1996-01-01 Although American Protestants often claim that they are opposed to the use of devotional images in their religious life they in fact draw on a vast body of religious icons to disseminate confessional views to teach and to celebrate birthdays baptisms confirmations and sacred holidays This fascinating book focuses on the production marketing and reception of one such set of religious illustrations the art of Warner Sallman 1892 1968 whose 1940 Head of Christ has been reproduced an estimated five hundred million times Five scholars three art historians a church historian and a historian of material culture investigate various aspects of Sallman's career and art in the process revealing much about the role of imagery in the everyday devotional life of American Protestants since the 1940s The chapters examine Sallman's work in terms of the visual sources media and forms of use that shaped its making its mass production marketing and distribution by publishers and vendors and the commercial nature of Sallman's training and his work as an illustrator Other chapters explore the reception of his religious imagery among those who admired it and saw in it a vision of the world as they would have it exist the religious and theological context of conservative American Protestantism in which the imagery flourished and its critical reception among liberal Protestant intelligentsia who despised Sallman's work and what it represented in popular Christianity By placing Sallman's art in theological ecclesiastical and aesthetic perspective the book sheds light on the evolving shape of twentieth century American evangelicalism and its influence on modern American culture Who Healeth All Thy Diseases Michael S. Stephens, 2008-07-07 Who Healeth All Thy Diseases is a history of divine healing and 19th century health reform in the Church of God one of the earliest and most influential pre Pentecostal radical holiness movements The Church of God taught that Wesleyan entire sanctification was creating a visible unity of saints that restored the New Testament church of the apostles As the movement grew and experimented with the implications of visible sainthood physical healing miraculous divine healing and the physical perfectionism of health reform became integral to the life and theology of the Church of God shaping everything from proof of membership and evidence of ministerial authority to childrearing practices and acceptable clothing styles Physical healing manifested and embodied the movement's claim that God was healing the universal church the Body of Christ by cleansing individuals from the corruption of inbred sin By 1902 the prevailing opinion in the Church said that divine healing was an essential aspect of the gospel use of medicine was sinful and every minister had to exhibit the gifts of healing In the early 20th century the Church's theology and practices of healing became increasingly problematic Tragic failures of divine healing epidemics medical advances court trials mandatory inoculations of schoolchildren and

general opprobrium combined to prevent a simplistic equation of the Church of God and the church of the apostles By 1925 the Church had reversed its radical anti medicine doctrines Church members continued to affirm that Jesus answered prayers for healing but they no longer claimed to know exactly how he would answer prayers With that loss of certainty healing lost its power to serve as evidence of holiness and its central place in the history of the Church of God *The Gospel Trumpet*, 1932 *The Gospel Trumpet* Gospel Trumpet Company, 2019 **Gospel Trumpet Catalog** Gospel Trumpet Company (Anderson, Ind.), **The biblical lyre; or, Songs of praise for worshippers in Zion** James Martin, 1857

Praise for Worshippers in Zion ... James Martin (Congregational Minister.), 1857 *Making Good the Claim* Rufus Burrow, 2016-02-16 The Church of God Reformation Movement founded in 1881 has the distinction of having been founded on the two core principles of holiness and visible unity Standard histories of the group proudly argue that the founder and pioneers exhibited a zeal for interracial unity that began to wane only in the early years of the twentieth century This book

rejects that claim and argues instead that little to no extant hard evidence supports that view Moreover Making Good the Claim argues that while blacks eagerly joined the group they did so not because whites expended much energy evangelizing among them but because they heard something deeper in the message of holiness and visible unity than God's expectation that members achieve spiritual and church unity Unlike most whites blacks interpreted the message to call for unity along racial lines as well This book challenges members of the Church of God to begin forthwith to make good their historic claim about holiness and visible unity particularly as it applies to interracial unity **Trials and Triumphs of Faith** Mary Cole, 2025-08-30 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage Pentecostal Currents in American Protestantism Edith Waldvogel Blumhofer, Russell P. Spittler, Grant A. Wacker, Grant Wacker, 1999 Pentecostal Currents in American Protestantism addresses the theme of encounter within the Protestant faith by exploring moments in which identities and boundaries have been established or challenged as the Pentecostal and charismatic movements have taken their place on the American religious scene Examining topics as diverse as the animosity that marked Pentecostalism's encounter with the Holiness movement the forms and results of engagement between Pentecostal missionaries and Protestant mission boards in China and the response of Southern and American Baptists to the charismatic renewal contributors show how the confluence of the mainstream with other streams brings about questioning realignment and change **The Pulpit Commentary. Leviticus** Frederick Meyrick, 2025-08-09 Reprint of the original first published in 1882 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **Numbers** Rayner Winterbotham, 1881
