Handbook of Research on Entrepreneurs' Engagement in Philanthropy Marilyn L. Taylor, Robert J. Strom, David O. Renz, 2014-06-27. Currently very little academic research exists on the intersection of entrepreneurship and philanthropy. This unique Handbook fills that gap exploring how and why entrepreneurs who drive success in the for-profit world become engaged in philanthropy.

The Catholic Ethic and the Spirit of Community John E. Tropman, 2002. Using both historical and survey research Tropman outlines a Catholic ethic that is distinctive in its sympathy and outreach toward the poor and in its emphasis on family and community over economic success.

The Routledge Handbook of Taxation and Philanthropy Henry Peter, Giedre Lideikyte Huber, 2021-12-24. The Routledge Handbook of Taxation and Philanthropy ventures into a territory that is still widely unexplored. It contains 30 academic contributions that aim to provide a better understanding of whether, why and how philanthropic initiatives understood as voluntary contributions for the common good can and should be fostered by states through tax incentives. The topic has been addressed from a multidisciplinary and multicultural perspective covering neuroeconomics, sociology, political science, psychology, affective sciences, philosophy, behavioral economy and law because of its global and multifaceted nature. It also contains the OECD report on Taxation and Philanthropy released in November 2020 which was prepared in this context as a result of a collaboration with the Geneva Centre for Philanthropy of the University of Geneva. The book is divided into four sections exploring respectively the justification of tax incentives for philanthropy, theoretical and empirical insights about taxes, efficiency and donor behavior in that context and tax incentives for cross-border philanthropy and for hybrid entities and social entrepreneurship. It is believed that this volume will be a landmark yet only the beginning of a journey in which a lot remains to be studied, learned and said.
