Spare Parts Joshua Davis, 2014-12-02 Joshua Davis's *Spare Parts* now a major motion picture is a story about overcoming insurmountable odds and the young men who proved they were among the most patriotic and talented Americans in this country even as the country tried to kick them out Four undocumented Mexican American students two great teachers one robot building contest In 2004 four Latino teenagers arrived at the Marine Advanced Technology Education Robotics Competition at the University of California Santa Barbara They were born in Mexico but raised in Phoenix Arizona where they attended an underfunded public high school No one had ever suggested to Oscar Cristian Luis or Lorenzo that they might amount to much but two inspiring science teachers had convinced these impoverished undocumented kids from the desert who had never even seen the ocean that they should try to build an underwater robot And build a robot they did Their robot wasn't pretty especially compared to those of the competition They were going up against some of the best collegiate engineers in the country including a team from MIT backed by a 10 000 grant from ExxonMobil The Phoenix teenagers had scraped together less than 1 000 and built their robot out of scavenged parts This was never a level competition and yet against all odds they won But this is just the beginning for these four whose story which became a key inspiration to the DREAMers movement will go on to include first generation college graduations deportation bean picking in Mexico and service in Afghanistan Finalist for the J Anthony Lukas Book Prize New York Times Best Seller *Parts Work for Trauma*

*Travels Through the Interior Parts of America* Thomas Anburey,1923 Underground Boxed Set: parts 1-3 Cassandra Carr,2015-04-14 Can a man disappear forever and build himself a new life or will his past catch up with him Follow this 10 part serial throughout 2015 featuring Ethan aka Slapshot a hockey player whose life is ruined forcing him to disappear forever Ethan joins Underground a black ops organization and is trained as a deadly operative There he meets Ciana a woman with a dark past of her own As Ethan and his Underground colleagues embark on dangerous missions worldwide he finds a new purpose in life Off the Grid Underground 1 The seemingly impossible has happened The unthinkable Those I trusted most have betrayed me I m a hockey player and gave control of my finances to my parents so I could concentrate on my game Big mistake They stole from me bankrupted me in fact And then someone came looking for money I don t have and I made a terrible mistake one that will haunt me forever But now someone has found me and offered a new start I would no longer be a hockey player I wouldn t even be an actual person totally off the grid I d be a shadow fighting crime for an organization that s underground literally Do I want that life If I go back what kind of life would I have Probably one in prison

orange The choice to join Underground is painful but necessary As my hockey coach always said though pain is weakness leaving the body I will not be powerless ever again Creating Slapshot Underground 2 I ve left my old life behind and officially joined Underground It appears no one knows where I am or even if I m still alive I don t know how I feel about that My friends thinking I m dead leaves a hole in my heart but I ll drive myself crazy if I obsess about it So rather than allowing myself to wallow in self pity or anger about what s happened I m throwing all my energy into training You would think that whole elite athlete thing would make everything easier but all these new techniques I need to master hand to hand combat weapons training surveillance procedures are kicking my ass For my whole life I ve only had one identity Ethan hockey player Now that sense of self is gone forever slowly being replaced by my new identity Slapshot Surreal doesn t even begin to describe this transformation But the more I find out about the world around me the problems I ignored for the most part as I played a game for an obscene amount of money the more I want to make a difference This is not a game It s real life and I have the chance to be a hero It s going to take everything I have or have left to do it Initiation by Fire Underground 3 I have my first assignment helping track down a man targeting Cuban bodegas and then using an automatic rifle to massacre all those inside after they re attacked by a Cuban gang and his wife is killed Underground is tasked with figuring out who this dangerous man is and stopping him before he goes on another rampage It s the first time I ve seen Underground in action and I have to admit it s exciting I feel that adrenaline rush I used to get right before I hit the ice And I loved that satisfied feeling of knowing I helped find justice for all the innocent people the man has murdered **Lady Parts** Kathryn D.

**Until the Sun Breaks Down: A Künstlerroman in Three Parts** Joseph Nicolello, 2021-02-26 Written when the author was in his early and mid twenties  
Until the Sun Breaks Down is a contemporary American Künstlerroman modeled on Dante's Divine Comedy In three parts and one hundred chapters that mirror Dante's classic poem Nicolello takes the reader through present day American towns and cities infernal purgatorial and paradisaical aspects with nothing left off the table In the third and final volume structurally modeled on Dante's Paradiso the national themes of interior and exterior decline reach a head before anything like peace is found for anyone For that matter the text takes on an Augustinian turn the City of Man vs the City of God with William Fellows coming to the end of the line of temporal pleasures and escapes and even disillusionment with San Francisco or the furthest end of western civilization It is here that the character Octavia begins to take on the role of Beatrice guiding William to safe passage but not before hallucinatory episodes in both the city and the town or San Francisco and Jerusalem
