Good Got To Suffer With The Bad:

Why Do Good People Suffer Bad Things TR Williams,2018-10-23 You are not alone if you struggle to understand why unwanted unexplainable and inconceivable bad things happen to innocent people Never before have there been so many questions like How could a loving God permit good people to suffer bad things and often make it appear as though the guilty are rewarded or go scot free Why are there so many things in the world that seem unfair or unjust Why does God seemingly hide his face from much of the horrific evil pain and destruction Does God really care Is it fair for humans to be angry with God about their misfortune or suffering Why are there so many good people accused falsely for their suffering What defence mechanisms can I put in place to minimize evil suffering pain misfortune and the devil s influence in my own life What purpose does suffering and pain serve in human life These are some of the most thought provoking spiritually intuitive deeply agitating and most frequent questions asked by countless individuals especially by those who believe that there is a God
