Since God Is for Us Dr. Randall Odom, 2018-10-26 Dr Randall Odom takes the reader on a fascinating tour of God s perfect package of salvation for the genuine Christian Are you afraid of the penalty of sin tired of laboring under sin s domination feeling isolated from God and alone constantly frustrated by the hampering effects of sin in your life Do you wonder whether God has a perfect plan guaranteeing your ultimate salvation Do you wonder whether there is a plan whereby every situation and circumstance in your life is contributing to your ultimate welfare Are you concerned that some accusation will rob you of your eternal salvation or some deprivation will keep you from being able to complete your journey to heaven Do you imagine that it is possible that some person or thing will rise up against you and destroy your salvation or separate you from the love of God All these concerns worries fears and frustrations are dealt with by the Apostle Paul in Romans chapter 8 Dr Odom carefully and accurately explains Paul s teaching about God s perfect package of salvation for the true believer He confidently reminds the reader that since God is for us we are more than conquerors

Surplus-Enjoyment Slavoj Žižek, 2022-08-11 Contemporary life is defined by excess There must always be more there is never enough We need a surplus to what we need to be able to truly enjoy what we have Slavoj i ek s guide to surplus and why it s enjoyable begins by arguing that what is surplus to our needs is by its very nature unsubstantial and unnecessary But perversely without this surplus we wouldn t be able to enjoy what is substantial and necessary Indeed without the surplus we wouldn t be able to identify what was the perfect amount Is there any escape from the vicious cycle of surplus enjoyment or are we forever doomed to simply want more Engaging with everything from The Joker film to pop songs and Thomas Aquinas to the history of pandemics i ek argues that recognising the society of enjoyment we live in for what it is can provide an explanation for the political impasses in which we find ourselves today And if we begin even a little bit to recognise that the nuggets of enjoyment we find in excess are as flimsy and futile might we find a way out
