**9 ways to manage your anger** Swati J. Bhatt, Dr. Jeetendra Adhia M.D., 2014-01-10 Anyone can become angry; that is easy, but to be angry with the right person, to the right degree, at the right time, for the right purpose, in the right way, that is not easy. Aristotle. The seed of this book was planted very early in our minds. Anger is a universal emotion, but its management remains a mystery. However, when it comes to managing anger, practicing our choice becomes very difficult. We are too overwhelmed by the emotion to even state a choice. Anger has become a default response to a multiple stimulus. Moreover, only the synchronization of our mind, body, and soul can help us to manage anger effectively. Dr. Jeetendra Adhia is a live example of how anger can affect us. If I would say so, anger ruined not only his childhood but his adulthood also. Only later in his life he realized that by acting on the spur of a

moment he not only lost materialistically but emotionally as well The decision to transform into a peaceful human being was not at all easy for him It was a life transforming journey to reclaim one s own identity He proved to lead by example If he could let go of his anger so could others Thus this book is an attempt to create many such peaceful minds and hearts It is an extract of our research and experience put together Anger cannot be controlled or avoided The only way to deal with it is to manage it well Each one of us be it a kid an adult an aged person a girl or a boy gets angry No one is spared from this Anger can be managed at three steps 1 Before the onset of anger 2 During the onset of anger 3 After the onset of anger The 9 ways we have suggested here will help you to manage anger in a simple and practical way Pick up any way best suitable for you and follow it religiously until you master the skill Remember what you hold in your hand is not just a set of techniques it is a way of life Turn a new Leaf
