Good People Ruth Cherry,1990-01-01 Guide to Reprints, 2003 K G Saur Books,2002-10 Guide to Reprints K G Saur Books,2000-09 **Your Better Self Study Manual** Ken Wallace,2011-09-29 This Manual is designed to be used as a compliment to and in conjunction with my book *Your Better Self A Simple Guide to Where You Want to Be* It can most certainly be read by itself as a proper book in its own right However there are allusions and references to content in the book such that some of the content of this Manual might appear incomplete The purpose of the book is to offer scenarios and stories slices of real life so that readers can self identify the specific areas of life they need to work on so they can increase their motivation and energy to straightforwardly manifest their worthy aspirations and more quickly become their better Selves The purpose of this Manual is to be a companion to the book offering additional content stories resources tools and exercises to help readers delve more deeply into those areas of opportunity to improve themselves Taken together the book and this Manual provide all that is needed to begin to more rapidly and easily become your better Self and get what you really want in your life When you read a chapter in the book that beckons you to explore that particular theme of life at a deeper level pick up this Manual and go to that same chapter the Manual has the same chapter names and sequence as the book and read the additional content More importantly be sure to do the exercises as these will help you get clearer on the specific and unique ways YOU can become YOUR better Self *Axioms for Survivors* Lon G. Jipp,2023-07-25 Paul is known as a theologian and indeed his writings yield rich theological insights But Paul was foremost a missionary and a pastor who wrote to real people and churches In this fresh approach to Pauline theology respected scholar Joshua Jipp brings Paul s pastoral concerns to the fore specifically his concern for human flourishing in his congregations Jipp argues that Paul s writings are best understood as invitations to a particular way of life one that is oriented toward the supreme good of experiencing life in God through participation in Christ For Paul Christ epitomizes the good life and enables others to live it While analyzing Paul s thought through this lens of well being and flourishing Jipp introduces conversation partners as points of comparison and contrast He interacts with ancient philosophy and modern positive psychology both of which also address the good life This important and substantial contribution to Pauline studies covers issues such as transcendence suffering and death relationships pursuit of Christian virtue and moral agency It will be a valuable resource for all students of Paul Now in paperback **The**

of ethics within the particular context of the rich diversity of Asian cultures and discusses ethics courses curricula aiming at developing the capacity to deal with a number of issues such as corruption intellectual property protection whistle blowing and consumer rights The relevance and limits of Asian philosophical and spiritual traditions and how their underlying values can be a meaningful aspect in the teaching of ethics to managers and business leaders are explored as are the benefits and limits of corporate codes of conduct and ways to enhance their effectiveness A similar approach is taken to the introduction of oaths and ethics pledges among business students which has been promoted in some business schools **Forthcoming**
