In the Shadow of Agatha Christie Leslie S Klinger, 2018-01-02

Before Agatha Christie became the world's Queen of Crime she stood on the talented shoulders of the female crime authors who came before her This splendid new anthology by Leslie S Klinger brings these exceptional writers out of Christie's shadow and back into the spotlight they deserve

Agatha Christie is undoubtedly the world's best selling mystery author hailed as the Queen of Crime with worldwide sales in the billions

Christie burst onto the literary scene in 1920 with The Mysterious Affair at Styles her last novel was published in 1976 a career longer than even Conan Doyle's forty year span

The truth is that it was due to the success of writers like Anna Katherine Green in America L T Meade C L Pirkis the Baroness Orczy and Elizabeth Corbett in England and Mary Fortune in Australia that the doors were finally opened for women crime writers

Authors who followed them such as Patricia Wentworth Dorothy Sayers and of course Agatha Christie would not have thrived without the bold fearless work of their predecessors and the genre would be much poorer for their absence

So while Agatha Christie may still reign supreme it is important to remember that she did not ascend that throne except on the shoulders of the women who came before her and inspired her and who are now removed from her shadow once and for all

by this superb new anthology by Leslie S Klinger
