Good Things Happen in Glasgow Jude Addo, 2014-07-31. This is not your ordinary love story. In the second chapter of Genesis a marriage takes place between a man and a woman that pales in comparison to the hypnotism of modern day romance. This union bears little semblance to the excessively romanticized 21st century courtship, engagement and wedding. Their matrimony is solely driven by purpose, a concept typically foreign to the new age of passion fuelled relationships. Youth speaker and Christian author Jude Addo draws upon life changing experiences during his betrothal that unveil some hard truths about love relationships and life in general. This book speaks to the trials and triumphs that come with obeying the voice of God whilst challenging the status quo on several religious and sociological matters. A man of refreshing candour, Addo cleverly uses his engagement period as a thrilling backdrop to take the reader on a voyage of spiritual enlightenment.
