**Women, visibility and morality in Kenyan popular media** Dina Ligaga, 2020-02-03 Women visibility and morality in Kenyan popular media explores familiar constructions of femininity to assess ways in which it circulates in discourse both stereotypically and otherwise It assesses the meanings of such discourses and their articulations in various public platforms in Kenya The book draws together theoretical questions on pre-convened scripts that contain or condition how women can circulate in public The book asks questions about particular interpretations of women's bodies that are considered transgressive or unruly and why these bodies become significant symbolic sites for the generation of knowledge on morality and sexuality The book also poses questions about genre and representations of femininity The assertion made is that for knowledges of femininity to circulate effectively they must be melodramatic spectacular and scandalous Ultimately the book asks how such a theorisation of popular modes of representation enable a better understanding of the connections between gender sexuality and violence in Kenya

**Girl Trouble** Professor Carol Dyhouse, 2014-06-12 A brilliant cultural history Irish Examiner *Girls behave badly* If they're not obscenity shouting pint swigging ladettes they're narcissistic living dolls floating around in a cloud of self-obsession far too busy twerking to care And this is news In this witty and wonderful book Carol Dyhouse shows that where there's a social scandal or a wave of moral outrage you can bet a girl is to blame Whether it be stories of brazen flappers staying out and up all night in the 1920s inappropriate places for Mars bars in the 1960s or Courtney Love's mere existence in the 1990s bad girls have been a mass media staple for more than a century And yet despite the continued obsession with their perceived faults and blatant disobedience girls are infinitely better off today than they were a century ago This is the story of the challenges and opportunities faced by young women growing up in the swirl of the twentieth century and the pop hysteria that continues to accompany their progress

appropriate medication thus balancing out the brain chemistry so that the patient can function in a reasonable manner in the outside world I sincerely think bipolar disorder must be the most serious of the mental illnesses because it is so violently distressing for the patient LOVE s MELODY is a collection of poetry and pieces of prose taking us through the 1990 s on a roller coaster of extreme mental highs and lows This writing depicts the power of the human spirit to conquer the most impossible of situations in life and I trust give other sufferers of this dreadful disease some kind of hope About the Author Natasha Wilde was born in Chester in 1949 After moving down south she attended St Albans Girls Grammar School where she obtained eight O levels and two A levels She won a scholarship to St Martin s School of Art in London studying Graphic Design specialising in Film Animation When she was just half way through her Diploma course she was offered a job with Halas and Bachelor animation company the largest in the country But alas that never happened She contracted bipolar disorder at the age of twenty always maintaining there was a strong possibility she had been spiked with the hallucinatory drug L S D She remembers experiencing a hellish and terrifying time walking the streets of London totally lost hearing voices hallucinating all of her senses heightened This episode landed her in a scary hospital in Friern Barnet which had been an asylum in Victorian times Natasha was disposed of in a newer building for less serious cases The hospital has since been closed down under Margaret Thatcher s orders the poor occupants let loose spilling out into the community to somehow make their way Throughout her twenties Natasha was in and out of the local hospital where doctors experimented with various drugs and twice she received E C T ie Electro Convulsive Therapy She was fortunate in that this worked well bringing her down from her impossible fantasy world bang smack into reality which was a trifle depressing In between bouts of illness the psychotic highs and the clinical lows she took on menial work and then decided to move up to Leeds with her current Yorkshire boyfriend Here she joined an agency and became self employed as an Exotic Dancer which she loved No stigma was attached regarding her illness no forms to fill in no questions asked She had a good figure and could move She danced in clubs pubs working mens clubs and sometimes rather dicey illegal drinking dens known as shabims While living in Leeds she met her husband to be who was originally from Scotand and although her demoms were determined to drive her crazy again looking back she guesses her husband rather saved her from a fate worse than death She moved back to Hertfordshire two years later in the mid seventies and after another spell in hospital joined several agencies and began dancing again She married in 1980 and gave birth to a daughter in 1981 Her pregnancy was hell mentally and a major depression set in Immediately after giving birth she became psychotic and this was treated She was married for ten years then divorced her husband on the grounds of unreasonable behaviour During her marriage she had kept fairly well but the stress from the divorce encouraged her illness to return in its psychotic form landing her bang smack on Warren Ward for the umpteenth time Her book Love s Melody takes off from here Much of it was written in Creative Writing Therapy at her local hospital Natasha now has an adorable granddaughter and after many years th
