Empress and Handmaid Sarah Jane Boss, 2000-03-01

Medieval images of the Virgin Mary for veneration usually showed a mother and child enthroned bearing signs of regal authority Yet modern images show her standing alone without signs of authority or maternity This work argues that this and other developments in the cult of the Virgin in western Christianity must be understood against the background of our changing relationship with nature The book offers a new assessment of the significance of the cult of the Virgin in Christianity It also includes an original account of the development of the doctrine of the Immaculate Conception The theoretical perspective is strongly influenced by the Critical Theory of the Frankfurt School in its critique of domination

Beauty Awakening Belief Jon M. Sweeney, 2009

What once drove men to construct enormous abbeys and cathedrals with gargoyles rounded arches rose windows dark recesses and flying buttresses In the modern imagination these structures are believed to tell a series of stories about the meaning of life but this anachronism would have astounded their medieval creators As he explores two of the finest churches of this period the Abbey of Mont St Michel on the Normandy coast and soaring Chartres Cathedral in the fields of the Loire Valley author Jon Sweeney comes to the conclusion that without faith they make no sense at all But within a life of faith the universe that includes them is marvelous beautiful mysterious and tapped into something that secularism cannot fathom This luminous series of reflections hinges on seven words of Gothic spirituality space sanctuary stone light darkness gargoyles and flight and shows us that beauty is not just for admiring but a key to believing and reveals how the vision of our medieval forebears

can refresh and inspire our faith today **The Middle Ages** Tom Streissguth, 2009-06-24 This encyclopedia provides an abundance of information on the Middle Ages The Middle Ages began with the fall of the western Roman Empire in the fifth century and ended with the fifteenth century Renaissance Readers will learn about important religious political social and cultural transformations Entries cover people events and philosophies of the medieval age *From Page to Performance* John A. Alford, 1995-01-01 This book is a collection of 22 essays by scholars in the field of Medieval Drama mostly relating to performance both past and present Alford wrote one essay in the book **Architecture and Sacrament** David Wang, 2020-03-25 David Wang's Architecture and Sacrament considers architectural theory from a Christian theological perspective specifically the analogy of being analogia entis The book tracks social and cultural reasons why the theological literature tends to be separate from contemporary architecture theory Wang argues that retrieval of the sacramental outlook embedded within the analogy of being which informed centuries of art and architecture in the West can shed light on current architectural issues such as big box stores the environmental crisis and the loss of sense of community The book critiques the materialist basis of current architectural discourse subsumed largely under the banner of critical theory This volume on how European ideas inform architectural theory complements Wang's previous book A Philosophy of Chinese Architecture Past Present Future and will appeal to architecture students and academics as well as those grappling with the philosophical moorings of all built environments **The Humanist as Traveler** Jonathan Haynes, 1986 The first full length study of George Sandy's Relation one of the most interesting and important travel books of the English Renaissance The Medieval Church Joseph Lynch, 2013-12-16 The Church was the central institution of the European Middle Ages and the foundation of medieval life Professor Lynch's admirable survey concentrating on the western church and emphasising ideas and trends over personalities meets a long felt need for a single volume comprehensive history designed for students and non specialists Mary at the Foot of the Cross, VII Peter Damian Fehlner, 2008-01-01 Originally presented as Acts of the Marian Symposium in Fatima Portugal in the year 2006 The basis of Mary's unique maternal mediation is her unique participation in the redemption of Christ is the volume's central theme Following are some titles in this volume Mary Mediatrix of All Graces in the Papal Magisterium of Pope John Paul II by Msgr Arthur B Calkins The Coredemption and Maternal Mediation of the Immaculate according to Saint Louis Marie Grignion de Montfort by Fr Etienne Richer The Theological Vision of the Universal Mediation of Mary in G M Roschini by Fr Pietro Parotta PAM **Ten Ways to Destroy the Imagination of Your Child** Anthony Esolen, 2023-07-18 Play dates soccer practice day care political correctness drudgery without facts television video games constant supervision endless distractions these and other insidious trends in child rearing and education are now the hallmarks of childhood As author Anthony Esolen demonstrates in this elegantly written often wickedly funny book almost everything we are doing to children now constricts their imaginations usually to serve the ulterior motives of the constrictors Ten Ways to Destroy the Imagination of Your Child takes square aim at these accelerating trends in a bitingly

witty style reminiscent of C S Lewis while offering parents and children hopeful alternatives Esolen shows how imagination is snuffed out at practically every turn in the rearing of children almost exclusively indoors in the flattening of love to sex education and sex education to prurience and hygiene in the loss of traditional childhood games in the refusal to allow children to organize themselves into teams in the effacing of the glorious differences between the sexes in the dismissal of the power of memory which creates the worst of all possible worlds in school drudgery without even the merit of imparting facts in the strict separation of the child s world from the adult s and in the denial of the transcendent which places a low ceiling on the child s developing spirit and mind But Esolen doesn t stop at pointing out the problem he offers clear solutions as well With charming stories from his own boyhood and an assist from the master authors and thinkers of the Western tradition *Ten Ways to Destroy the Imagination of Your Child* is a welcome respite from the overwhelming banality of contemporary culture Interwoven throughout this indispensable guide to child rearing is a rich tapestry of the literature music art and thought that once enriched the lives of American children *Ten Ways to Destroy the Imagination of Your Child* confronts contemporary trends in parenting and schooling by reclaiming lost traditions This practical insightful book is essential reading for any parent who cares about the paltry thing that childhood has become and who wants to give a child something beyond the dull drone of today s culture

Prosthetic Memory Alison Landsberg, 2004 *Prosthetic Memory* argues that mass cultural forms such as cinema and television in fact contain the still unrealized potential for a progressive politics based on empathy for the historical experiences of others The technologies of mass culture make it possible for anyone regardless of race ethnicity or gender to share collective memories to assimilate as deeply felt personal experiences historical events through which they themselves did not live
