Gin Chowder Club comes an exquisitely heartfelt and uplifting novel that explores the infinite reach of a mother's love and the gift of second chances. The modest ranch house where Callie Wyeth grew up looks just as she remembers it right down to the well-worn sheets in the linen closet. But in the years since Callie lived here almost everything else has changed. Her father, once indomitable, is in poor health. And Callie is a single mother with a beautiful little boy, Henry, who has just been diagnosed with autism. Returning to this quiet New Hampshire community seems the best thing to do for both her father and her son's sake. Even if it means facing Linden Finch, the one she loved and left for reasons she's sure he'll never forgive. Linden is stunned that Callie is back and that she has a son. Yet in the warm, funny relationship that develops between Henry and Linden's menagerie of rescued farm animals, Callie begins to find hope. Not just that her son might break through the wall of silence separating him from the world, but that she too can make a new start amid the places and people that have never left her heart. Praise for *The Gin and Chowder Club*: Eloquent and surprising. I love this story of faith, love, and the lasting bonds of family. Ann Leary, author of *Outtakes from a Marriage*. Nostalgic and tender, summons the passion of first love, the pain of first loss, and the unbreakable bonds of family that help us survive both. Marie Bostwick, *New York Times* bestselling author.
