Building Maintenance Brian J.B. Wood, 2009-09-28 Maintaining a building is expensive it costs many times more to run a building over its lifetime than to build it yet maintenance is often not accorded the priority it warrants A poorly maintained building will be a drain on resources and will impair building use whereas a well maintained building will function smoothly and represent an appreciating asset to its owners *Building Maintenance* is a core text on the technical aspects of maintenance for undergraduate degree students on built environment courses particularly building surveying and facilities management It addresses the who what where when how and why of maintenance activities and shows that

maintenance should be considered seriously at the design stage Extensive case studies illustrate what can go wrong how to put matters right and how to get it right first time next time A professional approach is required to building maintenance By encouraging maintenance managers to stand back and take a strategic view of building maintenance alongside their day to day tasks this book will help practitioners and students to achieve that **Bookbinding & Book Production** ,1927 Dry Goods Merchants Trade Journal ,1924 *Back to the Future: Using Marketing Basics to Provide Customer Value* Nina Krey,Patricia Rossi,2017-12-04 This proceedings volume presents timely research and insights on the advancement of marketing s basic premise providing greater levels of customer value In recent years both marketing scholars and practitioners have witnessed great advancements in technology and methodologies associated with big data with location based marketing centered on mobile apps and the real time tracking of consumer behavior and with innovations and enhancements in communications utilizing the continually growing presence of social media Featuring the full proceedings of the 2017 Academy of Marketing Science AMS Annual Conference held in Coronado Island California this volume provides ground breaking research from scholars and practitioners from around the world that will help marketers in providing value for companies consumers and society Founded in 1971 the Academy of Marketing Science is an international organization dedicated to promoting timely explorations of phenomena related to the science of marketing in theory research and practice Among its services to members and the community at large the Academy offers conferences congresses and symposia that attract delegates from around the world Presentations from these events are published in this Proceedings series which offers a comprehensive archive of volumes reflecting the evolution of the field Volumes deliver cutting edge research and insights complementing the Academy s flagship journals the Journal of the Academy of Marketing Science JAMS and AMS Review Volumes are edited by leading scholars and practitioners across a wide range of subject areas in marketing science
