enriching exploration of early 20th century literature will find *The Best Short Stories of 1915* essential This volume not only illuminates foundational works but also encourages a broader appreciation for the art of short fiction It is an invitation to experience the intricate dance of language form and the collective consciousness of a transformative era *Red Lightning* Laura Pritchett, 2016-06-14 Ten years ago Tess Cross left her newborn daughter with her sister and hightailed it out of what she called NoWhere Colorado Now she returns to the eastern plains of Colorado full of raw rage at herself and at the universe yearning for the life she never lead and the daughter she left behind As a levantona who has been running drugs and illegal immigrants once they re beyond the US Mexico border she s knowingly and even defiantly entered into a harsh and dangerous world But suddenly her world has become darker than she can bear The largest wildfire in Colorado history is blazing Immigrants are dead She s haunted by the memory of a Mexican woman she couldn t save and a lost Mexican girl she did Traffickers of both immigrants and drugs are now hunting her down But most of all Tess is at the mercy of her own traumatized soul and the weight of it is cracking her apart In the act of coming home Tess must now face her dying mother her sister and her daughter and most importantly herself This book broaches timely topics essential in the West immigration rural poverty wildfires with suspense and gritty wisdom as well *Me and that Extra "N"* Nivedita Basu, 2016-08-24 What happens when Netra s best friend lays her hands on Netra s chronicles and Netra is taken in for a roller coaster ride through her past What happens when the doe eyed egotist revisits the ravines of lost love failed relations teenage highs and the pangs of the green something What happens when the happy go lucky damsel relives the bliss of friendship her first love and all those prized moments that life gave her Has she been able to stand the test of time Will recrudescence to her past leave her high and dry or will she bask in the glory of fulfillment *October Throne* Belden Wimbush, 2015-01-29 I really had fun writing my book *October Throne* *October Throne* has poetry and short stories Some are inspirational some are not so inspirational My poetry represents the dark and the light like Hennessy and rum Do I have positive messages in *October Throne* Do I have some negative poems in *October Throne* Yes I do but my positive thoughts outweigh my negative thoughts The few of my favorite stand out poetry pieces Ive written are *Blood in the Water* *The Day and The Ugly Rises* And the few of my favorite stand out short story lines pieces are *The Decision* *The Undying* and *The Old Is the New the Wrong Is the Right* If youre into reading drama and romance *October Throne* is for you *October Throne* is for young adults eighteen and up *October Throne* is no childrens book the wild of a grey wolf of a poet Belden Wimbush As the author I have a wild imagination I hope you will enjoy my poetry and short stories *My New Beginning...? (!)* Gingee, 2018-09-26 Following my miraculous awakening and the new me that had actually taken form I was startled to see the effect it had on the public persona Consequently immediately following my remarkable awakening and the celebration that followed thereafter it had been brought to my attention that my life would no longer be the same as it once was I soon learned that this was due entirely to the fact that I now possessed two particular unwanted characteristics that surprisingly caused me to be vilified by those of which I at one

time considered to be my friends Specifically speaking following this unforeseen tragedy that befell me and the change of life that resulted thereafter I was to remain with slightly impaired speech and also a slightly dysfunctional gait Despite the fact that the overall effects that this tragic event had on my body and mind were relatively minimal taking into account the overall essence of what had actually taken place the actual effects that it had on my entire existence were well beyond reasoning This was so taking into account the ambiguous nature of that often misconstrued term disABLED With that in mind I would like for the reader s of this forthcoming narrative to take heed to the fact that I am no longer in a catatonic state of mind and that this fortuitous event that occurred in my life which I ve chosen to write about is based entirely on truth and is therefore entirely factual However before I say another syllable or utter another adjective I would like for the reader s of this narrative to kindly take heed and at the same time pay credence to the ultimate power that the often overgeneralized term love possesses After all my ultimate survival is a prime example of the veracity of the aforementioned statement **PAPER**
